Sir / Madam,

Sub: Agriculture - Rashtriya Krishi Vikas Yojana for the year  
2020-2021 – 18<sup>th</sup> State Level Sanctioning Committee (SLSC)  
meeting held on 26.02.2020 – Minutes forwarded.

Ref: 1. G.O.(Ms).No.424, Agriculture (AP4) Department, dated  
23.10.2007.  
2. Government Letter No.683/AP1/2020-5 and 6, dated  
30.01.2020

I am to enclose herewith the Minutes of the 18<sup>th</sup> meeting of State Level Sanctioning Committee of Rashtriya Krishi Vikas Yojana for the year 2020-21 held on 26.02.2020 under the Chairmanship of Chief Secretary to Government for kind perusal and necessary action.

Yours faithfully

  
for Agricultural Production Commissioner  
and Principal Secretary to Government

**Minutes of the 18<sup>th</sup> Meeting of the State Level Sanctioning Committee (SLSC) of Rashtriya Krishi Vikas Yojana/ National Agriculture Development Programme held on 26.02.2020.**

The 18<sup>th</sup> meeting of the State Level Sanctioning Committee of Rashtriya Krishi Vikas Yojana/ National Agriculture Development Programme was held under the Chairmanship of the Chief Secretary to Government to discuss and approve the projects for the year 2020-21 under NADP. SLSC members and heads of NADP implementing Departments and other officials participated in the meeting.

**List of participants is annexed.**

At the outset, the Agricultural Production Commissioner and Principal Secretary to Government, Agriculture Department extended his welcome to the Chief Secretary & Chairman of the SLSC, Additional Chief Secretary (Finance), Additional Chief Secretary (Municipal Administration and Water Supply Department), Principal Secretary (Animal Husbandry, Dairying and Fisheries), Additional Chief Secretary (Planning & Development), Principle Secretary to Government (Environment and Forests department) and all other members and senior officers. The APC & PS introduced the Government of India representative, Shri.Ganesh Singh, Under Secretary, RKVY Division to the members and participants.

The APC & Principal Secretary to Government informed the committee that before the SLSC meeting, several meetings were conducted with the Heads of implementing departments of both agriculture and allied sectors in the presence of the Principal Secretary, Animal Husbandry, Dairying and Fisheries and other Secretaries wherein the projects proposed were discussed and the prioritization of projects was done as RKVY-RAFTAAR scheme is considered as a very important scheme by Government of Tamil Nadu. The APC & PS informed that Tamil Nadu is the first State to hold the SLSC for the year 2020-21.

The APC & Principal Secretary to Government informed the Committee that Government of India have broadly communicated that the allocation for 2020-21 will be the same as that of the year 2019-20 which is Rs.277.85 crore. As per the RKVY guidelines, projects to the tune of 150% of previous year have to be approved by the SLSC and considering the total allocation to be Rs.277.85 crore, the projects for the year 2020-21 have been prepared for Rs.435.056 crore (excluding 4 projects proposed for Rs.9.507

crore on priority from the shelf of projects) which is 156% of the allocation of 2019-20. Though the total outlay proposed is Rs.444.563 crore, priority projects will be taken up based on the allocation and the remaining projects will be kept under shelf of projects to be taken up if additional allocation is received.

The APC & Principal Secretary to Government informed the committee that the allocation to allied sectors used to be 15% to 16 % earlier and the allocation has increased gradually during the years 2018-19 and 2019-20 to 23 % and 24 % and for the year 2020-21 the projects proposed under allied sector occupy 29%.

The APC & PS explained the committee that every year Tamil Nadu gets good allocation under RKVY including the sub-schemes and during 2019-20, Tamil Nadu has received both the instalments from Government of India as per the allocation and the Government orders have been issued except for the second instalment GOs of Fisheries Department and additional allocation for Tamil Nadu Dr.J.Jayalalithaa Fisheries University (TNJFU). With regard to the sub-schemes Cashew Area Expansion and Crop Diversification Programme 2019-20, the second instalment release is pending with the Gol and it will also be received soon.

The APC & Principal Secretary to Government, quoting the Additional Secretary, Gol informed that the State is likely to receive an additional allocation of upto Rs.50 crore during 2019-20 itself which will be allocated on priority basis to the projects from the shelf of projects approved already by the SLSC. The record of discussions is as below:

#### **Agenda I**

Confirmation of the Minutes of the 17<sup>th</sup> meeting of the State Level Sanctioning Committee held on 29.01.2019.

#### **Resolution - Confirmed.**

#### **Agenda II**

Action taken on the Minutes of the 17<sup>th</sup> State Level Sanctioning Committee.

#### **Resolution – Reviewed and Recorded.**

#### **Agenda III**

Department wise performance for the year 2019-20.

#### **Discussion:**

The APC informed the Committee that the progress shown in the presentation is based on the latest report given by the departments. He pointed out that the overall

financial achievement made so far is 70%. The APC while replying to the Chief Secretary's query on the lowest achievement in Seed Certification department informed that the project "Construction of New Integrated Seed Certification Complex at Kattuthottam, Thanjavur District" was sanctioned for an outlay of Rs.2.35 crore additionally during the month of January 2020 and it will be completed on time. The Sugar department was also sanctioned Rs.5 crore during January 2020 as second instalment as per the allocation and this will also be completed before 31<sup>st</sup> March 2020. The overall expenditure with respect to Agriculture Sector is 70%.

The APC informed the Committee that joint review meetings are held by the Principal Secretaries of Agriculture and Animal Husbandry, Dairying & Fisheries apart from convening independent review of progress of NADP projects with the HoDs by the APC & PS and PS, AHD&F.

The APC stated that Rs.21.68 crore sanctioned to the Animal Husbandry department for the project "Establishment of livestock Complex at Chinnasalem Farm" has been utilized for the construction of the multi-facility infrastructure at the Advanced Institute for Integrated Research on Livestock and Animal Sciences (AIIRLIVAS) at the project site for which a ratification proposal has been submitted as a Table Agenda. The overall expenditure with respect to Allied Sector is also 70%.

The progress under the sub schemes of NADP/RKVY were also presented during the meeting and the expenditure under Cashew Area Expansion and Crop Diversification programme is 100% against the 1<sup>st</sup> instalment release. The 2<sup>nd</sup> instalment is awaited from Gol for the above said sub schemes. Under "Reclamation of Problem Soils – sub scheme" the G.O was issued on 04.12.2019 and the works are under progress. The Chief Engineer, Agricultural Engineering department informed that the civil works viz., Construction of weir to prevent the intrusion of sea water in to the fields, channel stabilizer, Bed dam, pipe outlet etc., may not be completed before March 2020 and the second instalment release from Gol may not be received. The Chief Secretary advised the Chief Engineer, Agricultural Engineering department to revise the proposal according to the 1<sup>st</sup> instalment amount as it was informed that the RPS sub-scheme will be merged with normal RKVY next year and it may not be possible to get the Gol liability during next year.

