PROCEEDINGS OF THE MEETING OF THE STATE LEVEL SANCTIONING COMMITTEE (SLSC) OF RASHTRIYA KRISHI VIKAS YOJANA (RKVY) HELD ON 19-06-2014 AT 03:30 P.M. UNDER THE CHAIRMANSHIP OF SHRI S.C. CHOUDHARY, IAS, CHIEF SECRETARY, HARYANA IN THE MAIN COMMITTEE ROOM, HARYANA CIVIL SECRETARIAT, CHANDIGARH.

List of participants is given in the Annexure.

The Additional Chief Secretary, Agriculture welcomed the participants and with the permission of the Chair, asked the Director General, Agriculture to initiate formal discussion on the agenda of the meeting. Agenda items were discussed as under :-

Agenda Item No.1
Confirmation of Proceedings of the Meeting of State Level Sanctioning Committee (SLSC) held on 17.06.2013

SLSC was informed that proceedings of the last meeting held on 17.06.2013 were circulated vide letter No. 740-757/TA-I (RKVY)/SLSC dated 19.06.2013 to all concerned and no comments had been received from any quarter. Hence, the proceedings of the last meeting of SLSC held on 17-06-2013 were confirmed.

Agenda Item No.2
Action Taken Report on the Decisions taken in the Meeting of State Level Sanctioning Committee (SLSC) held on 17.06.2013

The Action Taken Report on the decisions taken in the last meeting was presented by the Director General, Agriculture before the Committee which was as under :-

Sr. No	Agenda No.	Action to be taken by	Decision Taken	Action Taken	Remarks of the SLSC
1	2	Irrigation	With respect to the project "installation of shallow tube-wells along Delhi Branch from RD212000-282636 to save agricultural land from water logging & feasibility study", It was desired that the report to this effect may be submitted by the Irrigation Department to the Government of India as well as Agriculture Department, Haryana.	While discussing on the project the Engineer-in-Chief, Irrigation apprised the Committee that the department has already installed 115 no. of tube-wells for which Rs.5.50 crores will be required to complete the remaining work.	An amount of Rs.5.50 crores approved for completing the remaining work subject to the condition that no manpower will be provided for running the tube-wells under the project and the irrigation department will fully own up the running and maintenance of these tube-wells.

2	5.2 (i)	Agriculture	The project "Promotion of Resource Conserving Technologies" was approved in principle. Since there was conflict in the norms of rate of subsidy of 40% set by Govt. of India and the rate of subsidy of 50% proposed by the State Govt., therefore, it was decided that the implementing Department shall submit a proposal to Govt. of India with justification to get the ceiling increased and in the event the ceiling is not increased, the difference in the rate of subsidy may be made-up through State Plan.	GOI was requested to enhance subsidy from 40% to 50% on cost of implement. But the enhanced subsidy rate was not permitted and state was asked to meet the enhanced subsidy rate from its own state plan funds. Thereafter, subsidy @ Rs. 30,000 and Rs. 40,000 per unit on happy seeder and straw reaper respectively was provided under the project.	Noted. No further action was required.
3	5.3 (ii)	-Do-	The selection of beneficiaries under Project for "Providing Straw Reaper to the Gaushala during the year 2013-14" shall be made through the 'draw of lots' since the number of eligible applicants is likely to exceed the number of beneficiaries proposed under the project.	The project was not implemented because there was no demand of straw reaper from Gaushala due to very less rate of subsidy @ Rs. 20000/unit. The entire amount was surrendered.	Noted. No further action was required. However, the Chairman desired that popularization of straw reaper may be done among the farmers by providing subsidy to the farmers. Projects on biomass may be explored.
4	5.6 (iii)	-Do-	While implementing the project "Reclamation of Saline & Water Logged Soils in Haryana by laying Sub-Surface Drainage System", all the options including scientific study, technology assessment etc should be explored for conversion of saline water to potable water and if needed, a meeting of the concerned Departments/organizations like Haryana Kisan Ayog, CCSHAU, Irrigation Department, Agriculture Department may be called separately in this regard.	Haryana Kisan Ayog has organised the meeting on 26.5.2014 at CSSRI, Karnal.	Noted. No further action was required.

