Sir/Madam,

Sub: Agriculture - National Agriculture Development Programme/ Rashtriya Krishi Vikas Yojana for the year 2019-20 - 17th State Level Sanctioning Committee (SLSC) meeting held on 29.01.2019 - Minutes forwarded.

Ref: 1. G.O.(Ms).No.424, Agriculture (AP4) Department, dated: 23.10.2007.
2. Government Letter No.32114/AP1/2018-1,2, dated: 07.01.2019.

I am to enclose herewith the Minutes of the 17th meeting of State Level Sanctioning Committee of National Agriculture Development Programme/Rashtriya Krishi Vikas Yojana for the year 2019-20 held on 29.01.2019 under the Chairmanship, of Chief Secretary to Government for kind perusal and necessary action.

Yours faithfully,

for Agricultural Production Commissioner
and Principal Secretary to Government

15/12/19

Copy to:

The Private Secretary to the Chief Secretary to Government,
Government of Tamil Nadu, Chennai-9. (w.e.)
The Senior Private Secretary to the Agricultural Production Commissioner
and Principal Secretary to Government, Chennai - 9. (w.e.)
The Agriculture (AE1, AP3, AP4, AP5, AU, AM2, AM3, H1, H2,
OS and Sugarcane) Department, Chennai-9. (w.e.)
Stock File/ Spare Copies

Minutes of the 17th Meeting of the State Level Sanctioning Committee (SLSC) of Rashtriya Krishi Vikas Yojana/ National Agriculture Development Programme held on 29.01.2019.

List of participants is annexed.

At the outset, the Agricultural Production Commissioner and Principal Secretary to Government, Agriculture Department welcomed the Chief Secretary & Chair person of the SLSC, Additional Chief Secretary, Finance Department and other members to the meeting. He introduced the Government of India representative, Shri.P.K.Swain, Joint Secretary, Marketing Division and nodal officer for Tamil Nadu and Shri.Vijaya Rajmohan, Director, Trade, Ministry of Agriculture to the Chief Secretary and other participants. The APC & Principal Secretary to Government gave an overall view about RKVY-RAFTAAR implementation in the State. He informed the Committee that the allocation during 2018-19 is Rs.275.33 crore and an additional allocation of Rs.100 crore is expected. The APC & PS said that considering the total allocation to be Rs.375 crore for the year 2018-19, the projects for the year 2019-20 shall be approved as per the RKVY guidelines for Rs.562 crore which is 150% of the allocation of 2018-19. Though the total outlay proposed is Rs.746 crore, the remaining projects will be kept under shelf of projects to be taken up if additional allocation is received. The APC & PS explained how the prioritization of projects has been done in consultation with the Principal Secretary, Animal Husbandry, Dairying and Fisheries and the Heads of other NADP implementing departments. He explained how a colour coding of Green for Priority projects and Blue for non-priority projects has been given in the Power point presentation. The APC & PS informed the Committee that ICAR-Sugarcane Breeding Institute and Department of Sugar have been included as implementing departments as they have proposed one project each during 2019-20. The representative of DAC & FW GoI stated that RKVY division has already forwarded their detailed comments on each item of the proposal subject to the stipulation made by the RKVY division therein.

The record of discussions is as below:

Agenda I

Confirmation of the Minutes of the 16th meeting of the State Level Sanctioning Committee held on 02.04.2018. **Resolution - Confirmed.**

Agenda II

Action taken on the Minutes of the 16th State Level Sanctioning Committee.

Resolution – Reviewed and Recorded.

Agenda III

Department wise performance for the year 2018-19.

Discussion:

The Agricultural Production Commissioner and Principal Secretary (APC & PS) to Government informed the Committee that the progress shown in the presentation is based on the latest report given by the departments and explained that Tamil Nadu has received both the installments from Government of India as per the allocation and additional funds

for the year 2018-19 are expected shortly. He pointed out that the overall financial achievement is 70%. The Chief Secretary reviewed the performance department wise and requested the Head of the Departments to give the probable date of completion. With 75% financial achievement, the Director of Agriculture replied that all the projects will be completed by March 2019 and the Construction of Integrated Agricultural Extension Centre project will be completed by June 2019. The Vice Chancellor, TNAU informed that action is being taken to complete the projects by March 2019.

The APC & PS informed the Committee that joint review meetings are conducted by the Principal Secretaries of Agriculture and the Animal Husbandry, Dairying & Fisheries Departments apart from convening of independent review of progress of NADP projects. The Principal Secretary, Animal Husbandry stated that the issues pertaining to some infrastructure projects of Departments and Universities under his fold have been sorted out and the projects are expected to be completed by the end of the financial year. The Chief Secretary pointed out that as the Country is going into elections in 2 months, the tenders have to be finalized within 10 to 15 days to fructify by March 2019. The Director of Animal Husbandry informed that tenders are yet to be floated by Tamil Nadu Medical Sciences Corporation in respect of two projects. The Additional Chief Secretary (ACS), Finance Department suggested that short tenders may be floated if needed. The CS suggested analyzing the Government e-Market Place (GeM) prices to peg mark what the actual price is. The Principal Secretary, Animal Husbandry, Dairying & Fisheries assured that a couple of meetings will be held with other procuring agencies to finalize the procurement process.

With respect to Dairy Development, it was informed that the tender processes are delayed for want of Special Officers in the Dairy Unions and Tamil Nadu Cooperative Milk Producers' Federation Limited (TCMPF) in the absence of elected representatives. The Additional Chief Secretary, Finance remarked that there will be some default mechanism in existence for such occasions and requested to go for the same. The ACS, Finance finally suggested going for tenders by the executive authority and get the action ratified once the elected representatives assume charge. The Director of Fisheries informed that tender process has been completed for all the six projects and that they are expected to be completed by March 2019. The Vice Chancellor, Tamil Nadu Veterinary and Animal Sciences University (TANUVAS) assured that all the projects will be completed by March 2019 as 80% of the expenditure is already made. Responding to the 0% financial achievement pointed out by the APC & PS, the Construction Engineer, Tamil Nadu Civil Supplies Corporation (TNCSC) informed that tenders have been finalized for the project and Agency has been fixed for fabricating the Portable paddy covered sheds for open plinth cap storage of paddy. He further assured that the project will be completed by March 2019.

The Chief Secretary (CS) enquired about the slow progress of Public Works Department (PWD) projects and the Chief Engineer, PWD responded by saying that the works are under way and they will be completed by March 2019. It was explained that for the project with 8 works at a total outlay of Rs.21 crore, so far Rs.12.50 crore alone has been released in three years with Rs.2.5 crore more expected as second installment for the year 2018-19. It was also informed that no additional projects will be sanctioned in the year 2019-20 if the existing project is delayed further.

The CS requested all the HoDs to expedite the implementation.

Agenda IV

Project Proposals for the Year 2019-20

The APC & PS stated that for the year 2019-20, projects have been proposed for an amount of Rs.746.764 crore to accommodate more projects and take them up on priority basis based on the final allocation. The APC & PS informed that Committee that a Pre scrutiny meeting was held at the Government of India level on 22.01.2019 at Krishi Bhawan and the remarks of the divisions of Ministry of Agriculture, Government of India have been communicated for each project. The Joint Secretary, Marketing, Government of India (GOI) informed the Committee that the comments of subject matter divisions of GoI should be taken care of. The Joint Secretary, Marketing, GoI further informed that final comments are pending from Government of India for most of the Animal Husbandry and Dairy Development projects. The APC & PS responded by saying that the HoDs have revised or modified the components/ projects based on the comments of GoI. The APC & PS explained that GoI have indicated that all the projects which do not fit into any of the existing Centrally Sponsored Scheme (CSS)/State schemes for cost norms, a certificate of reasonableness for the cost norms must be given by then State Level Project Screening Committee (SLPSC). Also, for all the projects, details of locations and location wise physical & financial targets need to be furnished to Government of India. The GoI have commented that geo tagging needs to be done for all the infrastructure & Assets projects. Detailed Estimate and drawing need to be furnished to all the infrastructure projects. The APC & PS explained that weightage for the implementing departments are given based on the fund support that they receive from various schemes of Central and State Governments other than RKVY. The departments like Horticulture and Fisheries which receive substantial funds from Government of India schemes like Mission for Integrated Development of Horticulture and Blue Revolution are given lower allocation under RKVY and departments like Agriculture and Animal Husbandry are given higher allocation. The APC & PS presented the overall budget abstract for the year 2019-20 and as requested, the Heads of implementing departments presented their projects before the Committee.

Project Proposal No. 17.1

Project Title : Distribution of Coconut Seedlings for Replanting in Gaja Cyclone affected Garden

Implementing Department : Department of Agriculture

Project Cost : Rs.8.75 Crore

Remarks of GoI : *"Supported as per CDB norms"*

Discussion : The Director of Agriculture informed that the Government Orders for the same have been issued for immediately catering to the requirements of the Gaja Cyclone affected farmers and the amount sanctioned by State Government will be adjusted with subsequent sanctions from Government of India. The APC & PS informed that seed coconuts have already been procured by the Director of Agriculture & Director of Horticulture & Plantation Crops.

