Sl. No.	Name of the Scheme	Total Project Cost (Rs. in Lakh)	Remarks from Ministry of Agriculture & Farmer Welfare, GOI	Remarks of GOB	Decision	Sanctioned Amount (Rs. in Lakh)
				<p>Sherghati 5000 MT Godown is purely based on CPWD Plinth Area Rate 2020. It's RCC framed structure and covering a total area of 2772 SQM. Along with the construction of the 5000 MT Godown (With electrical installations) they are also providing the facilities such as Fire fighting, Campus development, Rain Water Harvesting, Underground Water Sump etc. Which is visible in the TA sent earlier. Their centage @ 7% has also been added there in the estimate.</p>

III.	Cooperative Department					
i	Establishment of Rice Mill with Dryer.	3872.50	Supported as per RKVY-RAFTAAR guidelines. Civil work may be done as per CPWD/State PWD norms whichever is less. Detailed estimate and drawings may be attached. Geo tagging to be done. Location of rice mills may be indicated. It may be certified that these are viable projects.	Civil work for the establishment of rice mill is done in accordance with map and estimates approved by Building construction Department of the Government of Bihar. We have been facing technical difficulty in geo-tagging the rice mills established under the scheme on App made available to us by the Govt. of India Technical support/training for the same is imperative. PACS/VMSS require rice mills in order to mill procured Paddy into rice to be supplied to SFC. This also obviates their dependence upon Private rice millers. It is a viable project for PACS/VMSS.	Approved	3872.50