5	5.9 (v)	-Do-	The project "Promotion of Direct Seeded Rice (DSR)" shall be implemented as per NFSM norms. It was desired that the aspects of higher incidence of weeds, failure/re-planting of the crop and undertaking the project in 'cluster approach' may be thoroughly examined for implementation from next Kharif.	The project regarding Direct Seeded Rice (DSR) implemented as the norms of NFSM.	Noted. No further action was required.
6	5.10 (vi)	-Do-	The "Project regarding development of Adarsh Krishi Gram as model village" shall be implemented as per norms approved last year. The cost details, however, be sent to Govt. of India by the implementing Department/ agency immediately.	The project was not implemented because no budget was provided.	Noted. No further action was required.
7	5.11(vii)	-Do-	The "Scheme for Comprehensive Sugarcane Development under RKVY for the Year 2013-14" shall be extended to all the Sugarcane Districts in the State and the subsidy/ incentive shall be limited to the ceiling of Rs. 1,500 per acre. However, the component of 'Mini Sugarcane Harvester' is substituted with 'Wide bed–cum-Trench Planter, Subsoiler and Sugarcane Planter' on the request dated 6.6.2013 received from SUGARFED within the original budget provision. The Sugarcane section of the Department shall submit the revised project proposal at the earliest.	Subsidy/ Incentive on autumn plantation with inter cropping, use of upper portion of sugarcane for seed and raising of primary seed nurseries have been limited to the ceiling of Rs. 1500/- per acre. The sugarcane section vide letter no. CC/F/2013/1550 dated 6.9.2013 submitted the revised project proposal substituting the " Mini Sugarcane Harvester" with bed-cum-Trench planter and sugarcane planter.	Noted. No further action was required.
8	5.17 (iii)	Horticulture	The implementing Department shall work-out a road-map for phasing-	Action taken report will be appraised by the Horticulture	The house noted the progress as explained by

			out the subsidy under the project "Distribution of vegetable seedlings (Hybrid) grown at CEV, Gharaunda, CEF, Mangiana, seedling production unit at Gurgaon and Rohtak". Seedlings grown in open fields may be propagated and possibilities may also be explored to give subsidy to farmers instead of subsidizing the cost of seedlings.	department.	Director Horticulture.
9	5.23(vi)	Horticulture	The project for "Protected cultivation for horticultural crops-Kaithal" was approved in principle. Since the per-person subsidy involved was too high, the scheme needs to be re-cast in order to lower the subsidy, increase the coverage and extension. The implementing Department may approach Govt. of India.	Action taken report will be appraised by the Horticulture department.	Director Horticulture explained the details in this regard which were noted by the house.
10	5(iv)	All Departments / implement-ting agencies	The implementing Departments/ agencies shall prepare details of District-wise beneficiaries, targets and achievements and up-load the details pertaining to their respective Department/ agency on the website of RKVY www.rkvy.nic.in .	Concern departments will appraise the ATR.	It was decided in the meeting that all implementing agencies will submit monthly progress report as per RDMIS proforma by 5th of every month. List of beneficiary should be provided to the Agriculture Deptt. in hard as well as soft copy for uploading on the RKVY website.
11	5 (vi)	-Do-	The evaluation of the projects should be got done by some agency after completion of the projects	Concern departments will appraise the ATR.	The matter was viewed seriously and it was decided that the evaluation of projects be got done by independent agencies.

12	5 (x)	-Do-	That a pre-screening committee shall be constituted to examine and review the project proposals before presentation before SLSC.	The pre-screening committee has been constituted vide notification NO. 3825/Agri. II(I) 2014/5521 dated 7.4.2014 to examine and review the project proposals before presentation before SLSC. This committee has reviewed the project proposals for the year 2014-15.	Noted.