The CS suggested taking the two newly posted Assistant Project Directors (APDs) in Delta Districts on board with regard to the implementation of Gaja Cyclone Livelihood Package and the APC & PS assured to include them in the process.

Resolution : SLSC resolved to approve the project for Rs.8.75 crore.

Project Proposal No. 17.2

Project Title : Enhanced Rice Production Programme

Implementing Department : Department of Agriculture

Project Cost : Rs.60.00 crore

Remarks of Gol : General: "Supported as per comments subject to that it stays within 30% limit of production growth. Location to be given. Direct Benefit Transfer (DBT) to be ensured."

Component: Incentive for production of more than 10 year variety certified Paddy seeds such as ADT 43, 45, 37, ASD 16, BPT 5204, CR 1009, ADT 38, 39, IWP etc

"One time production subsidy of more than 10 years variety of certified paddy seeds is allowed by Seeds Division in view of Gaja Cyclone in the State".

Component: Distribution subsidy for HYV paddy seeds more than 10 year

"One time production subsidy of more than 10 years variety of certified paddy seeds is allowed by Seeds Division in view of Gaja Cyclone in the State"

Component: Assistance for seed drill sowing for direct sowing
"Supported as per details given at Annexure-I"

Component: Distribution of Minikits

"Not Supported"

Component: Distribution of Movable Threshing Floor/ Tarpaulins
"Supported to the extent of RKVY-RAFTAAR guidelines"

Component: Publicity and other contingencies

"May be taken up from 2% of Admn. Expenses"

Discussion : The APC & PS explained that the project also caters to the funding requirement of Kuruvai and Samba Packages if they are proposed. The Director of Agriculture informed the Committee that the Minikit component has been withdrawn as it has not been supported by Government of India and the finance pertaining to that component has been added in the Weedicide component by increasing the physical target.

Resolution : The SLSC resolved to approve the revised project for Rs.60.00 crore.

Project Proposal No. 17.3

Project Title	: Promotion of Millets
Implementing Department	: Department of Agriculture
Project Cost	: Rs.1.13 crore
Gol Comment	: Component: Encouraging the production of Quality Millet Seeds More than 10 years old <i>"Crops Division does not support > 10 years old variety for seed production."</i>
Discussion	: The Director of Agriculture informed the Committee that the component Production subsidy for more than 10 year varieties has been withdrawn as it has not been supported by Gol and in the physical and financial target under Production subsidy for less than 10 years varieties has been increased accordingly.
Resolution	: The SLSC resolved to approve the revised proposal for Rs.1.13 crore.

Project Proposal No. 17. 4

Project Title	: Integrated Farming System(IFS)-Phase II
Implementing Department	: Department of Agriculture
Project Cost	: Rs.51.2725 Crore
Remarks of Gol	: <i>"Supported to the extent of NMSA guidelines / RKVY guidelines as applicable in different IFS models. Geo-tagging to be done. Certificate of reasonableness of the cost may be obtained from SLPSC for models not covered under NMSA"</i>
Discussion	: The ACS, Finance gave an outline of the Integrated Farming System (IFS) project being implemented on pilot basis during the year 2018-19 for the notice of the Gol representatives. He expressed his belief that IFS and Collective farming projects implemented in the State have the potential to make the Gol mandate of <i>Doubling the farmers Income</i> a reality. The various models - Dry land, Wetland and Garden land models of IFS and their components were explained in detail by the Director of Agriculture. The APC & PS highlighted the crucial role played by the officials of Animal Husbandry and Fisheries department in implementing IFS. The ACS, Finance requested the APC & PS to make a presentation on the implementation of IFS at Government of India level. The ACS, Finance further suggested bench marking the original income and lifestyle of farmers and assessing the impact after the implementation of IFS. The ACS, Finance opined that shade nets and poly houses of small sizes of 20-30 cents also should be included. The JS, Marketing, Gol requested some success stories and short films on the IFS project. The CS suggested for including

one of the blocks in Gaja Cyclone affected areas under IFS. The Commissioner of Agricultural Marketing suggested inclusion of Commercial tree crops in the models and the ACS, Finance remarked that as per the suitability of the area, water availability and priority of the farmers any component can be included. The CS suggested going for Commercial trees in the borders and bunds.

Resolution : The SLSC resolved to approve the project for Rs.51.2725 crore with a remark that commercial trees also should be included in the silviculture component wherever required.

Project Proposal No. 17.5

Project Title : Second year maintenance of Replanted Coconut Seedlings affected by Gaja Cyclone

Implementing Department : Department of Agriculture

Project Cost : Rs.30.00 Crore

Comments of Gol : "Supported as per CDB norms. Location to be given. DBT may be ensured".

Resolution : The SLSC resolved to approve the project for Rs.30.00 crore.

Project Proposal No. 17.6

Project Title : Strengthening of 12 Liquid Bio- Fertilizer Production Units

Implementing Department : Department of Agriculture

Project Cost : Rs.1.33 Crore

Comments of Gol : "Supported as per SHM norms. Geo-tagging to be done"

Resolution : The SLSC resolved to approve the project for Rs.1.33 crore.

Project Proposal No. 17.7

Project Title : Construction of New Buildings for 2 STL, 1 MSTL, 2 PTL, 1 BFPU & Renovation of 1 STL, 2 PTL, 2 BFPU

Implementing Department : Department of Agriculture

Project Cost : Rs.5.1225 crore

Comment of Gol : "Supported as per SMPMA/CPWD or PWD norms. Geo tagging to be done. Detailed estimate and drawings of the construction may be given"

Discussion : The Director of Agriculture informed the Committee about the slight modification proposed in the project by taking up construction of new building for one STL in Nagapattinam additionally instead of the new building proposed for one MSTL in Madurai. Since the budget outlay was the same, the proposal was accepted.

Resolution : **The SLSC resolved to approve the revised proposal for construction of 3 Soil Testing Laboratories, 2 Pesticide Testing Laboratories, One Biofertilizer Production Unit and renovation of one Soil Testing Laboratory, two Pesticide Testing Laboratories and two Biofertilizer Production Units for Rs.5.1225 crore as per State PWD norms.**

Project Proposal No. 17.8

Project Name : Strengthening of 3 STL, 2 MSTL & 4 PTL

Implementing Department : Department of Agriculture

Project cost : Rs.0.27 Crore

Comments of Gol : *"Generators may be taken up from State Fund."*

Discussion : The Director of Agriculture informed the Committee that the project has been withdrawn based on Gol comments.

Resolution : **Project withdrawn by the Implementing Department and hence not approved by the SLSC.**

Project Proposal No. 17.9

Project Title : Construction of 50 Integrated Agricultural Extension Centres in Tamil Nadu

Implementing Department : Department of Agriculture

Project Cost : Rs.106.00 Crore

Comments of GOI : *"Supported as per CPWD/PWD norms, whichever is lower"*

Discussion : The ACS, Finance enquired about the need for taking up so many Integrated Agricultural Extension Centres (IAECs). The Director of Agriculture informed that out of the 385 blocks available in the State, 146 blocks have been provided with IAECs (100 under NABARD and 46 under NADP) and 9 more IAECs are under progress under NADP 2018-19. The APC & PS explained in detail about how the IAECs are helpful

for the farmers to get advisories and inputs of Agriculture, Horticulture, Agricultural Engineering, Marketing and Seed Certification under one roof. He further informed that the places where the existing buildings are dilapidated are taken up on priority and the buildings are demolished to construct a new IAEC in that place.

The ACS, Finance advised that innovative projects must be mooted by the Agriculture Department. He urged the officials to envision taking the Bio-fertilizer production to block level by involving the FPOs to put up such units by sourcing the culture material from the Universities and Krishi Vigyan Kendras (KVKs). The ACS, Finance expressed his belief that the block level Bio-fertilizer production will pave way for adequate availability thus reducing chemical fertilizer consumption. He further suggested introducing production of seedlings of hybrids and supplying to farmers which will reduce the duration in main field by one month. Initially, such small production units should be established in Government Farms and then private ventures in this regard should be encouraged and supported.

