

Success Story-3

Name of the beneficiary: Sri Ratan Das, S/O:- Kamini Das

Name of the scheme by which benefit extended: Pisciculture in newly created and reclaimed water bodies under MGNREGA during the last year under RKVY, 2015-16.

Name of the G.P/ADC: East Bokafa GP.

Name of Block : Bokafa R.D. Block, Santirbazar, South Tripura.

Sri Ratan Das is a marginal farmer having 0.08 ha water area. In the year 2015-16 as a part of Govt. programme, a scheme was given to him to implement the scheme “Pisciculture in newly created and reclaimed water bodies in 0.08 Ha. area. Fishery inputs in the form of 800 nos. fingerlings, 20 kg. lime, 18 kg MOC, 50 kg Sinking Pelleted feed, 240 kg Rice bran and 100 ml Ultraxide and 2 days training on scientific fish culture was given to him in the said scheme. The cost of scheme was Rs.8700/- per 0.08 ha and the culture period was for one year as per the guidelines of RKVY.

As a result of adoption of scientific culture of multiple stocking and multiple harvesting practices, he got a total production of 233 kg fish from the scheme i.e (@ 2913 kg/ha) and earned an amount of Rs.34,950/-. The production thus obtained accounted three times more profit from a small unit area of 0.08 ha.

Pic A: Catching fish for family consumption.

Pic B: Haul of fish produced in tank