The Committee noted the ATR and expressed satisfaction at the outcomes.

Agenda Item No. 3
Review of Funds Utilization
Agenda No. 3.1 : During 2011-12

Director General, Agriculture informed that as decided in the last meeting of SLSC held on 17.06.2013, the Govt. of India was requested to revalidate Rs. 888.49 lakhs pertaining to the year 2011-12 which was still awaited. It was decided that the matter be again taken up with GoI.

Agenda No. 3.2: During 2012-13

SLSC accorded the ex-post-facto-sanction for an amount of Rs. 311.43 lakhs for utilization during the 2013-14 under the sub-scheme AFDP.

Agenda No. 3.3: During 2013-14

Director General Agriculture informed that an amount of Rs. 330.57 crores was allocated by Govt. of India for normal RKVY and sub-schemes during the year 2013-14. Out of this allocation an of amount of Rs. 159.29 crores was released by Govt. of India as 1st instalment against which Rs. 146.43 crores was utilized i.e. 91.93%. 2nd instalment amounting to Rs.171.28 crores was not released by GoI inspite of submission of utilization certificate to a tune of 53.78 % on dated 26.11.2013. However, during the year 2012-13 department had submitted the UC to a tune of 46.61% on dated 4.2.2013 even then 2nd instalment was released by GoI. Strenuous

efforts were made by the nodal department to get the 2nd instalment released from the GoI but the same was not released during 2013-14.

It was pointed out that the GoI did not release the 2nd instalment of 14 states including the major states of Punjab, Uttar Pradesh, West Bengal, Maharasthra, Madhya Pradesh, Bihar etc. Haryana, Punjab and Madhya Pradesh, the three largest contributors of foodgrains to the central pool did not get the 2nd instalment during the year 2013-14. Smt. Vasudha Mishra, JS, GoI was of the opinion that the committed liability for 2013-14 should be adjusted in the fresh allocation approved by GoI during 2014-15.

SLSC agreed in principle that the Govt. of India should be requested that the committed liability created in anticipation of the release of 2nd instalment during the year 2013-14 should be released as an additionality during the year 2014-15 and if that is not possible then the stream-wise percentages fixed in the RKVY Guidelines, 2014 should be relaxed to the extent of the committed liability as a special case because the incomplete projects against which only the 1st instalment had been utilized would have to be completed so that the expenditure already incurred does not go waste.

It was observed by the house that major part of the unutilized amount related to Haryana Dairy Development Cooperative Federation and LUVAS, Hisar. The Director Research, LUVAS informed that the research trials took 2-3 years for completion of the project. Managing Director, Haryana Dairy Development Cooperative Federation assured to utilize the unspent amount within one month.

Rs. 1.00 crore was released during 2013-14 to Animal Husbandry and Dairying Department as committed liability of 2012-13 for the project namely "National Mission for Protein Supplements (NMPS)" and this amount had not been utilized so far. The SLSC advised the DG, Animal Husbandry and Dairying Deptt. to surrender this amount so that it may be released and utilized for some other important project.

Agenda No. 4: Regularization of implementation of projects taken up during 2013-14

4.1. Agriculture Department

4.1.1. Regularization of project "Implementation of Crop Diversification in original Green Revolution State under RKVY during 2013-14.

SLSC accorded the ex-post-facto-sanction amounting to Rs. 49.25 crores for this project.

4.1.2 **Release of funds under the "project for providing subsidy on distribution of certified seeds of paddy, bajra, wheat and barley during the year 2013-14**

SLSC accorded the ex-post-facto-sanction amounting to Rs. 267.84 lakhs for this project.