- : **The SLSC resolved to approve the project for Rs.106.00 Crore and to decide upon the number of IAECs to be taken up based on the allocation and constructed as per State PWD norms.**

Project Proposal No. 17.10

- Project Title : Construction of 100 Sub-Agricultural Extension Centres in Tamil Nadu
- Implementing Department : Department of Agriculture
- Project Cost : Rs.50.00 crore
- Discussion : The ACS, Finance suggested to give facelift to Primary Agricultural Cooperative Credit Societies (PACCS) by taking up these inside the PACCS premises. The ACS, Finance remarked that the tier next to block level should be PACCS. The vacant space inside the PACCS can be used to construct these facilities and soil testing units etc.
- Resolution : **The SLSC resolved to approve the project for Rs.50.00 Crore on last priority to be taken up inside the PACCS premises or nearer to the PACCS based on the allocation and constructed as per State PWD norms**

Project Proposal No. 17.11

Project Title : Establishment of New Gardens (Area Expansion in Horticulture Crops)

Implementing Department : Department of Horticulture

Project Cost : Rs.8.6752 crore

Comments of Gol : *"Supported as per MIDH norms subject to availability of quality planting material"*

Resolution : **The SLSC resolved to approve the project for Rs.8.6752 crore**

Project Proposal No. 17.12

Project Title : Distribution of Vegetable seed kits

Implementing Department : Department of Horticulture

Project Cost : Rs.0.20 crore

Comments of Gol : *"Supported to the extent of RKVY guidelines (25%)"*

Discussion : In response to the comments of Gol, the Director of Horticulture explained that the 15th SLSC of RKVY approved the subsidy pattern of 40% for the 'Homestead Garden kits' based on the following remarks of the RKVY Division of GOI **"As it falls under the Area Expansion Project of MIDH it is supported with subsidy of 40%"**. The Director Horticulture and Plantation Crops (DHPC) remarked that the same has been continued in the year 2018-19 also with 40% subsidy. Hence, he requested to continue the Vegetable seed Kit distribution with the same subsidy pattern of 40% instead of 25%.

Resolution : **The SLSC resolved to approve the project for Rs.0.20 crore allowing 40% subsidy.**

Project Proposal No. 17.13

Project Title : Support to Permanent Pandal System

Implementing Department : Department of Horticulture

Project Cost : Rs.3.00 crore

Comments of Gol : *"Supported to the extent of RKVY guidelines (50% subsidy)"*

Resolution : **The SLSC resolved to approve the project for Rs.3.00 crore**

Project Proposal No. 17.14

Project Title : Protected cultivation in Horticulture Crops
Implementing Department : Department of Horticulture
Project Cost : Rs.6.9035 crore
Remarks of Gol : *"Supported as per MIDH norms"*
Discussion : These components are proposed for the non-NHM districts except for rain net in Grapes proposed in Theni which is an NHM district since the component is not there under NHM.
Resolution : The SLSC resolved to approve the project for Rs.6.9035 crore

Project Proposal No. 17.15

Project Title : Low cost Onion storage structures
Implementing Department : Department of Horticulture
Project Cost : Rs.0.175 crore
Comments of MIDH Division : *"Supported as per MIDH norms"*
Resolution : The SLSC resolved to approve the project for Rs.0.175 crore

Project Proposal No. 17.16

Project Title : Onion Area Expansion
Implementing Department : Department of Horticulture
Project Cost : Rs.3.00 crore
Discussion : The ACS, Finance suggested promoting Nasik onions which have low moisture content and more shelf life. The DH& PC informed that the Nasik cultivators have been tried and they are coming up well and hence included in this project.
Remarks of Gol : *"Supported as per MIDH norms provided only hybrid cultivars are used"*
Resolution : The SLSC resolved to approve the project for Rs.3.00 crore.

Project Proposal No. 17.17

Project Title : Establishment of Cottage Mushroom Units
Implementing Department : Department of Horticulture
Project Cost : Rs.0.15 crore
Resolution : **The SLSC resolved to approve the project for Rs.0.15 crore on last priority**

Project Proposal No. 17.18

Project Title : Mechanized farming operation in Dry land areas of Tamil Nadu
Implementing Department : Agricultural Engineering Department
Project Cost : Rs.25.00 crore
Comments of Gol : *"Supported as per SMAM norms".*
Discussion : The Chief Engineer, AED informed that the project is proposed for the third consecutive year to be dovetailed with the Mission for Sustainable Dryland Agriculture.
Resolution : **The SLSC resolved to approve the project for Rs.25.00 crore**

Project Proposal No. 17.19

Project Title : Soil Conservation in the Catchments of River Valley Project in Tamil Nadu
Implementing Department : Agricultural Engineering Department
Project Cost : Rs.3.00 crore
Remarks of RKVY Division of Gol : Activities like loose boulder check dam with Gabion water harvesting structures/ silt detention tank are supported as per norms of NMSA/PMKSY guidelines. Transfer of technology component is supported as per ATMA norms. State may ensure that these activities have been drawn from District Irrigation Plan (DIP) of PMKSY and has been included in Annual Action Plan (AAP) of PMKSY in 2019-20. Subject to compliance of conditions stated by RFS Division in the comments.
Discussion : The APC & PS informed the Committee that the project has been included in the Annual Action Plan of PMKSY-SLSC as per the remarks of Government of India.
Resolution : **The SLSC resolved to approve the project with the remark that the comments of Government of India should be complied with.**

Project Proposal No. 17.20

Project Title : Provision of Green house type Solar drying units for primary processing and Value addition to farmers/ Farmers' Groups

Implementing Department : Agricultural Engineering Department

Project Cost : Rs.3.00 crore

Remarks of Gol : Supported as per SMAM norms.

Resolution : The SLSC resolved to approve the project for Rs.3.00 crore

Project Proposal No. 17.21

Project Title : Distribution of Post Harvest Technology and Management machinery for all types of Horticulture, Food grain and Oil seed crops

Implementing Department : Agricultural Engineering Department

Project Cost : Rs.1.00 crore

Discussion : The CS remarked that value addition in Agricultural and Horticultural crops should be given importance.

Resolution : The SLSC resolved to approve the project for Rs.1.00 crore

Project Proposal No. 17.22

Project Title : Conversion of Hand Boring sets into Mini Drills for Agricultural Engineering Department

Implementing Department : Agricultural Engineering Department

Project Cost : Rs.2.805 crore

Comments of Gol : *"Supported as per RKVY guidelines"*

Resolution : The SLSC resolved to approve the project for Rs.2.805 crore

Project Proposal No. 17.23

Project Title : Modernization of Agricultural Engineering Training Centre at Trichy

Implementing Department : Agricultural Engineering Department

Project Cost : Rs. 2.00 crore

Remarks of Gol : *"Supported as per RKVY guidelines"*

Resolution : The SLSC resolved to approve the project for Rs.2.00 crore to be taken up as per State PWD norms.

Project Proposal No. 17.24

Project Title : Construction of Agricultural Engineering Extension Centre (AEEC)

Implementing Department : Agricultural Engineering Department

Project Cost : Rs.10.00 crore

Remarks of RKVY Division : *"Supported as per CPWD/PWD norms whichever is lower"*

Discussion : The CE, AED explained that the AEEC is proposed at Revenue Division level to accommodate the Department Custom Hiring Centre in a better way for their efficient functioning.

Resolution : The SLSC resolved to approve the project for Rs.10.00 crore to be taken up as per State PWD norms.

Project Proposal No. 17.25

Project Title : Mechanized Sugarcane Cultivation through Co-operative Sugar mills/ FPOs/ Entrepreneurs in Tamil Nadu

Implementing Department : Agricultural Engineering Department

Project Cost : Rs.1.80 crore

Comments of Gol : *"Supported as per SMAM norms"*

Discussion : The CE, AED informed the Committee that CHC will be established in coordination with sugar mills by entering into tripartite agreement.

The ACS, Finance suggested that sugarcane bud chip seedling production should be done through a group of 5-6 Self Help Groups so that they will get regular income throughout the year besides making seedlings available as per

requirement.

Resolution : The SLSC resolved to approve the project for Rs.1.80 crore.

Project Proposal No. 17.26

Project Title : Strengthening of Custom Hiring Activity of Agricultural Engineering Department

Implementing Department : Agricultural Engineering Department

Project Cost : Rs.1.677 crore

Comments of Gol : "Supported as per RKVY guidelines"

Resolution : The SLSC resolved to approve the project for Rs.1.677 crore.

Project Proposal No. 17.27

Project Title : Establishment of Coconut Value Addition Centre in Kanyakumari (approved by the 15th and 16th SLSC meeting)

Implementing Department : Agricultural Marketing & Agri-Business

Project Cost : Rs.17.60 crore

Comments of Gol : "Supported as per RKVY Guidelines. The duration of the project may be restricted to 2019-20 only"

Discussion : The Commissioner of AM& AB informed that there has been constant demand for the establishment of this unit and that the Enter Upon Permission for the land at Chenbagaramanputhur has been given by the District Administration. The ACS, Finance advised the Commissioner, AM & AB to explore the possibility of taking over the vacant premises of the Khadi & Village Industries Board at Marthandam for use by FPOs and the CAM & AB responded affirmatively.

Resolution : The SLSC resolved to approve the project for Rs.17.60 crore to be taken up as per the State PWD norms.

Project Proposal No. 17.28

Project Title : Promotion of 50 Nos. Farmer Producer Organizations (FPOs)

Implementing Department : Agricultural Marketing & Agri-Business

Project Cost : Rs.12.50 crore

Comments of Gol : *"Supported as per SFAC guidelines. The duration of the project may be restricted to 2019-20 only"*

Discussion : The Commissioner of Agricultural Marketing & Agri Business informed the Committee that the FPO project as per Small Farmers' Agri-Business Consortium (SFAC) guidelines itself is a three year project and hence the entire project cost will be requested in the first year itself to complete the project in two years and the SLSC accepted.