The Chief Secretary was informed that **"Rabies Vaccination in Canine" & "Establishment of Glanders Surveillance unit"** activities under Animal Health sub scheme of RKVY during the year 2019-20 were approved and the Gol has released the first instalment only during the January 2020 and the G.O is under issuance. The Chief

Secretary advised to get the G.O earlier and complete the activities before March, 2020. The CS requested all the HoDs to expedite the implementation of all the projects.

#### **Agenda IV**

##### **Project Proposals for the Year 2020-21**

The APC stated that, for the year 2020-21, projects have been proposed for an amount of Rs.435.056 crore and Rs.9.507 crore under Shelf of projects of 2019-20 requested during 2020-21 to accommodate more projects and take them up on priority basis based on the final allocation. The projects were finalized in consultation with officers in such a way as to fit into the budgetary announcement/budgetary proposals for like special packages like Fall Army Worm Management, Kuruvai package made by the Government.

The APC informed the Committee that a pre scrutiny meeting was held at the Government of India level on 24.02.2020 at Krishi Bhawan and the remarks of the divisions of the Ministry of Agriculture, Government of India have been communicated for each project.

Also, for all the projects, details of locations and location wise physical & financial targets need to be furnished to Government of India. The GoI have commented that geo tagging needs to be done for all the infrastructure & Assets projects. Detailed Estimates and drawings need to be furnished to all the infrastructure projects. DBT should be ensured for individual based projects.

The Chief Secretary advised to prioritize the projects exactly to the budgetary allocation of last year that is 294.389 crore including sub schemes in the phase I and subject to availability of funds, phase II projects have to be taken up to have the clarity of works to be taken up in the current year. Accordingly, the overall project categorization also should be changed according to the prioritized projects.

The APC presented the overall budget abstract for the year 2020-21 and requested the Heads of implementing departments to present their projects before the Committee.

##### **Project Proposal No. 18.1**

Project Title : Special Package for bringing fallow lands into Cultivation

Implementing Department : Department of Agriculture

Project Cost : **Rs.10.40 Crore**

Remarks of Gol : *Supported as per NFSM/SMAM norms where applicable. For other component RKVY norms with 25% subsidy may be approved & for such components reasonableness of cost may be certified by SLSC. Geo-tagging to be done. DBT may be ensured. Location may be indicated.*

Discussion : The Director of Agriculture explained that in Tamil Nadu 22.52 lakh ha area is under fallow including both other fallows and culturable wastes (fallow for more than 5 years) and current fallow (fallow for less than 3 years) is 9.91 lakh ha. From the other fallow and culturable waste category, 10,000 ha has been proposed for in this project for bringing fallow lands into cultivation on pilot basis.

Since the fallow lands amount to almost 20% with respect to total geographical area, the Chief Secretary opined and emphasized the point raised by the Additional Chief Secretary, Finance and ACS, Planning that the project should be taken up in clusters on demonstration basis and it should cause a triggering effect among the farmers to replicate the same in other areas.

The reason for lands (for eg. Absentee land lordism) lying as fallow for long periods needs to be examined carefully. This problem has to be studied properly. The ACS, Finance expressed that there is a mix of issues involved in the fallow lands and farmers of Southern districts of the State are considering the *Prosopis juliflora* economically viable when compared to farming.

The Chief Secretary requested the VC, TNAU to conduct a study on the fallow land problem by taking district wise figures and find out whether there is significant increase in other fallow and culturable waste in southern districts and also pick up one or two districts for ground study to find out why that number has suddenly spiked and give the remedial measures to bring back those lands into cultivation.

The Executive Director (FAC) suggested that the watershed development and bringing fallow land under cultivation activities can be combined for sustainable change and bringing back the fallow lands to cultivation.

Reacting to Gol comments, the DoA informed that assistance of Rs.7100/- per Ha proposed for land

development activities is **less than 25%** as the PWD cost norm is Rs.52,000/- per Ha and 25% of which works out to Rs.13,000/- per Ha. Assistance for Seed Drill sowing is as per SMAM norms. All other components like seeds and other inputs **except Farm Yard Manure** are proposed as per NFSM norms which allows 50% assistance.

**Resolution** : **SLSC resolved to approve the project for Rs.10.40 crore subject to the condition that the project has to be taken up on cluster basis as model demonstration for the other farmers to emulate and assistance for FYM is to be restricted to 25% as per RKVY norms.**

### **Project Proposal No. 18.2**

**Project Title** : Precise application of pesticides by using Drones to avoid pesticide poisoning

**Implementing Department** : Department of Agriculture

**Project Cost** : **Rs.1.008 Crore**

**Remarks of Gol** : Proposal may be dropped. Approval of CIBRC may be sought first.

**Discussion** : The Director of Agriculture informed that the Gol remarked during the pre SLSC meeting to get the approval of CIBRC or may be dropped. Based on the suggestion given by the ACS (Planning) and APC, the Director of Agriculture informed that the project will be sent to CIBRC for approval.

The Chief Secretary informed that in the usage of drones, there are some regulatory issues. The regulatory frame work should be drawn first like eligibility of people to own the drones, the clearances that should be got, the spraying charges etc. The list of recognized drone companies meeting the regulations should be drawn by the Department for recommending to farmers.

**Resolution** : **The SLSC resolved to give in-principle approval to the project subject to the approval of CIBRC.**

### **Project Proposal No. 18.3**

**Project Title** : Special Initiative for intensification of Redgram Transplantation, Sunflower and Castor as pure crop

**Implementing Department** : Department of Agriculture

**Project Cost** : Rs.3.20 Crore

**Gol Comment** : *Supported as per NFSM/SMAM norms where applicable. For other components, RKVY norms with 25% subsidy may be*

approved & for such components reasonableness of cost may be certified by SLSC. Geo-tagging to be done. DBT may be ensured. Location may be indicated.

**Discussion** : The Sunflower and Castor components are proposed as per the NFSM Oilseeds - Cluster Demonstration norms. In respect of Redgram Transplantation, components such as Seed, Trichoderma viridi, MN mixture, Liquid Biofertilizer, Weedicide and Line sowing are proposed as per NFSM norms. The remaining components - Protray with 100 pits, Sand & FYM, preparation & filling up of protray culture and maintenance will be restricted to 25% assistance.