4.2. **Animal Husbandry**

4.2.1 **Transfer of funds from the project namely "Establishment of Indo Israeli Centre of Excellence" to the project "Outsourcing of Artificial Insemination Services to J.K. Trust through 1145 ILDCs and Release of Rs. 300.00 lakhs as committed liability.**

SLSC accorded the ex-post-facto-sanction amounting to Rs. 300.00 lakhs for this project.

Agenda No. 4.3: Committed Liability

Director General Agriculture informed the house about the funds allocated by Govt. of India, released and utilized during the year 2012-13 & 2013-14. He further informed that Rs.4.64 crores & Rs. 12.8591 crores could not be utilized during the year 2012-13 & 2013-14 respectively. SLSC was requested to allow revalidation of aforesaid amount for the year 2012-13 & 2013-14.

SLSC approved the revalidation of above said amount for which request would be sent to GoI.

Agenda No. 5: Sanctioning of the Projects for the year 2014-15

Rs. In lakhs

Agenda No.	Component	Amount proposed	Amount approved
	Production Growth (Stream -I)		
	Agriculture		
5.1	Distribution of certified seeds of Paddy, Bajra, Wheat and Barley for the year 2014-15.	2197.5	2197.5
5.2	Project on Direct Seeded Rice (DSR)	756	756
5.3	Project on Relay Sowing of Wheat Crop in Cotton	151.2	151.2

5.4	Certified Seed Treatment of Kharif & Rabi crops by providing 100% subsidy (50% under State Plan Scheme & 50% under RKVY Stream-I) on fungicides to a maximum limit of Rs. 200.00 per quintals seed	800	800
5.5	Distribution of Quality Pesticides/Fungicides on 50% Subsidy subject to a maximum limit of Rs. 500/- per hectare to control grasshopper and other epidemic/endemic pest/ diseases during 2014-15.	225	225
5.6	Proposal for Reclamation of Saline & Water Logged Soils in Haryana by laying Sub-Surface Drainage System under RKVY(Stream-I) for the year 2014-15.	751	751
5.7	Project for Strengthening of State Plan Scheme for "Providing Assistance on Installation of Drip Irrigation System in Cotton & Sugarcane Crops" under Stream-II of RKVY during 2014-15.	422	422
5.9	Reclamation of alkali soils by applying Gypsum ingredient under RKVY (Stream-I) during the year 2014-15.	600	600
	Animal Husbandry & Dairying Department		
5.10	Reproductive health management to optimize fertility	1000	1000
5.11	Out sourcing of A.I. services to J.K. Trust through 1145 ILDCS	2075.929	2075.929
	HAFED		
5.12	Promotion of sustainable farming practices and formation of certified organic grower groups.	33.8	33.8
	HORTICULTURE		
5.13	Promotion of Bio Pesticides/ Pheromone Traps in Horticulture Crops to Reduce the Pesticide Residual Effect	200	200
5.14	Promotion of Soluble Fertilizers through Drip Irrigation	100	100
	LUVAS		
5.15	Project for Up gradation of knowledge and skill of farm women	80.1	80.1
5.16	Project for Popularization of balanced feeding in dairy animals to enhance productivity.	52.5	52.5
5.17	Strengthening of Ultrasound diagnosis Centre for training of veterinarians for application of ultrasound for the benefits of dairy farmers	10	10
5.18	Strengthening of Clinical and Extension services at Regional Centre, LUVAS, Uchani (Karnal)	28.1	28.1
5.19	Strengthening and Upgradation of Facilities and Services for Diagnosis and Treatment of Different Diseases in Animals	63	63
5.20	Project for Establishment of Superior Germplasm unit for Genetic Up-gradation of Haryana Cattle in Rural Households	45.59	45.59