Resolution : The SLSC resolved to approve the project for Rs.12.50 crore.

Project Proposal No. 17.29

Project Title : e - learning centre in Kancheepuram, Salem, Nagapattinam, Namakkal, Tirunelveli, Tiruppur, Thoothukudi and Vellore Districts @ 89 Lakh/ centre

Implementing Department : Agricultural Marketing & Agri-Business

Project Cost : Rs. 7.12 crore

Comments of Gol : *"Ongoing project. Supported as per CPWD/PWD norms whichever is lower"*

Discussion : The CAM & AB explained that it is an ongoing project and this is the last batch.

Resolution : The SLSC resolved to approve the project for Rs.7.12 crore to be taken up as per the State PWD norms.

Project Proposal No. 17.30

Project Title : Pilot Project of Integrated Agri Business Market Complex in 2 locations @ Rs.502.00 Lakh / complex

Implementing Department : Agricultural Marketing & Agri-Business

Project Cost : Rs.10.04 crore

Remarks of Gol : *"Supported as per CPWD/PWD norms whichever is lower"*

Discussion : The CAM & AB explained that the two projects are proposed at Villupuram and Coimbatore.

Resolution : The SLSC resolved to approve the project for Rs.10.04 crore to be taken up as per the State PWD norms.

Project Proposal No. 17.31

Project Title : Pilot project for Model Marketing of Farmers Producers Organization products by Tamil Nadu Small Farmers Agri business Consortium.

Implementing Department : Agricultural Marketing & Agri-Business

Project Cost : Rs. 2.00 crore

Remarks of Gol : "Supported as per CPWD/PWD norms whichever is lower"

Resolution : The SLSC resolved to approve the project for Rs.2.00 crore on last priority to be taken up as per the State PWD norms.

Project Proposal No. 17.32

Project Title : Strengthening and new building for AGMARK Laboratory at Virudhunagar

Implementing Department : Agricultural Marketing & Agri-Business

Project Cost : Rs. 0.60 crore

Comments of Gol : "Supported as per CPWD/PWD norms whichever is lower"

Resolution : The SLSC resolved to approve the project for Rs.0.60 crore to be taken up as per the State PWD norms.

Project Proposal No. 17.33

Project Title : Supporting Regulated Markets with infrastructural facilities (7 Regulated Markets @ Rs.320.00 lakh / Regulated Market)

Implementing Department : Agricultural Marketing & Agri-Business

Project Cost : Rs. 22.40 crore

Comments of Gol : "Supported as per CPWD/PWD norms whichever is lower"

Discussion : The CAM& AB informed that the weak Regulated Markets which cannot support themselves for the creation of infrastructure alone have been included.

Resolution : The SLSC resolved to approve the project for Rs.22.40 crore to be taken up as per the State PWD norms.

Project Proposal No. 17.34

Project Title : Creation of Value Addition and Processing Unit for Moringa at Karur

Implementing Department : Agricultural Marketing & Agri-Business

Project Cost : Rs. 2.975 crore

Remarks of Gol : *"Supported as per CPWD/PWD norms whichever is lower. Expenses towards electricity, insurance, taxes etc. may not be taken up from RKVY."*

Discussion : The ACS, Finance commented that there is lot of export potential for value moringa products such as leaf powders, tablets etc and the CS added that the market for natural products is growing in big way. The Director, Trade, Gol remarked that Moringa is classified as a super food.

Resolution : **The SLSC resolved to approve the project on last priority to be taken up as per the State PWD norms with the remark that the ineligible components like electricity, insurance, taxes etc should not be taken up from RKVY Scheme funds.**

Project Proposal No. 17.35

Project Title : Groundnut Value Addition Centre for Cheyyar Farmer Producer organization at Thiruvannamalai

Implementing Department : Agricultural Marketing & Agri-Business

Project Cost : Rs. 0.65 crore

Remarks of Gol : *"Supported as per CPWD/PWD norms whichever is lower"*

Resolution : **The SLSC resolved to approve the project for Rs.0.65 crore on last priority to be taken up as per the State PWD norms.**

Project Proposal No. 17.36

Project Title : Demonstration of production technologies of lesser known fruits – Avocado and Litchi in lower Pulney hills and Jamun & Manilla tamarind in arid zones of Tamil Nadu

Implementing Department : Tamil Nadu Agricultural University

Project Cost : Rs.1.9578 crore

Remarks of Gol : *"Supported"*

Discussion : The VC, TNAU explained the main objective of the project that production of seedlings of these lesser known fruits for the benefit of the farmers.

Resolution : **The SLSC resolved to approve the project for Rs.1.9578 crore**

Project Proposal No. 17.37

Project Title : Popularization of warm temperate fruits (Pear, Plum, Peaches & Kiwi) in South Indian hills

Implementing Department : Tamil Nadu Agricultural University

Project Cost : Rs.1.105 crore

Remarks of Gol : "Supported"

Resolution : The SLSC resolved to approve the project for Rs.1.105 crore

Project Proposal No. 17.38

Project Title : Establishment of Nutri cereals Research and Food processing lab at Centre of Excellence for Millets at Athiyandal

Implementing Department : Tamil Nadu Agricultural University

Total Project Cost : Rs.1.7475 crore

Remarks of Gol : "Supported"

Resolution : The SLSC resolved to approve the project on last priority for Rs.1.7475 crore

Project Proposal No. 17.39

Project Title : Strengthening of Seed Certification and Quality control for taking up "online" certification and enforcement process through implementation of SPECS (Seed Production Enforcement Certification System) software programme.

Implementing Department : Department of Seed Certification

Total Project Cost : Rs. 0.55 crore

Remarks of Gol : *"The purchase of Laptop is not covered under the Sub-Mission on Seed & Planting Material (SMSP). Therefore, Seed Division may not support this proposal"*

Discussion : The APC & Ps informed the Committee that for the SPECS software to be fully operational, laptops need to be provided to the remaining officers and 2% admin funds available may be used for the same.

Resolution : The SLSC resolved to approve the project for Rs.0.55 crore to be taken up with the 2% Admin funds of RKVY.

Project Proposal No. 17.40

Project Title : Strengthening of Building Infrastructure in Seed Testing Laboratories by undertaking Repairs and Renovation works to sustain quality seed analysis
Implementing Department : Department of Seed Certification
Project Cost : Rs. 0.379 crore
Remarks of Gol : *"Supported as per SMSP norms"*
Resolution : The SLSC resolved to approve the project with a condition that the project should be revised as per the comments of Government of India.

Project Proposal No. 17.41

Project Title : Doubling income of small farms through Sugarcane based Farming System
Implementing Department : ICAR, Sugarcane Breeding Institute, Coimbatore
Total Project Cost : Rs. 0.50 crore
Remarks of Gol : *"Supported"*
Discussion : The Scientist explained about the waste to wealth component being integrated into the Sugarcane based IFS. The ACS, Finance opined that the models will be useful for training the farmers in the IFS project of Agriculture department.
Resolution : The SLSC resolved to approve the project for Rs.0.50 crore

Project Proposal No. 17.42

Project Title : Increasing Production, Productivity and Sugar Recovery in Sugarcane 2019-20
Implementing Department : Sugar Department
Total Project Cost : Rs. 26.63562 crore
Remarks of Gol : *"In principle approval is given subject to comments from Indian Institute of Sugarcane research, Lucknow"*
Discussion : The Commissioner of Sugar explained the problems faced in the case of the Co 86032 variety due to the admixtures at the field level and advantages of new varieties introduced by Sugarcane Breeding Institute, Coimbatore for high sugar recovery and drought tolerance. The Commissioner of Sugar informed that 3 tier system of nursery will be taken up and breeder seeds will be multiplied and in the end commercial nursery will be raised by the farmers in their fields. The importance of having hydraulic tipplers at the Sugar Mill end for unloading the mechanically harvested canes was explained

by the Commissioner of Sugar.

Resolution : **The SLSC resolved to approve the infrastructure and Assets component for hydraulic tipplers and give in principle approval for the other components subject to comments from Indian Institute of Sugarcane Research, Lucknow.**

Project Proposal No. 17.43

Project Title : Establishment of a Livestock Farm Complex at Chinnasalem Farm

Implementing Department : Department of Animal Husbandry

Project Cost : Rs.21.6875 crore

Remarks of Gol : *"Not supported in absence of comments from DAHD&F"*

Discussion : The Principal Secretary, AH,D&F informed the Committee that all the 3 departments (Animal Husbandry, Dairy development & Fisheries) and two Universities (TANUVAS & TNJFU) will be involved in the project. The proposed facility will act as R&D, Incubation, Marketing and other facility in one place. The ACS, Finance pointed out the potential for establishment of some models of Integrated farming System inside this Farm. The APC & PS informed that the actual comments from the Department of Animal Husbandry, Dairying & Fisheries Division, Gol are awaited for all the Animal Husbandry projects. The ACS, Finance requested the PS, AHD&F to arrange to approach Government of India and get the comments.