**Resolution** : **SLSC resolved to approve the project with a condition that the components like protray with 100 pits, Sand & FYM, preparation & filling up of protray culture and maintenance should be restricted to 25% assistance as per RKVY -RAFTAAR guidelines.**

#### **Project Proposal No.18.4**

**Project Title** : Integrated Pest Management to control Fall Army Worm in Maize

**Implementing Department** : Department of Agriculture

**Project Cost** : Rs.20 Crore

**Remarks of Gol** : *PP Division: The interventions proposed are in line with the recommended Package of Practice for the management of FAW. Overall, the proposed project is good with a motive to support farmers and reduce crop loss through Integrated Pest Management.*

*RKVY Division: Supported as per PP Division Comments. CIB&RC registered pesticides & bio-pesticides may be used. Certification of reasonableness of cost from SLSC may be obtained. Location may be indicated.*

**Resolution** : **The SLSC resolved to approve the project for Rs.20 crore subject to the condition that the remark of Gol that CIB&RC registered pesticides & bio-pesticides may be used should be complied with.**

### Project Proposal No. 18.5

Project Title : Promoting Mechanization in Groundnut harvesting

Implementing Department : Department of Agriculture

Project Cost : Rs.1.50 Crore

Comments of Gol : *Supported as per SMAM norms. Geo tagging to be done. Location may be given.*

**Discussion** : The Director of Agriculture informed that the area under Groundnut crop is decreasing in Tamil Nadu due to the problem of labor scarcity.

The Chief Secretary opined that instead of these kinds of demonstrations, the Agro Service Centres should be encouraged to purchase the ground nut harvesters where the Groundnut area is vast. Custom Hiring Centres promoted by Agricultural Engineering Department also should be made to purchase these in groundnut belts.

**Resolution** : **The SLSC resolved to approve the project on last priority.**

### Project Proposal No. 18.6

Project Title : Accurate application of Nutrients through drip irrigation in cotton

Implementing Department : Department of Agriculture

Project Cost : Rs.0.375 Crore

Comments of Gol : *In the standard drip irrigation list, nutrients are included so it may be clarified why this component is being asked for.*

**Discussion** : The APC and the Director of Agriculture have informed that the project is to promote the Water Soluble Fertilizers developed by TNAU under NADP.

The Chief Secretary opined that the manufacturing unit for the production of water soluble fertilizers with 50% subsidy to the Cooperatives, FPOs and others may be proposed since the water soluble fertilizers are still imported. So the import substitution may happen.

**Resolution** : **The SLSC resolved to approve to the project on last priority subject to submission of clarification on Gol comments.**

### Project Proposal No. 18.7

Project Title : Paddy Production improving interventions

Implementing Department : Department of Agriculture

Project Cost : Rs.55.584 crore

Comment of GoI : a) *Promoting seed production of Newly released varieties (less than 10 year varieties) - Supported as per NFSM/SMAM norms where applicable. For other components, RKVY norms with 25% subsidy may be approved & for such components reasonableness of cost may be certified by SLSC. Geo-tagging to be done. DBT may be ensured. Location may be indicated.*

**Reply of the Department:** Seed production incentive is proposed @ Rs.8 per Kg. The procurement price of certified paddy seed is Rs.32.60 per Kg and hence the assistance proposed is less than 25% as per RKVY guidelines.

b) *Distribution of Newly Released Varieties (Less than 10 year varieties)-Supported as per NFSM norms. DBT may be ensured. Location may be indicated. Certification of reasonableness of cost from SLSC may be obtained.*

c) *Promoting seed production of Newly released varieties (less than 10 year varieties) through FPOs - Supported as per NFSM/SMAM norms where applicable. For other components RKVY norms with 25% subsidy may be approved & for such components reasonableness of cost may be certified by SLSC. Geo-tagging to be done. DBT may be ensured. Location may be indicated.*

**Reply of the Department:** Seed production incentive is proposed @ Rs.8 per Kg. The procurement price of certified paddy seed comes to Rs.32.60 per Kg and hence the assistance proposed is less than 25% as per RKVY guidelines.

d) *Water conservation and labour saving technique through SRI/Machine Planting - Supported as per RKVY-RAFTAAR (25% subsidy). Certificate of reasonableness of cost may be obtained from SLSC. Geo tagging to be done. Location may be given.*

**Reply of the Department:** There is a provision for organizing cluster demonstrations in SRI @ Rs 9000/ha under NFSM Rice (8 districts alone). In this proposal, the assistance for seed and machine planting were considered at 50% subsidy excluding other components.

e) *Seed drill sowing (450.00) - Supported as per SMAM cost norms. DBT may be ensured. Geo-tagging to be done.*

f) Nutrient conservation and Farm soil preservation, Agro Eco system analysis, Management of post-harvest losses through distribution of movable threshing floor/Tarpaulins & Publicity and other contingencies - Supported as per RKVY-RAFTAAR (25% subsidy). Certificate of reasonableness of cost may be obtained from SLSC. Geo tagging to be done. Location may be given.

**Reply of the Department:** Biofertilizers, MN Mixture, Weedicides and Psuedomonas are proposed as per NFSM norms. Copper Sulphate application is proposed for the first time in areas which show acute deficiency and considerable yield loss. The assistance will be restricted to Rs.500/- per Ha as per NFSM norms for Micro Nutrient mixture.

Agro Eco System analysis has been approved under local initiative-NFSM Rice 2019-20 vide GOI Lr.No 2-25/2019-NFSM dated. 18.04.2019.

Tarpaulin has been approved under local initiative-NFSM 2019-20 (250 GSM, size 6X5 mts Subsidy Rs.1500/No) vide GOI Lr.No 2-25/2019- NFSM dated. 18.04.2019.

**Discussion :** The Director of Agriculture gave the justification for the Gol comments and requested the Committee to approve the assistance proposed based on the justification. The Chief Secretary asked to widely promote the promising newly released TNAU varieties. DoA informed that assistance for Paddy seed production is given to encourage newly released TNAU varieties like CR 1009 sub-1 and CO-53.

**Resolution :** The SLSC resolved to approve the proposal with a condition that assistance for Copper Sulphate should be restricted to Rs.500 per ha.

### **Project Proposal No. 18.8**

**Project Name :** Production Increasing interventions in Millets

**Implementing Department :** Department of Agriculture

**Project cost :** Rs.1.455 Crore

**Comments of Gol :** Encouraging production of Millet seeds (Less than 10 year old) - Supported as per the Crops division comments. DBT may be ensured. Location may be indicated.

Increasing production by High yielding variety millet seeds (Less than 10 year old) - Supported as per NFSM norms. DBT

to be ensured. Location may be given.

Encouraging Millet production by distribution of Hybrid seeds - Supported as per NFSM norms. DBT may be ensured. Location may be given.

Productivity enhancing input assistance in low productivity areas (Bio fertilizer. Micro nutrient) - Supported as per NFSM norms. DBT to be ensured. Location may be given.

**Discussion** : The Director of Agriculture informed the Committee that all the proposed components are as per the NFSM norms.

