Agenda 5-Revised Cost and Physical Target for Approval

- A. Change of project area within Garhwal Division under "Integrated Farming system based on Multipurpose Water Harvesting Garhwal Mandal (Agriculture Deptt.)" Director Agriculture told the committee that the project on "Integrated Farming system based on Multipurpose Water Harvesting Garhwal Region was sanctioned in 2011-12 and is being implemented in the Garhwal Mandal. The District Pauri of the region has large area as compared to other districts. So there is a greater demand of water harvesting structures in district Pauri due to large rain fed/un irrigated area while in district Uttarkashi, Dehradun & Rudraprayag, there is a saving of Rs. 190.00 lakh in the sanctioned amount of the project so it was proposed to transfer the above saving of Rs. 190.00 lacs to district Pauri for water harvesting without affecting the overall sanctioned amount of the project. The proposal was approved after discussions by the committee.

- B. The proposal for inclusion of Farm Machinery Banks in the project on "promotion of farm mechanization" was discussed in detail and after discussions it was decided that the detailed work plan and the significance of farm machinery bank be prepared and put up in next SLSC meeting after getting due approval of SLPSC.
- C. "Integrated project of agriculture & soil conservation" is already sanctioned & being implemented by deptt. of Agriculture. The Director Agriculture informed that the District Chamoli which was already included in the project in past but due to some typing mistake the district was left out from the minutes of the SLSC dated 28.01.2015. The farmers of the district Chamoli are demanding the implementation of the project in the district. After discussions the committee approved the inclusion of district chamoli in the already approved project without affecting the sanctioned amount.

After discussion committee approved the correction as presented.