Resolution : **The SLSC resolved to approve the project in principle subject to comments from Government of India.**

Project Proposal No. 17.44

Project Title : Artificial Insemination using Sex Sorted Semen in the Veterinary Institutions of the Department

Implementing Department : Department of Animal Husbandry

Project Cost : Rs.4.50 crore

Remarks of Gol : *"Not supported in absence of comments from DAHD&F"*

Discussion : The ACS, Finance remarked that the project will be of much use and requested the Principal Secretary, AHD&F to get it approved. The ACS, Finance further stated that State support will be given for the project if it is not supported by Government of India.

Resolution : **The SLSC resolved to approve the project in principle subject to comments from Government of India.**

Project Proposal No. 17.45

Project Title : Establishment of Silvipasture System at Sheep Farm, Sattur

Implementing Department : Department of Animal Husbandry

Project Cost : Rs.2.9945 crore

Remarks of Gol : As per the existing NLM guidelines, total financial assistance of Rs.65000/- ha is being provided for fodder production for the Government Farm. The farm has 30 acre of land and total cost of fodder production is coming Rs. 19.50 lakh. The Division supports proposal for Rs. 19.50 lakh as total project cost with a Central Share of Rs. 11.70 lakh only.

Resolution : The SLSC resolved to approve the project on last priority for Rs.2.9945 crore.

Project Proposal No. 17.46

Project Title : Providing Door Step Veterinary and emergency health Services to the milk producers in 7540 Milk producers co-operative societies by engaging 155 Veterinary consultants by operating Mobile Veterinary routes.

Implementing Department : Dairy Development Department/ Tamil Nadu Cooperative Milk Producers' Federation Ltd

Project Cost : Rs.8.30 crore

Remarks of Gol : *"Supported as per norms of ESVHD Scheme"*

Discussion : The Director of Dairy Development informed the committee that it is an ongoing programme.

Resolution : The SLSC resolved to approve the project on priority for Rs.8.30 crore

Project Proposal No. 17.47

Project Title : Capacity addition of Tirunelveli dairy from 1.00 lakh litre per Day (LLPD) to 1.5 LLPD and to establish product dairy to produce paneer, kulfi and flavoured milk in glass bottles.

Implementing Department : Dairy Development Department/ Tamil Nadu Cooperative Milk Producers' Federation Ltd

Project Cost : Rs.6.90 crore

Comments of Gol : *"State may furnish the required information as per comments of Dairy Division. The cost norms may also be revised from 100% central share to 50% central share as per NPDD norms".*

Resolution : The SLSC resolved to give in principle approval to the project subject to comments from Government of India.

Project Proposal No. 17.48

- Project Title : Creation of cold storage facilities cum marketing office facilities in Tiruppur and urban areas of Tiruppur district to market milk and milk products in newly formed Tiruppur District Cooperative milk producers Union Limited.
- Implementing Department : Dairy Development Department/ Tamil Nadu Cooperative Milk Producers' Federation Ltd
- Project Cost : Rs.4.95 crore
- Remarks of Gol : *"State may furnish the required information as per comments of Dairy Division. The cost norms may also be revised from 100% central share to 50% central share as per NPDD norms".*
- Resolution** : **The SLSC resolved to give in principle approval to the project subject to comments from Government of India.**

Project Proposal No. 17.49

- Project Title : Supply and installation of 60 units of structural parlors each at a cost of Rs 6.675 lakh in district unions and in Metro area to increase the sale of milk and milk products.
- Implementing Department : Dairy Development Department/ Tamil Nadu Cooperative Milk Producers' Federation Ltd
- Project Cost : Rs.4.00 crore
- Comments of Gol : *"State may furnish the required information as per comments of Dairy Division. The cost norms may also be revised from 100% central share to 50% central share as per National Programme Dairy Development(NPDD) norms".*
- Discussion :
- Resolution** : **The SLSC resolved to give in principle approval to the project subject to comments from Government of India.**

Project Proposal No. 17.50

- Project Title : Establishing 12 MTD capacity mineral mixture plant at Dharmapuri union to supply mineral mixture to the milk producers to overcome the infertility problem in cattle.
- Implementing Department : Dairy Development Department/ Tamil Nadu Cooperative Milk Producers' Federation Ltd
- Project Cost : Rs.1.35 crore
- Remarks of Gol : *"Not supported in absence of comments from DAHD&F."*
- Discussion : The ACS, Finance pointed out the huge potential for the preparation of mineral mixture by Self Help Groups/FPOs at Village /block level as Mineral mixtures play a significant role in the health and yield of dairy cattle by reducing the incidence of Mastitis. The cattle farmers should be made aware of the

advantages of adding Mineral Mixture in the Diet of Dairy cattle. The APC & PS informed that Mineral mixture is included in the cattle component of Mission on Sustainable Dry Land Agriculture (MSDA) project.

Resolution : The SLSC resolved to give in principle approval to the project subject to comments from Government of India.

Project Proposal No. 17.51

Project Title : Expansion of Erode cattle feed plant production capacity from the existing 150 metric tons per day to 300 metric tons per day by installing additional production line.

Implementing Department : Dairy Development Department/ Tamil Nadu Cooperative Milk Producers' Federation Ltd

Project Cost : Rs.3.40 crore

Remarks of Gol : *"Not supported in absence of comments from DAHD&F."*

Discussion : The APC & PS informed the Committee that Government of India have asked to restrict the funding support to 50% instead of 100% to the Dairy unions as they are profit making. The Principal Secretary, Animal Husbandry explained that some of the Dairy Unions don't make profit for which the ACS, Finance suggested to flag the issue with Government of India to get 100% support to financially weak Dairy Unions and 50% for profit making Dairy Unions. The APC & PS requested the Director of Dairy Development to get the approval of Gol in this regard before the actual comments for the projects are received.

Resolution : The SLSC resolved to give in principle approval to the project subject to comments from Government of India.

Project Proposal No.17.52

Project Title : Establishment of cold chain network for marketing milk products and sales promotion activities in Chennai Metro and District Unions.

Implementing Department : Dairy Development Department/ Tamil Nadu Cooperative Milk Producers' Federation Ltd

Project Cost : Rs.1.25 crore

Remarks of Gol : *"State may furnish the required information as per comments of Dairy Division. The cost norms may also be revised from 100% central share to 50% central share as per NPDD norms".*

Resolution : The SLSC resolved to give in principle approval to the project subject to comments from Government of India.

Project Proposal No.17.53

Project Title : Providing low level wharf and development works in south side of Chennai Fishing Harbour at Royapuram in Chennai

Implementing Department : Department of Fisheries

Project Cost : Rs.10.00 crore

Remarks of Gol : *"Supported as per CPWD/PWD norms whichever is lower"*

Discussion : The Director of Fisheries informed the Committee that this project is a part of the ongoing project. The PS, AHD&F stated that the project will be completed if Rs.10 crore is sanctioned.

Resolution : The SLSC resolved to approve the project for Rs.10.00 crore to be taken up as per the State PWD norms.

Project Proposal No.17.54

Project Title : Provision of water supply arrangement Intensive Fish Seed Rearing with Aeration systems in Government fish farm at Thattamanaipatti

Implementing Department : Department of Fisheries

Project Cost : Rs.0.25 crore

Remarks of Gol : *"Supported as per CPWD/PWD norms whichever is lower"*

Resolution : The SLSC resolved to approve the project on last priority for Rs.0.25 crore to be taken up as per the State PWD norms.

Project Proposal No.17.55

Project Title : Provision of additional water supply arrangements and Intensification of Fish Seed Rearing in Government Fish Farm at Chinnar in Dharmapuri District

Implementing Department : Department of Fisheries

Project Cost : Rs.0.30 crore

Remarks of Gol : *"Supported as per CPWD/PWD norms whichever is lower"*

Resolution : The SLSC resolved to approve the project for Rs.0.30 crore to be taken up as per the State PWD norms.

Project Proposal No. 17.56

Project Title : Providing Out-board Motors (OBM)/ In-board Engines (IBE) to 1000 traditional fishermen at 40% subsidy
Implementing Department : Department of Fisheries
Project Cost : Rs.4.80 crore
Remarks of Gol : *"Supported as per Blue Revolution norms / guidelines"*
Resolution : The SLSC resolved to approve the project for Rs.4.80 crore.

Project Proposal No. 17.57

Project Title : Providing Insulated Ice Boxes to 1000 fishers at 40% subsidy for hygienic storage and maintaining the quality fishes
Implementing Department : Department of Fisheries
Project Cost : Rs.0.312 crore
Remarks of Gol : *"Supported as per Blue Revolution norms / guidelines"*
Resolution : The SLSC resolved to approve the project for Rs.0.312 crore.

Project Proposal No. 17.58

Project Title : Providing fish marketing containers to 1000 coastal fisher women vendors at 40% subsidy for hygienic fish handling, marketing and improvement of livelihood
Implementing Department : Department of Fisheries
Project Cost : Rs. 0.026 crore
Remarks of Gol : *"Supported as per Blue Revolution norms / guidelines"*
Resolution : The SLSC resolved to approve the project for Rs.0.026 crore.

