Minutes of the State Level Sanctioning Committee (SLSC) meeting held on 18th July, 2016 to consider the project under RKVY for the year 2016-17.

Meeting of the State Level Sanctioning Committee was held on 18th July, 2016 at Bhopal under the chairmanship of the Chief Secretary of Madhya Pradesh with Joint Secretary Gol shri R.K.Singh, to consider the project under RKVY for the year 2016-17. The list of participants is at **Annexure - 1**.

The committee discussed the agenda point and project proposed for the year 2016-17 in the light of observation made by Ministry of Agriculture Gol, vide letter no 1-14/2016-RKVY dated 15.07.2016. Discussion on each Agenda point is as follows:-

Agenda -1:- Review of Expenditure and Utilization Certificate submitted to Gol.

The committee reviewed the status of expenditure and Utilization Certificate of the year 2015-16 submitted to Government of India, Ministry of Agriculture.

Agenda -2:- Project sanctioned in the year 2015-16 to be continued in the year 2016-17

The committee has discussed the extension of project period for the year 2016-17 for projects mentioned in **Annexure-2**.

i. Expansion of Disease investigation facilities in MP 2015-16-

The committee has approved the project as proposed.

ii. Establishment of nucleus pig farm 2015-16-

The committee has not approved the project as Gol comments are not supported.

Agenda 3:- New Project proposed for the year 2016-17

The committee has discussed the new project proposals for the year 2016-17 and the projects being dropped this year. List of approved and dropped projects is given in **Annexure -3**. The project wise discussion is as given below:-

i. Onion storage phase-II (2016-17)-

The committee has approved the project as proposed.

II. Popularization of Hyb. Mustard-SLSC dated 23 Feb.2016

Due to unavailability of Hyb seed of mustard in Govt. agencies, committee has decided to drop this project this year.

III. Popularization of Hyb. Arhar (Pigeon pea)-SLSC dated 23 Feb.2016

Due to unavailability of Hyb seed of Arhar (Pigeon pea) in Govt. agencies, committee has decided to drop this project this year.

IV. Long term proposal for promotion of organic agriculture practices in Narmada Basin Area to control water pollution (NGT) -SLSC dated 23 Feb.2016

The committee has discussed the project in length, though this is an important project in respect to control Narmada Basin from pollution so inspite of dropping this project, the cost may be reduce upto Rs.600.00 lakh.

Agenda 4:- New Project proposed (Sub scheme) for the year 2016-17

Under Additional Fodder Development Programme (AFDP) sub scheme of Rashtriya Krishi Vikas Yojana for the year 2015-16 and 2016-17, allocation from GoI is available and for which projects are proposed as per need of the state before SLSC. The details are in **Annexure-4**

i. Additional Fodder Development Programme (AFDP) 2015-16-

The committee has discussed the project in length; in the light of comments received from GoI the committee has conditionally approved the project as release is already available since 2015-16.

ii. Additional Fodder Development Programme (AFDP) 2016-17-

The committee has approved the project.

Additional Agenda:-New Project proposal for year 2016-17

The committee has discussed the new project proposals for the year 2016-17 and the list of approved projects is given in **Annexure -5**. The project wise discussion is as given below:-

Agriculture:-

I. Strengthening of insecticide quality control laboratory, Jabalpur.

The committee has approved the project and suggested comments may be obtained from GoI.

II. Collaborative hybrid pigeon pea seed production programme on Beej Nigam Farms

The committee has approved the project and suggested that comments may be obtained from GoI. & recommended that the remaining work be completed from own resources of Seed Corporation of the State.

Agriculture Engineering:-

I. Skill development of rural youth in farm mechanization

The committee has approved the project and suggested that comments may be obtained from GoI.

Animal Husbandry:-

I. Foot and mouth disease vaccination programme.

The committee has discussed the project in length; as vaccination programme for Foot and mouth disease is already going on in 19 states through GoI funding, the committee has decided that Chief Secretary may raise the issue at GoI level through letter to provide financial support to the state under FMD-CP. The committee also suggested that depending upon the response from GoI, the scheme may be put for 2017-18 at appropriate time if need be.

Additional Agenda:-Component changes in NVDA project –

The committee has given sanction to component changes as proposed in “project to support remaining work of RVP in NVDA” within the sanctioned cost limit.

Comments received from GoI on Additional Agenda of SLSC 23-02-2016:-

GoI has given the comments on additional agenda of SLSC 23-02-2016, comments supported the SLSC decision already mentioned in proceeding of SLSC B-1-2/2014/14-2 dated 2.03.2016. Some project wise discussions are as follows:-

1. Project on Creation of Facilities for Adaptation Studies on Climate Chang (RVSKVV)-GoI comments received "not supported" in the absence of ICAR comments, though the RKVY cell received ICAR comments in favour of project thus it has been approved.
2. Project on Financial assistance for computerization of M.P. State Cooperative Seed Federation, Regional offices and Primary Seed Growers Cooperative societies (Beej Sangh)- GoI comments received "supported", though the RKVY guideline does not support the purchase of computer and accessories from RKVY fund. Thus this project is not sanctioned.

Meeting ended with a vote of thanks.