5.21	"Development of Animal Forensic Laboratory, Tools and Kits for identification and differentiation of animal meat species with special reference to cattle and buffalo"	26	26
5.22	Establishment of immunopathological diagnostic laboratory to provide quality services to the livestock and poultry owners	38.5	38.5
5.23	Assessment of Agrochemical residues in livestock, poultry and their products, and its amelioration by herbal remedies.	82.5	82.5
5.24	Screening of cattle and buffalo breeding bulls of Haryana for Bovine Herpes Virus 1 infections	45	45
5.25	Molecular tools for the control of Peste des petits ruminants, Bluetongue and Capripox viruses in Haryana, India	35	35
5.26	Establishment of Regional Referral Diagnostic and Extension Center (RRDEC) of LUVAS at District Mahendergarh.	183	183
5.27	Establishment of mineral analysis laboratory	100	100
5.28	Project for Integrated Fly control in Panchkula-Ambala Poultry Belt	33.2	33.2
5.29	Diagnosis of infertility owing to hormonal imbalance and optimizing fertility through hormonal approaches in dairy animals	52.5	52.5
5.30	Establishment of Mobile Veterinary Clinic equipped with most Advanced Diagnostic and Therapeutic facilities	30	30
5.31	Strengthening/Modernization of facilities for manufacturing of indigenous milk products and entrepreneurship programme on value added safe and wholesome milk products to rural women /high-tech dairy farmers/ youths in Haryana	59.25	59.25
	CCSHAU		
5.32	Development of ergonomics and temperature controlled engine test labs.	100	100
5.33	Strengthening of Biochemistry Research for Cotton Improvement	76.2	76.2
5.34	Evaluation and Identification of *Bt* Cotton Hybrids Recommended for Haryana State	8.4	8.4
5.35	Development and Testing of Carrot Digger	5	5
5.36	Empowerment of Farmwomen Through Skill Development Based Promotion of Diversified Jute Products in Mewat Region	15	15
5.37	Study tour of farm women to research institutes/centres/model farms and impact assessment	5	5
5.38	Infrastructure Development and Production Growth at RDS Seed Farm, CCSHAU, Hisar	785	785

5.39	Project on Strengthening of Post Harvest Management Techniques of Horticultural Produce for Better Farm Advisory Services.	189	189
	Sub-total	**11460.269**	**11460.269**
	Infrastructure and Assets (Stream-II)		
	Agriculture		
5.8	Project for "On-farm water management" for the year 2014-15"	8400	8400
5.40	Project for Promotion of Resource Conserving Technology	1400	1400
5.41	Project for improved productivity through Efficient On-farm Water & Power Management through Solar Power	1000	1000
5.42	Scheme for Straw Management by Providing Straw Baler On Custom Hiring Basis to the Farmers during the year 2014-15.	875	875
	Animal Husbandary & Dairying Department		
5.43	Establishment of Indo-Israeli Centre of Excellence at Hisar.	1000	1000
5.44	Project onTechnological interventions for value addition of milk at grass root level in Haryana.	50	50
5.45	Project for Management Of Crop Residues By Making Animal Feed Blocks At Hisar Farm By State Farms Corporation Of India Ltd.	278	278
	HORTICULTURE		
5.46	Project for Providing Solar Water Pumps for Horticulture Activities	160	160
5.47	Project for Establishment of Training-cum-Demonstration Centre for Sericulture at Panchkula.	40.68	40.68
5.48	Project for Promotion of Protected Cultivation in the Haryana State.	4031.25	4031.25
5.49	Post- Harvest Management - Packing & Packaging	307.3	307.3
5.50	Project for Promotion of Mushroom Cultivation.	138.5	138.5
5.51	Project for Promotion of Stalking in Hybrid Vegetable Cultivation.	156.25	156.25
	Haryana Dairy Development Coop. Federation Ltd		
5.52	Financial Assistance for Strengthening of Milk Co-operative Societies under Stream-1 of RKVY for the	300	300
5.53	Financial Assistance for Strengthening of Marketing Infrastructure of RKVY for the year 2014-15	186	186
	Haryana State Warehousing Corporaton		
5.54	Construction of 32070 MTs. godowns UNDER R.K.V.Y. Scheme 2014-15	1630.4	1630.4