Project Proposal No. 17.59

Project Title : Improving fishing efficiency of Inland Fishermen by providing 40% subsidy assistance to purchase of fishing Implements such as Nets and Coracles
Implementing Department : Department of Fisheries
Project Cost : Rs.1.9728 crore
Remarks of Gol : *"Supported as per Blue Revolution norms / guidelines"*
Resolution : The SLSC resolved to approve the project for Rs.1.9728 crore.

Project Proposal No. 17.60

Project Title : Intensive Fish Seed Rearing with Aeration and Water Quality Maintenance using Probiotics in Government Fish Seed Farms to enhance fish seed production

Implementing Department : Department of Fisheries

Project Cost : Rs.0.45 crore

Remarks of Gol : *"Supported as per CPWD/PWD norms whichever is lower"*

Resolution : **The SLSC resolved to approve the project on last priority for Rs.0.45 crore to be taken up as per the State PWD norms.**

Project Proposal No. 17.61

Project Title : Provision of Hygienic Fish Handling Equipments & Accessories for Fresh Fish Retail Outlets of Tamil Nadu Fisheries Development Corporation Ltd.

Implementing Department : Department of Fisheries

Project Cost : Rs.0.30 crore

Remarks of Gol : *"Supported as per RKVY norms"*

Resolution : **The SLSC resolved to approve the project on last priority for Rs.0.30 crore.**

Project Proposal No. 17.62

Project Title : Promotion of fast growing Genetically Improved Farmed Tilapia (GIFT) in Farm Ponds to increase farmers income and fish production in Tamil Nadu

Implementing Department : Department of Fisheries

Project Cost : Rs.0.872 crore

Remarks of Gol : *"Supported as per CPWD/PWD norms whichever is lower"*

Resolution : **The SLSC resolved to approve the project on last priority for Rs.0.872 crore to be taken up as per the State PWD norms.**

Project Proposal No. 17.63

Project Title : Repair and Renovation of Existing Breeder Ponds at Old Fish Farm, Bhavanisagar, Erode District

Implementing Department : Department of Fisheries

Project Cost : Rs.3.68 crore
 Remarks of Gol : "Supported as per CPWD/PWD norms whichever is lower"
Resolution : The SLSC resolved to approve the project on last priority for Rs.3.68 crore to be taken up as per the State PWD norms.

Project Proposal No. 17.64

Project Title : Provision of Preservation and Storage Facilities for Wholesale Fish Market at Ukkadam, Coimbatore of TNFDC Ltd. for maintain the quality of the fish
 Implementing Department : Department of Fisheries
 Project Cost : Rs.1.20 crore
 Remarks RKVY : "Supported as per CPWD/PWD norms whichever is lower"
 Division of Gol
Resolution : The SLSC resolved to approve the project on last priority for Rs.1.20 crore to be taken up as per the State PWD norms.

Project Proposal No. 17.65

Project Title : Construction of RMS wall At Thangachimadam in Ramanathapuram District as a measure of preventing sea erosion
 Implementing Department : Department of Fisheries
 Project Cost : Rs.6.80 crore
 Remarks of Gol : "Supported as per CPWD/PWD norms whichever is lower"
 Discussion : The CS enquired why a project meant for sea erosion is proposed under NADP. The APC & PS informed that the project indirectly benefits the marine fishermen and the Principal Secretary, Animal Husbandry pointed out the dearth of Schemes for taking up such activities. The ACS, Finance suggested to take up such groyne projects of less than Rs.10 crore budget under NADP and bigger projects under NABARD.
Resolution : The SLSC resolved to approve the project for Rs.6.80 crore on last priority to be taken up as per the State PWD norms.

Project Proposal No. 17.66

Project Title : Creation of additional facilities and Protection wall construction in Manimangalam fish farm in Kancheepuram district.
 Implementing Department : Department of Fisheries
 Project Cost : Rs.1.85 crore

Remarks of Gol : *"Supported as per CPWD/PWD norms whichever is lower"*

Resolution : The SLSC resolved to approve the project for Rs.1.85 crore on last priority to be taken up as per the State PWD norms.

Project Proposal No. 17.67

Project Title : Regional Referral Farm Animal Clinic for Rural Farmers upliftment

Implementing : Tamil Nadu Veterinary and Animal Sciences University
Department

Project Cost : Rs.5.00 crore

Remarks of ICAR : *"Recommended for funding under RKVY"*

Resolution : The SLSC resolved to approve the project for Rs.5.00 crore.

Project Proposal No. 17.68

Project Title : Augmenting reproductive and production potential through adoption of assisted reproductive techniques using sexed semen in dairy cattle

Implementing : Tamil Nadu Veterinary and Animal Sciences University
Department

Project Cost : Rs. 2.0885 crore

Remarks of ICAR : *"Recommended for funding under RKVY"*

Discussion : The ACS, Finance asked about the difference between this project and the Sex sorted semen project proposed by the Animal Husbandry department. The Director of Research, TANUVAS explained that in the case of TANUVS project Estrus synchronization is also done along with the use of Sex sorted semen to have assured conception and female calf production whereas the project by Animal Husbandry Department is meant only to give artificial insemination with sex sorted semen.

Resolution : The SLSC resolved to approve the project for Rs.2.0885 crore.

Project Proposal No. 17.69

Project Title : Nuclear pig breeding and pig input centre for the upliftment of rural economy

Implementing : Tamil Nadu Veterinary and Animal Sciences University
Department

Project Cost : Rs. 1.96 crore

Remarks of ICAR : *"Recommended for funding under RKVY"*

Resolution : The SLSC resolved to approve the project for Rs.1.96 crore.

Project Proposal No. 17.70

Project Title : Farmer's knowledge centre for dissemination of technologies
Implementing : Tamil Nadu Veterinary and Animal Sciences University
Department
Project Cost : Rs. 1.02 crore
Remarks of ICAR : *"Recommended for funding under RKVY"*
Discussion : The VC, TANUVAS informed the Committee that all the Success stories on improved technologies will be recorded and kept as a base in this centre for the benefit of all the trainees and farmers.
Resolution : The SLSC resolved to approve the project on last priority for Rs.1.02 crore.

Project Proposal No. 17.71

Project Title : Upscaling of novel technology interventions for rural upliftment
Implementing : Tamil Nadu Veterinary and Animal Sciences University
Department
Project Cost : Rs. 2.03 crore
Remarks of ICAR : *"Recommended for funding under RKVY"*
Discussion : The technologies developed for the prevention of Mastitis are to be up scaled. The CS suggested involving dairy unions also in this.
Resolution : The SLSC resolved to approve the project on last priority for Rs.2.03 crore.

Project Proposal No. 17.72

Project Title : Entrepreneurial promotion through upscaling of millet based 'Nanotech Agro - Dairy Products (NADP)'
Implementing : Tamil Nadu Veterinary and Animal Sciences University
Department
Project Cost : Rs.1.96 crore
Remarks of ICAR : *"Recommended for funding under RKVY"*
Discussion : The CS asked about the relevance of Nano technology in this project and Director of Research explained that as the size of the millet grains are brought down to less than 200nm, they can be incorporated well in Ice creams and other delicacies. That is more quantity can be incorporated if the size of the millet particle is minimum.
Resolution : The SLSC resolved to approve the project on last priority for Rs.1.96 crore.

Project Proposal No. 17.73

Project Title : Establishment of Aquaculture Service Centre in Cauvery Delta Region

Implementing Department : Tamil Nadu Dr. J. Jayalalithaa Fisheries University

Project Cost : Rs. 1.30 crore

Remarks RKVY : *"Supported in-principle subject to furnishing of physical and financial targets in detail."*

Division of GoI

Resolution : The SLSC resolved to give in-principle approval to the project subject to comments from ICAR.

Project Proposal No. 17.74

Project Title : Establishment of Aqua-Agri Integrated Systems for inland farmers in Erode District

Implementing Department : Tamil Nadu Dr. J. Jayalalithaa Fisheries University

Project Cost : Rs. 1.385 crore

Remarks RKVY : *"Supported in-principle subject to furnishing of physical and financial targets in detail. Admn. expenses to be taken from 2%"*

Division of GoI

Discussion : The VC, TNJFU informed that Tamil Nadu has more number of farm ponds which are underutilized. He pointed out the scope for taking up fish culture and vegetable cultivation.

Resolution : The SLSC resolved to give in-principle approval to the project subject to comments from ICAR with the remark that administrative expenses should be incurred from 2% Admin fund as per eligibility.

Project Proposal No. 17.75

Project Title : Development and Transfer of Seaweed Farming Technology as an Alternative Employment Option for the Coastal Fisher folk in Mandapam Region of Tamil Nadu

Implementing Department : Tamil Nadu Dr. J. Jayalalithaa Fisheries University

Project Cost : Rs. 2.511 crore

Remarks RKVY : *"Supported in-principle subject to furnishing of physical and financial targets in detail"*

Division of GoI

Resolution : The SLSC resolved to give in-principle approval to the project subject to comments from ICAR.