**Resolution** : **SLSC resolved to approve the project for Rs.1.455 crore.**

**Project Proposal No. 18.9**

**Project Title** : Pulses Productivity Enhancement Interventions

**Implementing Department** : Department of Agriculture

**Project Cost** : Rs.1.0475 Crore

**Comments of GOI** : *Promoting seed production through FPOs (<10 year old varieties) - Supported as per NFSM/SMAM norms where applicable. For other components, RKVY norms with 25% subsidy may be approved & for such components reasonableness of cost may be certified by SLSC. Geo-tagging to be done. DBT may be ensured. Location may be indicated.*

*Management of post-Harvest losses & Publicity and Contingencies - Supported as per RKVY-RAFTAAR (25% subsidy). Certificate of reasonableness of cost may be obtained from SLSC. Geo tagging to be done. Location may be given*

**Discussion** : The Director of Agriculture informed the Committee that the movable threshing floor/Tarpaulin component has been approved under local initiative-NFSM pulses 2019-20 (250 GSM, size 6X5mts- Subsidy Rs 1500/No) vide GOI Lr.No 2-25/2019- NFSM dated. 18.04.2019. All other components are proposed as per NFSM-Pulses norms.

**Resolution** : **SLSC resolved to approve the project for Rs.1.0475 crore.**

**Project Proposal No. 18.10**

**Project Title** : Oilseeds Productivity Enhancement Interventions

**Implementing Department** : Department of Agriculture

Project Cost : Rs.2.9 Crore  
Comments of Gol : *Promoting seed Production through FPO's (less than 10 year)  
- Supported as per NFSM/SMAM norms. Location may be indicated. Geo-tagging to be done.*

*Seed drill sowing Groundnut. - Supported as per SMAM norms. Location may be indicated. Geo-tagging to be done.*

*Publicity and Contingencies -Supported under RKVY-RAFTAAR*

**Resolution : SLSC resolved to approve the project for Rs.2.9 crore.**

#### **Project Proposal No. 18.11**

Project Title : Second year Maintenance of Replanted Coconut seedlings in the area affected by Gaja Cyclone

Implementing Department : Department of Agriculture

Project Cost : Rs.15 Crore

Comments of Gol : *Supported as per Coconut Development Board norms. DBT to be ensured. Location may be given.*

Discussion : The project has been prepared as per the CDB norms under which Rs.17,500/- per Ha is allowed for two years @ Rs.8,750/- per Ha per year. At the rate of 175 trees per Ha, the cost adopted per tree works out to Rs.50 and the same has been adopted in this proposal.

**Resolution : SLSC resolved to approve the project for Rs.15 crore.**

#### **Project Proposal No. 18.12**

Project Title : Integrated Farming System - Phase III

Implementing Department : Department of Agriculture

Project Cost : Rs.15.6992 Crore

Comments of Gol : 1) **IFS** establishment, Contingencies, Appointment of JRFs - Supported as per NMSA norms. Certification of reasonableness of cost from SLSC may be obtained. Location may be indicated. DBT may be ensured Geo-tagging to be done. Proposal for JRFs is supported only for 1 year. MoU to be entered into with the farmers for 5 years.  
(2) Training & Exposure Visit - Supported as per ATMA norms

**Resolution** : The SLSC resolved to approve the project for Rs.15.6992 crore.

**Project Proposal No. 18.13**

**Project Title** : Construction of New Buildings for 6 STL, 2 FCL, 1 PTL, 1 MSTL & Renovation of 1 BFPU, 2 FCL, 1 PTL & 1 BCL

**Implementing Department** : Department of Agriculture

**Project Cost** : Rs.8.049 Crore

**Comments of Gol** : *Supported in principle as per CPWD/PWD norms whichever is lower. Cost of breakup/estimates may be given. Geo tagging to be done.*

**Resolution** : The SLSC resolved to approve the project for Rs.8.049 crore to be taken up as per State PWD norms.

**Project Proposal No. 18.14**

**Project Title** : Conversion of the 10 Carrier based to Liquid based Bio fertilizer Production Units

**Implementing Department** : Department of Agriculture

**Project Cost** : Rs.12.8 Crore

**Remarks of Gol** : *Supported as per SHM norms. Certification of reasonableness of cost from SLSC may be obtained for items over & above SHC norms. Location may be given. Geo tagging to be done.*

**Discussion** : Rs.50 lakh per unit has been sanctioned for "Strengthening of Bio- Fertilizer Production units" under Soil Health Management component of National Mission for Sustainable Agriculture during the year 2019-20 and the G.O is under issue. Hence, the components that are not covered under SHM project alone will be taken up under NADP 2020-21.

**Resolution** : The SLSC resolved to approve the project with remarks that comments of Government of India should be complied with and the components which are not taken up under SHM 2019-20 alone should be taken up.

**Project Proposal No. 18.15**

**Project Title** : Extension of Office building and Construction of Training Hall at Water Management Training Centre (WMTC) at Vinayagapuram, Madurai district.

- Implementing Department : Department of Agriculture
- Project Cost : Rs.1.5 Crore
- Comments of Gol : *For construction activities CPWD/PWD norms may be followed. Detailed estimates may be given. Geo tagging to be done.*
- Resolution** : **The SLSC resolved to approve the project for Rs.1.50 crore to be taken up as per State PWD norms.**

**Project Proposal No. 18.16**

- Project Title : Strengthening of 7 State Seed Farms (SSF) for bringing Fallow land under cultivation for Certified Seed Production
- Implementing Department : Department of Agriculture
- Project Cost : Rs.2.49419 Crore
- Remarks of Gol : *Supported as per CPWD/PWD norms whichever is less. Detailed estimates may be given. Geo tagging to be done.*
- Discussion** : The Chief Secretary instructed the Agriculture and Horticulture departments to have a seed plan to meet atleast 50% of the requirement of the State. The Government departments Agriculture and Horticulture and University should do it.
- The APC informed that the Horticulture Department will produce 325 MT of truthfully labelled seeds this year which was almost nil before three years.
- Resolution** : **The SLSC resolved to approve the project for Rs.2.49419 crore to be taken up as per State PWD norms.**

**Project Proposal No. 18.17**

- Project Title : Distribution of "Farm in your home" kits
- Implementing Department : Department of Horticulture & Plantation Crops
- Project Cost : Rs.5.7 Crore
- Remarks of MIDH & RKVY : *Not covered under MIDH guideline, May be supported as per RKVY norms. Proposal may be dropped.*
- Discussion** : The APC informed that the Gol suggested dropping this project since the project beneficiaries not covering the farmers, only covering the urban people. The director of Horticulture

explained that the activity is not covered under MIDH scheme. Hence, the project is proposed under RKVY. It was also approved under RKVY in the previous years. The Chief Secretary strongly opined that encouraging vegetable cultivation in urban areas will enhance the overall production capacity of the State and reduce the pressure on other rural areas and the project can be brought under State scheme and implemented.