	Fisheries		
5.55	Promotion of Fish Culture in the Saline affected water logged areas of districts of Haryana.	150	150
5.56	Strengthening and Upgradation of Govt. Fish Seed Farm, Damdama	28	28
5.57	Promotion for the Culture Of Prawn In Saline/ Fresh	499	499
	Sub-total	**20630.38**	**20630.38**
	Sub-total(Production+assets & infrastructure	**32090.649**	**32090.649**
	Special Schemes/Sub-Schemes (Stream-III)		
	Agriculture		
5.58	Project for CDP(Crop Diversification Programme)	11620.05	11620.05
	HORTICULTURE		
5.59	Project for Vegetable Initiatives for Urban Clusters under RKVY Scheme during the year 2014-15.	1200	1200
	Animal Husbandary & Dairying Department		
5.60	National Mission for Protein Supplement (NMPS) (Special Programme for Dairy Development under Rashtriya Krishi Vikas Yojana).	1250	1250
5.61	Project for Improving productivity of Goats under conventional small holder/ pastoral system.	100	100
	Sub-total	**14170.05**	**14170.05**
6	**Administrative Expenses**	**181.24**	**181.24**
	Total for fresh projects 2014-15	**46441.939**	**46441.939**
	Grand Total (Fresh 2014-15+committed liability)	**49080.6101**	**49080.6101**

The above projects were approved subject to the following conditions specific to the projects:

i) The project on "Relay Sowing of Wheat Crop in Cotton" was approved in principle subject to the condition that cost norms of NFSM be followed and chemical fertilizers should not be given in the input feeds.

ii) The on-going projects on Reclamation of Saline & Water Logged Soils in Haryana by laying Sub-Surface Drainage System were approved in principle with the direction that a special case for permission should be sent to Govt. of India for approval. However, for fresh projects the guidelines of NMSA be followed.

iii) The project "Providing Assistance on Installation of Drip Irrigation System in Cotton & Sugarcane Crops" was approved by the SLSC subject to the condition of approval of GoI.

iv) The project on "Promotion of Soluble Fertilizers through Drip Irrigation" was approved with the condition that assistance should not be more than 25%.

v) The project on "Upgradation of knowledge and skill of farm women" was approved in principle with the condition that norms of ATMA should be followed.

vi) The "Project for Integrated Fly control in Panchkula-Ambala Poultry Belt" was approved with the condition that man power shall not be provided under the project.

vii) The project "Infrastructure Development and Production Growth at RDS Seed Farm, CCSHAU, Hisar" was approved with the condition that guideline no. 8.1 of RKVY should be followed.

viii) The project on "Strengthening of Post Harvest Management Techniques of Horticultural Produce for Better Farm Advisory Services" was approved in principle with the rider that subsidy may be allowed up to 40 % and rest of the amount would be borne by the farmers.

ix) The project on "Post- Harvest Management - Packing & Packaging" was approved in principle and approval from GoI may be obtained as special case.

x) The project on "Financial Assistance for Strengthening of Marketing Infrastructure of RKVY for the year 2014-15" was approved with the condition that norms should be followed.

xi) All research projects require necessary clearance from the ICAR.

Funds for the Projects approved by SLSC shall be prioritized and released by the Nodal Department on merits in consultation with the implementing Departments/ Agencies as per availability of funds.

Agenda No. 6: Administrative Expenses 2014-15

SLSC approved an amount of Rs.181.24 lakhs for the year 2014-15.

The meeting ended with a vote of thanks to the Chair.

List of participants who attended the meeting of State Level Sanctioning Committee (SLSC) of Rashtriya Krishi Vikas Yojana (RKVY) held on 19.06.2013 at 03.30 PM under the Chairmanship of Sh. S.C. Chaudhery, I.A.S., Chief Secretary to Govt. Haryana.