Project Proposal No. 17.76

Project Title : Establishment of "DIGITAL BLUE"- e-extension hub in Aquaculture and Fisheries Sector

Implementing Department : Tamil Nadu Dr. J. Jayalalithaa Fisheries University

Project Cost : Rs. 1.06 crore
 Remarks RKVY : *"Supported in-principle subject to furnishing of physical and financial targets in detail."*
 Division of Gol
 Discussion : The VC, TNJFU indicated that the project is proposed in line with such facilities available with TNAU which are extensively being used for the benefit of farmers. The VC hoped to help the fishermen and fish farmers in a large way through this Centre.
Resolution : The SLSC resolved to give in-principle approval to the project subject to comments from ICAR.

Project Proposal No. 17.77

Project Title : Providing portable paddy covered shed by using pre fabricated galvalume sheet shelter with movable type to open plinth cap paddy storage at Delta Districts of Tamil Nadu- 100 Nos
 Implementing : Tamil Nadu Civil Supplies Corporation
 Department
 Project Cost : Rs. 10.00 crore
 Remarks of Gol : *"Supported as per RKVY guidelines"*
Resolution : The SLSC resolved to approve the project for Rs.10.00 crore

Project Proposal No. 17.78

Project Title : Creation of Infrastructure facilities at APCMS in Perundurai, and Krishnagiri
 Implementing : Department of Co-operation
 Department
 Project Cost : Rs. 2.832 crore
 Remarks of Gol : *"Supported as per CPWD/PWD norms whichever is lower"*
Resolution : The SLSC resolved to approve the project for Rs.2.832 crore

Project Proposal No. 17.79

Project Title : Creation of infrastructure facilities and installation of processing units in APCMS in Chidambaram, Peraiyur, Thuraiyur, Krishnagiri and Salem
 Implementing : Department of Co-operation
 Department
 Project Cost : Rs. 2.3984 crore
 Remarks of Gol : *"Supported as per RKVY guidelines"*
Resolution : The SLSC resolved to approve the project for Rs.2.3984 crore

Agenda V: Other Subjects for Approval

Subject No	Department	Subject	Amount (Rs. in Crore)	Resolution of SLSC
17.O.1	Agriculture	Approval of State Extension Work Plan 2019-20 under Support to State Extension Programmes for Extension Reforms Scheme (SSEPERs) under Sub-Mission on Agricultural Extension (SMAE)	120.736	The SLSC approved the Revised SEWP 2019-20 for Rs.120.736 crore.
17.O.2	Agri. Marketing	Release of Second Year Amount to two projects approved during the year 2018-19 and Third Year Amount to a project approved during 2017-18.	8.077	SLSC approved the proposal.
17.O.3	Agriculture, TNAU, Dairy, TANUVAS, TNJFU & PWD	Release of funds to various projects approved under Shelf of Projects during the year 2017-18 and 2018-19 and requested to taken up during the year 2019-20 based on priority	64.41	SLSC approved the proposal with the remark that further prioritization should be done based on allocation.
17.O.4	TAWDEVA	Allocation of Funds to Nodal Agency-TAWDEVA, for 2% administrative Cost		SLSC approved the proposal.
17.O.5	General	Utilization of unspent balance funds of 2018-19 as on 01.04.2019 during the year 2019-20		SLSC approved the proposal
17.O.6	General	Inclusion of the Principal Secretary, Cooperation, Food and Consumer Protection as a member of the State Level Sanctioning Committee of NADP/RKVY		SLSC approved the proposal to include the Secretary, CF & CP as a member of SLSC
17.O.7	General	Placing of Final Report on the Third Party Evaluation of NADP-2014-15 projects		The SLSC noted the findings and requested the Heads of department concerned to analyze the findings and recommendations and take corrective action wherever necessary.

Agenda VI: Proposals for Approval and Ratification

Subject No	Department	Subject	Amount (Rs.in Crore)	Resolution of the SLSC
17.AR.1	Agriculture	Revision made by Department of Sugar for taking up farm machineries and other components using the unspent balance from the 2017-18 project Increasing the Production and Productivity in Sugarcane crop project	7.372	SLSC approved and ratified the proposal
17.AR.2	Agriculture	Cost revision of the project Construction of New Hostel for Water Management Training Centre at Vinayagapuram, Madurai and taking it up using the unspent balance of the 2017-18 project Increasing the Production and Productivity in Sugarcane crop project of the year 2017-18	0.75	SLSC approved and ratified the proposal
17.AR.3	Agriculture	Diversion of Rs.150.00 lakh from the savings amount of the 2017-18 project Increasing the Production and Productivity in Sugarcane" towards strengthening infrastructure facilities in STAMIN, Kudumiyamalai	1.50	SLSC approved and ratified the proposal
17.AR.4	Agriculture	Implementation of Kuruvai Cultivation Package 2018 by diverting funds from Strategic Rice Production Programme and Enrichment of Soil fertility through Green Manure Seeds and unspent balance of Pulses project of 2017-18	29.185	SLSC approved and ratified the proposal

Subject No	Department	Subject	Amount (Rs.in Crore)	Resolution of the SLSC
17.AR.5	Agricultural Engineering	Procurement of 'Heavy Duty Chain Saw' and other machinery for Agricultural Engineering Department for immediate clearing of uprooted coconut trees of GAJA cyclone affected areas under NADP 2018-19	7.60	SLSC approved and ratified the proposal
17.AR.6	Horticulture	Implementation of Area Expansion in Cashew Sub scheme under NADP 2018-19	10.10	SLSC approved and ratified the proposal
17.AR.7	Horticulture	Implementation of Crop Diversification Programme-Sub Scheme. under NADP 2018-19	0.088	SLSC approved and ratified the proposal
17.AR.8	Agricultural Engineering	Implementation of Brucellosis Control-Animal Health Sub Scheme under NADP 2018-19 may be approved and ratified by the SLSC	1.63	SLSC approved and ratified the proposal
17.AR.9	Marketing	Promotion of 20 Additional FPOs in 2018-19 for Collective Farming Project with the due approval of the Chairman, SLSC	3.00	SLSC approved and ratified the proposal

Table Approval & Ratification:

S. No	Department	Proposals	Subject	Resolution of the SLSC
17.AR.10	PWD	Reformation of RMS wall for protection of Houses in front of Community Hall at Vallavilaithurai in Vilavancode taluk of Kanyakumari district	An amount of Rs. 49.00 Lakh was sanctioned for the project by diverting the funds ear marked for the Agricultural Engineering Department project, PP no. 15.27 "Distribution of Post Harvest Technology and Management	SLSC approved and ratified the proposal

			Machinery" sanctioned during the year 2017-18	
17.AR.11	PWD	Reformation of RMS wall for protection of Houses in front of Church at Vallavilaithurai in Vilavancode taluk of Kanyakumari district	An amount of Rs. 45.50 Lakh was sanctioned for the project by diverting the funds ear marked for the Agricultural Engineering Department project, PP no. 15.27 "Distribution of Post Harvest Technology and Management Machinery" sanctioned during the year 2017-18,	SLSC approved and ratified the proposal

Agenda VII Permission Proposals

S.No	Department	Project	Subject	Resolution of the SLSC
1	TNAU	Four projects already approved under NADP and Strengthening of Power Transformer along with HV/MV panel arrangement near Agricultural Microbiology Centre at TNAU, Coimbatore	For utilizing the unspent balance and interest accrued of Rs.9.75 crore from earlier implemented NADP projects available with TNAU"	SLSC resolved to give permission in principle subject to comments from ICAR for the newly proposed transformer project. 4 projects already approved by IACR can be taken up by informing the same to ICAR.
2	TANUVAS	1. Animal Mobile Medical Ambulance for Rural Veterinary Care in Tamil Nadu (2015-16) 2. Additional funding for the ongoing Animal Mobile	Ratification for utilizing an amount of Rs.36.36981 lakh accrued interest and permission for utilizing the balance interest accrued amount of Rs.1.48205 lakh for the respective	SLSC gave in principle permission subject to comments from Integrated Finance Division of Government of India.

		Medical Ambulance for Rural Veterinary Care in Tamil Nadu (2017-18)	schemes	
3	Dairy Development	Various projects implemented between the years 2007-08 to 2017-18	To take up three new projects with the interest accrued amount of Rs.6.002 crore from the funds sanctioned under NADP	SLSC permitted the proposal subject to remarks from Government of India.