**Resolution**                    **The SLSC resolved not to approve the project under NADP as per the Gol comments and suggested taking it up under State scheme.**

**Project Proposal No. 18.18**

Project Title                : Establishment of Contemporary Vegetable nurseries in State Horticulture Farms.

Implementing Department        : Department of Horticulture & Plantation Crops

Project Cost                : Rs.4.105 Crore

Comments of Gol        : *Supported as per MIDH norms. For civil work CPWD/PWD norms may be followed. Estimate to be given. Geo tagging to be done.*

Discussion                : The Director of Horticulture informed the committee that the Hi – tech Vegetable nursery in Reddiyarchathiram under Horticulture Department is producing 2 crore seedling per year, but the in house requirement is very high. During 2019-20, 25 crore vegetable seedlings were produced and in the next year it is planned to produce 50 crore seedlings. Hence, the project is proposed to build hi – tech nurseries with Boom irrigation and automated control system in Government Horticulture Farms. The Chief Secretary remarked that supply of seedlings is going to be the future change as the seed germination percentage in the field is low and plant population can be assured in the field through seedlings. The Chief Secretary suggested identifying entrepreneurs at block level instead of Department doing the vegetable production with hi-tech nursery and provide them the technology and subsidy help to establish the hi-tech nursery similar to the Reddiyachathiram model which can be replicated in all the blocks where the vegetable cultivation is in a sizable extent. The varieties that are very popular there can be chosen and the department can supply seeds to the nurseries and the farmers can be tied up for plantation and also before the planting season the farmer can book the variety for raising. This project can be done in a pilot basis and can be replicated in future in each and every block by encouraging entrepreneurs. The APC assured to take

up and include this point.

**Resolution** : The SLSC resolved to approve the project as a pilot with a suggestion to encourage entrepreneurs at block level for seedling production.

**Project Proposal No. 18.19**

**Project Title** : Mass production of Bio-control agents in State Horticulture Farms

**Implementing Department** : Department of Horticulture & Plantation Crops

**Project Cost** : Rs.1.255 Crore

**Remarks of Gol** : *Supported as per RKVY-RAFTAAR. Certification of reasonableness of cost from SLSC may be obtained. Geo tagging to be done.*

**Resolution** : The SLSC resolved to approve the project for Rs.1.255 Crore

**Project Proposal No. 18.20**

**Project Title** : Promotion of Organic cultivation in Greens, Tomato, Bhendi, Brinjal, Cabbage and Cauliflower

**Implementing Department** : Department of Horticulture & Plantation Crops

**Project Cost** : Rs.20 Crore

**Remarks of Gol** : *Supported as per RKVY-RAFTAAR. Certification of reasonableness of cost from SLSC may be obtained. Geo tagging to be done. DBT to be ensured. Location may be given.*

**Resolution** : The SLSC resolved to approve the project for Rs.20 Crore

**Project Proposal No. 18.21**

**Project Title** : Onion Development Programme- Onion Area Expansion

**Implementing Department** : Department of Horticulture & Plantation Crops

**Project Cost** : Rs.3 Crore

**Remarks of Gol** : *Supported as per MIDH norms. DBT to be ensured. Geo tagging to be done.*

**Resolution** : The SLSC resolved to approve the project for Rs.3 Crore

**Project Proposal No. 18.22**

**Project Title** : Assistance for Supporting structures in Horticultural crops

**Implementing Department** : Department of Horticulture & Plantation Crops

**Project Cost** : Rs.8.5 Crore

**Remarks of Gol** : *Supported under RKVY-RAFTAAR (50% subsidy) construction activities may be supported as per CPWD/PWD norms whichever is less. Certification of reasonableness of cost from SLSC may be obtained. Geo tagging to be done. DBT to be ensured.*

**Resolution** : The SLSC resolved to approve the project for Rs.8.5 Crore

**Project Proposal No. 18.23**

**Project Title** : Installation of seed processing machineries in State Horticulture Farms

**Implementing Department** : Department of Horticulture & Plantation Crops

**Project Cost** : Rs.1.088 Crore

**Discussion** : The Director of Horticulture explained the committee that the department is going to take up the in house seed production programme in big way and hence project on installation of seed processing machineries in State Horticulture Farms is proposed.

**Remarks of Gol** : *Supported as per MIDH norms. Geo tagging to be done.*

**Resolution** : The SLSC resolved to approve the project for Rs.1.088 Crore

**Project Proposal No. 18.24**

**Project Title** : Development of Integrated Value chain in Vegetables

**Implementing Department** : Department of Horticulture & Plantation Crops

**Project Cost** : Rs.1.75 Crore

**Remarks of Gol** : *Supported as per MIDH norms for training, collection centers and retail outlets. Certification of reasonableness of cost from SLSC may be obtained. Geo tagging to be done. DBT to be ensured. A new FPO scheme has been approved by the*

*Cabinet. Adherence to those guidelines may also be ensured.*

Discussion : The Director of Horticulture explained in detail about the project to the committee that the Development of Integrated Value chain in Vegetables is proposed as a linkage between the Primary Processing Centres (PPCs) created under the Tamil Nadu Supply Chain Management Project and the village level producers through a series of collection centers like Aavin model *i.e* collecting the farm produce at the farm gate and supplying them to the PPCs.

**Resolution : The SLSC resolved to approve the project for Rs.1.75 Crore**

#### **Project Proposal No. 18.25**

Project Title : Provision of Green House type Poly Carbonate Sheet covered Solar drying units to Farmers/ Farmers' Groups for the year 2020-21.

Implementing Department : Agricultural Engineering Department

Project Cost : Rs.2 Crore

Comments of Gol : *Supported as per SMAM norms (50% subsidy). Geo tagging to be done. DBT to be ensured. Location may be given.*

**Resolution : The SLSC resolved to approve the project for Rs. 2 crore.**

#### **Project Proposal No. 18.26**

Project Title : Provision of Solar Powered Fencing System with subsidy assistance to the farmers

Implementing Department : Agricultural Engineering Department

Project Cost : Rs.3 Crore

Comments of Gol : *Supported as per new guidelines of NABARD. Geo tagging to be done. DBT to be ensured. Location may be given.*

**Resolution : The SLSC resolved to approve the project for Rs.3 crore.**

#### **Project Proposal No. 18.27**

Project Title : Soil Conservation in the Catchments of River Valley Projects in Tamil Nadu

Implementing Department : Agricultural Engineering Department

Project Cost : Rs.4.45 Crore

Comments of Gol : *Supported as per PMKSY-WDC / NMSA guidelines. Instructions may be followed as per comments. Geo tagging to be done. Location may be given.*

**Resolution** : **The SLSC resolved to approve the project for Rs.4.45 crore with the remark that the comments of Government of India should be complied with.**

