

**MINUTES OF THE STATE LEVEL SANCTIONING COMMITTEE (SLSC) MEETING  
OF RKVY AND SEWP HELD ON 14<sup>TH</sup> JULY, 2015 AT THE CONFERENCE HALL  
OF THE CHIEF SECRETARY, ITANAGAR**

The State Level Sanctioning Committee (SLSC) meeting of RKVY Schemes was held on 14<sup>th</sup> July, 2015 under the Chairmanship of the Chief Secretary, Shri Ramesh Negi, IAS, , Govt. of Arunachal Pradesh. The meeting was attended by the members from Agriculture and its allied Sectors and the representative from the Ministry of Agriculture and Cooperation, Govt. of India to consider and approve the Project Proposals of Agriculture and allied Departments under Rashtriya Krishi Vikash Yojana (RKVY) for the year 2015-2016 and SEWP (State Extension Work Plan) under SMAE (Sub-Mission on Agriculture Extension) (List of the participants is at Annexure “A”).

In his welcome address the Commissioner (Agriculture), Govt. of Arunachal Pradesh, Shri Hage Khoda, IAS, apprised the house the objectives of the SLSC meeting and informed that this SLSC is to approve two important centrally sponsored schemes (CSS) “Rastriya Krishi Vikash Yojana (RKVY)”, and the “State Extension Work Plan (SEWP)” under SMAE (Sub-Mission on Agriculture Extension). He also informed that earlier in the day the attending Joint Secretary, Shri R.B. Sinha, IAS from Ministry of Agriculture, Govt. of India was kind enough to take review meeting of all the centrally sponsored schemes under the Ministry of Agriculture, in the conference hall of the Directorate of Agriculture, Krishi Bhawan, Naharlagun.

The Commissioner (Agriculture) further asked the Director Agriculture, Govt. of Arunachal Pradesh to initiate the power point presentation on the project proposals under RKVY and SEWP for 2015-16 for further discussion. Before taking up discussion on RKVY and SEWP proposal, Shri R.B Sinha, Joint Secretary, Ministry of Agriculture, Govt. of India informed the house regarding pending audit objection observed by Audit team under Controller and Auditor General of India (CAG). Commissioner (Agriculture) assured to clear the audit Paras within 15(Fifteen days). The proceeding of power point presentation was followed by observations from the Chief Secretary and comments from the Ministry and approved by the house. The list of approved projects by SLSC under Agriculture and allied department are enclosed at Annexure- I to IX.

After detailed discussion the following suggestions were made Sector-wise;-

1. **AGRICULTURE:-** In order to encourage Agriculture marketing, Mandis should be established in each district headquarter and Farmer producers organization should be mobilized in the state. The proposed area expansion programme should be carried out in food deficit area only. The food deficit block should be mapped in the state. Off-season Vegetable Production Programme, Commercial Cultivation of King Chilly as an alternative to Opium cultivation were emphasized. The state department of Agriculture agreed to follow the CIB&RC terms and conditions to use the plant protection inputs. Area expansion by land terracing should not be compared with NMSA. ISAM is bank aided scheme, which poor farmers cannot avail. Wayside market is a community based scheme and also declared under “flagship programme”, hence, this scheme should be allowed to continue. Gender friendly hand tools are not machineries hence are not covered under SMAM. Under Flexi fund only production/field related minor repair and renovation shall be allowed. Proposals on Ragi and Automatic Weather Station (AWS) and Automatic Rain Gauge Station (ARS) were dropped and the equivalent amounts have been suggested under other schemes.
2. **HORTICULTURE:-** After detailed discussion the members of SLSC considered most of the proposals for approval of DAC subject to re-casting the cost norms as per MIDH. Further, the SLSC advised the Department to recast SI. No: 2 as rejuvenation and synergy of old orchards, to include Vermi compost under APNA BARI and to re-cast the proposal for Mushroom development units to be confined to major urban areas. Under Flexi fund, the proposed development of packing materials assistance to only bamboo carat/Baskets may be provided to local SHGs in orange growing areas only.
3. **ANIMAL HUSBANDRY & VETERINARY:-**The proposed dairy units should be implemented in urban centers and Mithuns in rural areas for BPL families strictly in Mithun rearing district initially East Kameng, Kurung Kumey, Kra-Dadi, Upper Subansiri and Papumpare and subsequently in the district of Lower Subansiri, West Siang, Upper Siang etc. Under infrastructure and assets: including Flexi fund schemes, proposal may be re-casted. Proposal Sl. No.8 for purchase of stationary be dropped.

4. **FISHERY:-** The members of the SLSC suggested that Development of commercial fish farming scheme should be limited to BPL families only through organizing SHGs in a cluster approach having minimum area of .2ha/member. All schemes proposed under Production and growth should be implemented first in the district of Lohit, Changlang, Namsai and Papumpare only where fish is common and later on to be replicated to other districts. Under Infrastructure and Assets construction of store-cum- office are allowed for newly created district only. Proposal for mobile transport be dropped. Under Flexi fund, the committee advised the department to recast the proposal for production related projects as strengthening of infrastructure of existing farm, Training and information centre etc. Proposal for construction of compound wall at Govt. fish farm Emchi was not approved by SLSC.
5. **SERICULTURE:-** The SLSC suggested to propose for infrastructure for strengthening, rejuvenation of Govt. Sericulture farm with aim to facilitate demonstration to farmers. As observed by ministry, procurement of Barbed wire and transportation charge is not admissible under RKVY. The project proposal may be re-casted in accordance with RKVY's guidelines.
6. **SOIL & WATER CONSERVATION,RWD):-** All the proposals were considered for approval. However, SLSC advised the Department to follow the cost norms of IWMP and NMSA strictly.
7. **RCS, COOPERATION:-**The members of the SLSC considered all the project proposal for approval subject to re-casting as per AMI and ISAM cost norms. The Chairman, SLSC advised the department to mould projects to operate Mandis in future.

Shri R.B. Sinha, IAS, Joint Secretary, Ministry of Agriculture & Cooperation, Govt. of India, suggested the following:-

- a) Provisions available under various schemes of the ministry may be proposed under that scheme to avoid overlapping and to save the RKVY fund.
- b) Proper monitoring and evaluation of the schemes implemented should be done with photographic evidence. It was further, decided in the meeting that Nodal Department of Agriculture will be responsible for Monitoring and Evaluation of all RKVY schemes implemented in the state.
- c) Proposal should be submitted in time for funding and to implement according to cropping season. Or else there will be lapse of fund, both in funding process and implementation as well.
- d) Produce from the RKVY project implementation may be linked to appropriate market channel to ensure economic return to farmer.

After detailed deliberations amongst the members of the SLSC the following sector wise allocations of fund were finalized;-

SI. NO	NAME OF DEPARTMENTS	AMOUNT PROPOSED IN THE SLSC (RS IN LAKH)	AMOUNT APPROVED BY THE SLSC (RS IN LAKH)
1	2	3	4
(1)	Agriculture	2653.20	2653.20
(2)	Horticulture	792.00	792.00
(3)	AH & Veterinary	792.00	792.00