Agenda VIII Ratification Proposals

S. No	Department	Proposals	Subject	Resolution of the SLSC
1	Agriculture	Construction of 160 Sub Agricultural Extension Centres in Tamil Nadu	Revision/inclusion of 7 new places for the construction of SAECS during 2017-18 in addition to the approved list of 160 SAECS	SLSC ratified the action
2	Agriculture	Strategic Rice Production Programme	<u>Diversion of NADP funds for Kuruvai Package 2018 under NADP</u> Utilizing the funds approved for SRPP towards (a) Kuruvai Package 2018 with budget outlay of Rs. 27.96 crore and (b) implementing SRPP 2018-19 at a budget outlay Rs. 47.04 Crore	SLSC ratified the action
3	Agriculture	Four projects of 2017-18	Diversion/adjustment of funds which are spent in excess from one project to another.	SLSC ratified the action
4	Agriculture	Enrichment of Soil Fertility by cultivating Green Manure Crops- 2018-19	Diversion of Rs. 90.00 lakh for Kuruvai package 2018 (Green manure component)	SLSC ratified the action

5	Agriculture	11 Projects sanctioned during 2017-18	Diversion of savings of Rs.4.709 crore from 11 projects to take up other projects with the due approval of the Chairman State Level Sanctioning Committee	SLSC ratified the action
6	TNAU	Land Resource Inventory and GIS database for farm, village and block level planning - 2007-08	Utilization of Savings amount of Rs.36 lakh for the construction of building to establish Image Processing and GIS analytical facility	SLSC ratified the action
7	TNAU	Establishment of Agri-Clinic cum Mini Soil Testing Laboratory (Phase I & II)-2007-08	Utilization of savings of Rs.8.84 lakh towards contribution to construction of quality control lab and training facility in the larger part of the newly constructed building of Remote Sensing.	SLSC ratified the action
8	TNAU	Introduction of Mini Portable Sprinkler Irrigation System for the Coastal Sandy Soils of Tamil Nadu- 2009-10	Shortfall in achievement of target and pre-closure of the project due to litigation and other intricacies	SLSC ratified the action

Agenda IX Shelf of Projects of PWD

Project No	Project	Outlay (Rs. in Crore)	Resolution of the SLSC
17.S.1	Construction of Check Dam across Ayyar River in Senappanallur Village of Thuraiyur Taluk in Trichy District	3.060	Approved under Shelf of Projects subject to comments from MoWR, GoI
17.S.2	Construction of CheckDam across Ayyar River in Chithambur Village of Musiri Taluk in Trichy District	3.140	Approved under Shelf of Projects subject to comments from MoWR, GoI

17.S.3	Construction of Check Dam across Varattar river in S.F no 400 of Chokkanur Village in Kinathukadavu Taluk of Coimbatore District	1.650	Approved under Shelf of Projects subject to comments from MoWR, Gol
17.S.4	Construction of anicut across Narasinga Cauvery to feed Ochakudi tank in Alaganvayal village of Manamelkudi taluk of Pudukkottai district	2.160	Approved under Shelf of Projects subject to comments from MoWR, Gol
17.S.5	Construction of checkdam across Araniyar river near Eliyambedu village in Ponneri taluk of Thiruvallur district	8.860	Approved under Shelf of Projects subject to comments from MoWR, Gol
17.S.6	Construction of checkdam across Araniyar river near Mambakkam village in Uthukottai taluk of Thiruvallur district	6.630	Approved under Shelf of Projects subject to comments from MoWR, Gol
17.S.7	Construction of Artificial recharge structure across Nallavur river near Kiliyanur village in Vannur taluk of Villupuram district	3.550	Approved under Shelf of Projects subject to comments from MoWR, Gol

Agenda X Additional Proposal of Agriculture Department

Project No	Project	Outlay (Rs. in Crore)	Resolution of the SLSC
17.AD.1	Integrated Management of Fall Army Worm	22.52	The APC & PS explained the need for the project in view of the damage caused by Fall Army Worm in 2.4 lakh Ha of Maize during 2018-19. He further explained that the project has been modified based on the comments by plant protection (PP) Division of Government of India. The SLSC approved the proposal as per the comments of government of India for Rs.22.52 crore

General Suggestions:

The Director, Trade, Government of India put forth some general suggestions before the Committee to be considered by the concerned Departments.

i) Dendrobium orchid has a huge potential in the State owing to suitable climatic condition. At present, these orchids are imported from Thailand. If a Tissue Culture laboratory is set up to produce the planting material of these orchids, there is a lot of scope for Tamil Nadu to emerge as a leader in the country.

ii) For most of the horticultural crops like Grapes, Pomegranate etc., the germplasm are imported from abroad with the assistance of APEDA. The CS pointed out that in the absence of a regional or sub office of APEDA in the State, the schemes of APEDA are not largely taken up. The APC & PS pointed out that a letter in this regard has been sent to the Commerce Ministry at Government of India and the result is still awaited. The Director, Trade assured that the Trade Policy Division will recommend the same to Commerce Ministry in the wake of prominence being given for the New Agricultural Trade Policy. The ACS, Finance remarked that the local fruits like Guava and Banana should be promoted. The CS opined that there is lot of scope to promote suitable fruits in the Ghat areas due to the destruction of Coffee and Tea Estates by owners themselves for various reasons like labour shortage, poor yield, price fluctuation etc.,.

iii) Under the New Agriculture Export Policy, Government of India has identified 31 clusters across the Country. In Tamil Nadu, Theni and Trichy have been identified for Banana. Lot of interventions are going to flow into these clusters. Some other clusters for specific produce like Moringa and Amla may be proposed by the State for the consideration of Government of India. The APC & PS assured that the department will get in touch with the Director, Trade, GoI in this regard to get his ideas and suggestions to move forward in this regard.

iv) The Commissioner of Agricultural Marketing & Agri Business pointed out that there is lack of awareness among the officials and farmers regarding world trade. The ACS, Finance suggested that a training programme or work shop may be arranged and the Shri. Vijaya Rajmohan, Director, Trade GOI may be invited to make a presentation on world trade and related subjects.

v) There is scope for growing Quinoa in dry tracts of Tamil Nadu such as Ramanathapuram, Perambalur as done in the Anantapur district of Andhra Pradesh.

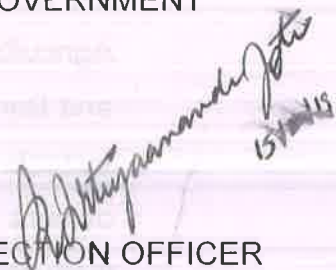

In Rajasthan also it is propagated by distributing seed kits and now some 1000 to 1500 farmers are growing quinoa. It is considered as a Health food and priced around Rs.500/- per Kg. Since it requires a processing plant, a visit to Andhra Pradesh would help in studying the model and replicate it in Tamil Nadu.

The CS and the ACS, Finance appreciated the APC & PS for conducting the State Level Sanctioning Committee meeting much ahead this year so that process is not delayed due to the oncoming Elections. The ACS, Finance expressed his satisfaction that the approved projects can be implemented as soon as the funds are released by Government of India.

The Meeting ended with Vote of Thanks by the Agricultural Production Commissioner & Principal Secretary to Government, Agriculture Department.

GIRIJA VAIDYANATHAN
CHIEF SECRETARY TO GOVERNMENT

RAFTAAR**

Projects approved on Priority by SLSC and Allocation for 2019-20

Rs.in Crore

S. No	Title of the Project	Agenda No	Amount Approved for 2019-20	Remarks
I	Agriculture			-
1	Distribution of Coconut Seedlings for Replanting in Gaja Cyclone affected Garden	17.1	8.750	-
2	Enhanced Rice Production Programme	17.2	60.000	-
3	Promotion of Millets	17.3	1.130	-
4	Integrated Farming System-Phase II	17.4	51.273	-
5	Second year maintenance of Replanted Coconut Seedlings affected by Gaja Cyclone	17.5	30.000	-
6	Strengthening of 12 Liquid Bio- Fertilizer Production Units	17.6	1.330	-
7	Construction of New Buildings for 2 STL, 1 MSTL, 2 PTL, 1 BFPU & Renovation of 1 STL, 2 PTL, 2 BFPU	17.7	5.123	-
8	Construction of 50 Integrated Agricultural Extension centres in Tamil Nadu	17.9	86.000	Scaled down to 40 IAEs on priority
9	Additional Project on Fall Army Worm	17.AD.1	22.440	-
	Agriculture Total		266.045	
II	Horticulture			
10	Establishment of New Gardens (Area Expansion in Horticulture Crops)	17.11	8.675	-
11	Distribution of Vegetable seed kits	17.12	0.200	-
12	Support to Permanent Pandal System	17.13	3.000	-
13	Protected cultivation in Horticulture Crops	17.14	6.904	-
14	Low cost Onion storage structures	17.15	0.175	-
15	Onion Area Expansion	17.16	3.000	-
	Horticulture Total		21.954	
III	Agricultural Engineering			
16	Mechanized farming operation in Dry land areas of Tamil Nadu	17.18	25.000	-
17	Soil Conservation in the Catchments of River Valley Project in Tamil Nadu	17.19	3.000	To be revised as per the comments of Gol
18	Provision of Green house type Solar drying units for primary processing and Value addition to farmers/ Farmers' Groups	17.20	3.000	-
19	Distribution of Post Harvest Technology and Management machinery for all types of Horticulture, Food grain and Oil seed crops	17.21	1.000	-
20	Conversion of Hand Boring sets into Mini Drills for Agricultural Engineering Department	17.22	2.805	-

Rs.in Crore

S. No	Title of the Project	Agenda No	Amount Approved for 2019-20	Remarks
21	Modernisation of Agricultural Engineering Training Centre at Trichy	17.23	2.000	-