**Project Proposal No.18.28**

Project Title : Construction of Agricultural Engineering Extension Centre (AEEC)

Implementing Department : Agricultural Engineering Department

Project Cost : Rs.12.5 Crore

Comments of Gol : *Not supported.*

**Resolution** : **In view of the comment of Government of India, the SLSC resolved to not to approve the project during the year 2020-21.**

**Project Proposal No. 18.29**

Project Title : Procurement of Tractor operated Sugarcane Detrashing Machine with mini tractor to strengthen the hiring activity of AED

Implementing Department : Agricultural Engineering Department

Project Cost : Rs.1.5 crore

Comments of Gol : *Supported for implementation on Pilot basis. Only 5 Tractor operated sugarcane detrashing machines with mini tractor are supported. Certificate of reasonableness of cost may be obtained from SLSC. Geo tagging to be done.*

**Resolution** : **The SLSC resolved to approve the project with a condition that only 5 Tractor operated sugarcane detrashing machines with mini tractors should be procured on pilot basis as per the comments of Government of India.**

**Project Proposal No. 18.30**

Project Title : Distribution of Post-Harvest Technology and Management machinery for all types of Horticulture, Food grain and Oil seed crops

Implementing Department : Agricultural Engineering Department

Project Cost : Rs.4 Crore

Remarks of Gol : *Supported as SMAM norms. Geo tagging to be done. Location may be given. DBT to be ensured.*

**Resolution : The SLSC resolved to approve the project for Rs. 4 crore**

**Project Proposal No. 18.31**

Project Title : Promotion of Farmer Producer Organizations (FPOs)

Implementing Department : Agricultural Marketing & Agri-Business

Project Cost : Rs.37.5 Crore

Remarks of Gol : *Supported as per SFAC guidelines. A new FPO scheme has been approved by the Cabinet and compliance to guidelines may be ensured later.*

**Resolution : The SLSC resolved to approve the project for Rs.37.5 crore.**

**Project Proposal No. 18.32**

Project Title : Establishment of Red Chilli Pulverizing and Packing unit in Pudur Block of Thoothukudi District

Implementing Department : Agricultural Marketing & Agri-Business

Project Cost : Rs.0.23 Crore

Comments of Gol : *Supported as per MIDH norms upto maximum ceiling of Rs.25 lakh for machineries including civil work. Geo tagging to be done. DBT to be ensured. MoFPI can also be approached.*

Discussion : The Commissioner, Agri. Marketing and Agri Business explained that the Secondary processing Machineries proposed under projects No.18.32 to 18.37 are in support of the Primary Processing Centres (PPCs) already established by the Department under the TN Supply Chain Management project. The Department has engaged FPOs to operate the PPCs. The Commissioner of Agricultural Marketing and Agri Business clarified that the machineries will be procured for the Department and not for further sanction to any individual beneficiary. These units proposed for Chilli pulverizing and packing, Onion peeling & dehydration, tamarind paste making,

tamarind seed powder making, tamarind seed gum extraction, fruit deep freeze drying, vegetable freeze drying, mango pulp making, mango squash making are certainly for secondary processing of the produce derived from the Primary Processing units already established when there is surplus produce. These projects do not fit into the Rs.25 lakh maximum subsidy ceiling under MIDH guidelines.

Such units are not supported under existing MoFPI schemes. Hence, assistance as per the RKVY norms of 100% for Government sector is sought for the projects No.18.32 to 18.37.

**Resolution** : **The SLSC resolved to approve to the project with a remark to send the estimates and drawings to Government of India.**

**Project Proposal No. 18.33**

**Project Title** : Establishment of secondary processing units for Processing Onion in Trichy District

**Implementing Department** : Agricultural Marketing & Agri-Business

**Project Cost** : Rs.0.42 Crore

**Comments of Gol** : *Supported as per MIDH norms upto maximum ceiling of 25 lakh for machineries including civil work. Geo tagging to be done. DBT to be ensured. MoFPI can also be approached.*

**Discussion** : As in the case of project No.18.32.

**Resolution** : **The SLSC resolved to give approval to the project with a remark to send the estimates and drawings to Government of India**

**Project Proposal No. 18.34**

**Project Title** : Establishment of Mango Pulp and Squash Processing Centre in Pochampalli, Krishnagiri District

**Implementing Department** : Agricultural Marketing & Agri-Business

**Project Cost** : Rs.2.25 Crore

**Remarks of Gol** : *Supported as per MIDH norms upto maximum ceiling of 25 lakh for machineries including civil work. Geo tagging to be done. DBT to be ensured. MoFPI can also be approached.*

**Discussion** : As in the case of project No.18.32.

**Resolution** : The SLSC resolved to give approval to the project with a remark to send the estimates and drawings to Government of India

**Project Proposal No. 18.35**

**Project Title** : Establishment of Tamarind Value addition unit in Papparapatti Primary Processing Centre of Dharmapuri District and Gopalpatti Primary Processing Centre of Dindigul District

**Implementing Department** : Agricultural Marketing & Agri-Business

**Project Cost** : Rs.12.1 Crore

**Remarks of Gol** : *Supported as per MIDH norms upto maximum ceiling of 25 lakh for machineries including civil work. Geo tagging to be done. DBT to be ensured. MoFPI can also be approached.*

**Discussion** : As in the case of project No.18.32.

**Resolution** : The SLSC resolved to give approval to the project with a remark to send the estimates and drawings to Government of India.

**Project Proposal No. 18.36**

**Project Title** : Establishment of Deep Freeze Drying Unit for Fruits at Vadakkipalayam and Pichanur in Coimbatore District

**Implementing Department** : Agricultural Marketing & Agri-Business

**Project Cost** : Rs.10 crore

**Remarks of Gol** : *Supported as per MIDH norms upto maximum ceiling of 25 lakh for machineries including civil work. Geo tagging to be done. DBT to be ensured. MoFPI can also be approached.*

**Discussion** : As in the case of project No.18.32.

**Resolution** : The SLSC resolved to give approval to the project with a remark to send the estimates and drawings to Government of India.

**Project Proposal No. 18.37**

**Project Title** : Establishment of Secondary Processing Machineries for Vegetables in Four Places (PPCs of Hosur - Krishnagiri, Palacode-Dharmapuri, Anikorai & Sullikoodu- Nilgiris)

Implementing Department : Agricultural Marketing & Agri-Business

Project Cost : Rs.1.8 Crore

Remarks of Gol : *Supported as per MIDH norms upto maximum ceiling of 25 lakh for machineries including civil work. Geo tagging to be done. DBT to be ensured. MoFPI can also be approached.*

Discussion : As in the case of project No.18.32.

**Resolution : The SLSC resolved to give approval to the project with a remark to send the estimates and drawings to Government of India**

**Project Proposal No. 18.38**

Project Title : Augmentation of seed replacement rate in pulses and oilseeds through farmers participatory seed production

Implementing Department : Tamil Nadu Agricultural University

Total Project Cost : Rs.1.367 Crore

Remarks of Gol : *Comments awaited from ICAR.*

**Resolution : The SLSC resolved to give in-principle approval to the project subject to comments from Government of India.**

**Project Proposal No. 18.39**

Project Title : Production and supply of quality planting materials of Moringa through vegetative propagation

Implementing Department : Tamil Nadu Agricultural University

Total Project Cost : Rs.0.6 Crore

Remarks of Gol : *Comments awaited from ICAR.*

**Resolution : The SLSC resolved to give in-principle approval to the project subject to comments from Government of India.**

**Project Proposal No. 18.40**

Project Title : Establishment of newer multitier production system for doubling the income of tribal farmers at Shevaroy and Kolli hills

Implementing Department : Tamil Nadu Agricultural University

Project Cost : Rs.1 Crore

Remarks of Gol : *Comments awaited from ICAR.*

**Resolution** : **The SLSC resolved to give in-principle approval to the project subject to comments from Government of India.**

**Project Proposal No. 18.41**

Project Title : Augmenting flower production in Tamil Nadu through Elite seeds / seedlings production and technological interventions

Implementing Department : Tamil Nadu Agricultural University

Total Project Cost : Rs.3 Crore

Remarks of Gol : *Supported as per comments of ICAR and compliance with observations. Certificate of reasonableness of cost may be obtained from SLSC. Geo tagging to be done.*

**Resolution** : **The SLSC resolved to approve the project with the remark that the comments of Government of India should be complied with.**

**Project Proposal No. 18.42**

Project Title : Establishment of Centre of Excellence in Groundnut

Implementing Department : Tamil Nadu Agricultural University

Total Project Cost : Rs.1.729 Crore

Remarks of ICAR & RKVY : *In the proposal, the development of laboratory facilities have been envisaged under the funding and it should have been on development infrastructure for seed production like godowns and processing plants; and custom hiring facilities to enable more mechanization to cope with the higher labour cost (as mentioned in the proposal).*

*Supported as per comments of ICAR and strict compliance with comments. Certificate of reasonableness of cost may be obtained from SLSC. Geo tagging to be done.*

Discussion : The proposal consists of two parts, one is for quality seed production of improved varieties through Farmers' participatory seed production and the other is for genetic enhancement of farmer preferred traits. The laboratory equipment are proposed for genetic enhancement of farmer preferred traits. The assistance for infrastructure such as seed godown and processing units will be requested from the SMSP scheme of Government of India which gives assistance to the tune of

Rs.60 lakh as 100% grant for Government sector.

**Resolution** : The SLSC resolved to approve the project for Rs.1.729 crore.

**Project Proposal No. 18.43**

**Project Title** : Farmers Participatory Demonstration and seed Production of Seed Propagated aggregatum Onion in Tamil Nadu

**Implementing Department** : Tamil Nadu Agricultural University

**Project Cost** : Rs.0.35 Crore

**Remarks of Gol** : **Comments awaited from ICAR**

**Resolution** : The SLSC resolved to give in-principle approval to the project subject to comments from ICAR.

**Project Proposal No. 18.44**

**Project Title** : Strengthening of Building Infrastructure in two Seed Testing Laboratories by undertaking Repairs and Renovation works to sustain quality seed analysis

**Implementing Department** : Department of Seed Certification & Organic Certification

**Project Cost** : Rs.0.465 Crore

**Remarks of Gol** : *Supported as per SMSP norms including construction activities. Construction activities may be followed as per CPWD/PWD norms. Estimate may be provided. Geo tagging to be done.*

**Resolution** : The SLSC resolved to approve the project with a condition that the project should be revised as per the comments of Government of India. The project is to be taken up as per the State PWD norms. Estimate has to be submitted.

**Project Proposal No. 18.45**

**Project Title** : Increasing Production, Productivity, reducing the cost of cultivation of the sugarcane farmers and Increasing Sugar Recovery in Sugarcane during 2020-21

**Implementing Department** : Department of Sugar

**Project Cost** : Rs.12.0003 Crore

**Remarks of Gol** : *Supported as per NFSM/SMSP/SMAM norms. Geo tagging to*

be done. Location may be given. DBT to be ensured.

**Resolution** : The SLSC resolved to approve the project for Rs.12.0003 crore

**Project Proposal No. 18.46**

**Project Title** : Establishment of GMP standard Diagnostic unit (Brucella and Other Diagnostic Agents) at the Institute of Veterinary Preventive Medicine, Ranipet

**Implementing Department** : Animal Husbandry & Veterinary Services.

**Project Cost** : Rs.8.02 Crore

**Remarks of Gol** : Supported as per LH, DAHD comments. For civil work CPWD/PWD norms may be followed. Estimate to be given. Certificate of reasonableness of cost of equipment may be obtained from SLSC. Geo tagging may be done.

**Resolution** : The SLSC resolved to approve the project for Rs.8.02 crore as per the State PWD norms.

**Project Proposal No. 18.47**

**Project Title** : Provision of infrastructure facility for Field monitoring and Farmer's Information Centre in various districts

**Implementing Department** : Animal Husbandry & Veterinary Services.

**Project Cost** : Rs.10 Crore

**Comments of Gol** : Comments awaited.

**Discussion** : The Chief Secretary suggested to plan the Integrated Centres under one roof as like IAEC of Agri sector.

**Resolution** : The SLSC resolved to give in-principle approval on last priority to the project subject to comments from Gol.

**Project Proposal No. 18.48**

**Project Title** : Establishment of Mineral Mixture plant to improve the dairy cattle productivity

**Implementing Department** : Animal Husbandry & Veterinary Services.

**Project Cost** : Rs.2 Crore

Remarks of Gol : 1. *Establishment of Mineral Mixture production unit - Supported in-principle subject to submission of project design/map. Certificate of reasonableness of cost may be obtained from SLSC.*

2. *Machineries, Equipment and Instruments - Supported. Certificate of reasonableness of cost may be obtained from SLSC. Geo tagging to be done.*

1) *Procurement of inputs-Rs.79.8 lakh*  
*(@ Rs. 38.00 per kg for 2,10,000 kg)- Not supported.*

*Cost for quality analysis - Supported. Certificate of reasonableness of cost may be obtained from SLSC. Geo tagging to be done.*

*Cost towards engaging labourers for production - Rs.4.8 lakh(4 casual labourers/day @ Rs.400/day/labour) - Not supported.*

*Cost towards packing and Transportation charges - Rs.5.9 lakh-Not supported.*

*Administrative cost - Rs.1 lakh-Not supported.*

**Discussion** : The Chief Secretary suggested to extend the technology to the producer groups/ FPOs and provide them with 50% subsidy or permissible limit to encourage them to avail bank loan with subsidy with the University support will be the much more extensive work. The Chief Secretary suggested to popularize and create awareness among the farmers on Mineral Mixture for preventing the diseases and for other uses.

**Resolution** : **The SLSC resolved to give approval on last priority with conditions that the project should be revised as per the comments of Government of India and project design/map should be submitted.**

#### **Project Proposal No. 18.49**

Project Title : Entrepreneurship Development through Native Chicken Rearing

Implementing Department : Animal Husbandry & Veterinary Services.

Project Cost : Rs.14.7291 Crore

Remarks of Gol : *Chick cost - Supported as per comments of NLM, DAHD. Certificate of reasonableness of cost may be obtained from SLSC. Geo tagging to be done. Location may be given.*

*Feed cost - Supported as per comments of NLM, DAHD. Certificate of reasonableness of cost may be obtained from SLSC. Geo tagging to be done. Location may be given.*

*Incubator cost - Supported as per comments of NLM, DAHD. Certificate of reasonableness of cost may be obtained from SLSC. Geo tagging to be done. Location may be given.*

*Training @ Rs.150/ day/ beneficiary for 1925 beneficiaries for 5 days (150 x 1925 x 5) - Supported.*

*1% Administrative cost - Supported.*

**Resolution** : **The SLSC resolved to approve the project on 2<sup>nd</sup> priority for Rs.14.7291 Crore with the remark that the comments of NLM, DAHD, Government of India should be complied with.**

**Project Proposal No. 18.50**

**Project Title** : Doorstep veterinary and emergency health services (155 units).

**Implementing Department** : Department of Dairy Development

**Project Cost** : Rs.4.935 Crore

**Remarks of Gol** : *Supported as per comments of DD, DAHD division & strict compliance. Certificate of reasonableness of cost may be obtained from SLSC. Geo tagging to be done. Location may be given*

**Resolution** : **The SLSC resolved to approve the project with the remark that the comments of Government of India should be complied with.**

**Project Proposal No. 18.51**

**Project Title** : Augmenting rural dairying by providing need based supportive system to milk producers through 27 no.of bulk milk coolers.

**Implementing Department** : Department of Dairy Development

**Project Proposal No. 18.67**

Project Title : Input subsidy assistance to the DFFDA registered fish farmers in Tamil Nadu  
Implementing : Department of Fisheries  
Department  
Project Cost : Rs.0.7575 Crore  
Remarks of Gol : *Supported as per Blue Revolution norms. Geo tagging to be done. DBT may be done. Location may be given.*  
**Resolution : The SLSC resolved to approve the project for Rs.0.7575 crore.**

**Project Proposal No. 18.68**

Project Title : Establishment of back yard type demonstration units for Intensive Culture of Genetically Improved Farmed Tilapia (GIFT) at Thirukampuliyur in Karur and at Asoor in Trichy Districts to impart Training to the unemployed and rural women  
Implementing : Department of Fisheries  
Department  
Project Cost : Rs.0.1009 Crore  
Remarks of Gol : *Supported as per Blue Revolution norms. Geo tagging to be done. DBT may be done. Location may be given.*

**Resolution** : The SLSC resolved to approve the project for Rs.0.1009 crore.

**Project Proposal No. 18.69**

**Project Title** : Promotion of fish culture in water storage ponds for coconut farming in Tiruppur and Coimbatore Districts

**Implementing Department** : Department of Fisheries

**Project Cost** : Rs.0.1415 Crore

**Remarks of Gol** : *Supported as per Blue Revolution norms. Geo tagging to be done. DBT may be done. Location may be given.*

**Resolution** : The SLSC resolved to approve the project for Rs.0.1415 crore.

**Project Proposal No. 18.70**

**Project Title** : Procurement of Quality Brood stock for 4 Government fish farms for Poondi, Lalpet, Vidur, Thirukampuliyur and Pilavakkal for increasing fingerlings production

**Implementing Department** : Department of Fisheries

**Project Cost** : Rs.0.0505 Crore

**Remarks of Gol** : *Supported as per Blue Revolution norms. Geo tagging to be done. DBT may be done. Location may be given.*

**Resolution** : The SLSC resolved to approve the project for Rs.0.0505 crore

**Project Proposal No. 18.71**

**Project Title** : Revitalizing Dairy cattle through TANUVAS GRAND supplement to enhance the productivity and profitability

**Implementing Department** : Tamil Nadu Veterinary and Animal Sciences University (TANUVAS)

**Project Cost** : Rs.2 Crore

**Remarks of Gol** : *Supported as per comments of ICAR. Certificate of reasonableness of cost may be obtained from SLSC. Geo tagging may be done.*

**Resolution** : The SLSC resolved to approve the project for Rs.2 crore.

### **Project Proposal No. 18.72**

- Project Title : Establishment of modern Salem Black Goat Farm at Veterinary College and Research Institute, Namakkal for sustainable rural economy
- Implementing Department : Tamil Nadu Veterinary and Animal Sciences University (TANUVAS)
- Project Cost : Rs.1.485 Crore
- Remarks of Gol : *Supported in principle. The project proposal may be revised & approval sought again.*
- Discussion : ICAR has suggested that the University may also include establishment of a quality semen freezing laboratory so that it can cater to the conservation as well as propagation of quality germplasm (small ruminants) needs of the region in a more effective way. As the University is already provided with a semen freezing laboratory, there is no need to further revise the project.
- Resolution : **The SLSC resolved to approve the project for Rs.1.485 crore with a remark to send the justification on not including the semen freezing laboratory in the project to ICAR and Government of India..**

### **Project Proposal No. 18.73**

- Project Title : Establishment of Madras Red Sheep Input Centre
- Implementing Department : Tamil Nadu Veterinary and Animal Sciences University (TANUVAS)
- Project Cost : Rs.2.8525 Crore
- Remarks of Gol : *Supported as per ICAR comments. Certificate of reasonableness of cost may be obtained from SLSC. Geo tagging to be done. Location may be given.*
- Resolution : **The SLSC resolved to approve the project for Rs.2.8525 crore with the remark that the comments of Government of India should be complied with.**

### **Project Proposal No. 18.74**

- Project Title : Zoonotic diseases diagnostic laboratory in Cauvery delta region of Tamil Nadu
- Implementing Department : Tamil Nadu Veterinary and Animal Sciences University (TANUVAS)
- Project Cost : Rs.2.545 Crore

Remarks of Gol : *Supported as per ICAR comments. Certificate of reasonableness of cost may be obtained from SLSC. Geo tagging to be done.*

**Resolution** : **The SLSC resolved to approve the project for Rs.2.545 crore with the remark that the comments of Government of India should be complied with.**

**Project Proposal No. 18.75**

Project Title : Fodder Seed Production Unit for Sustainable Livestock Production under North Western Zone of Tamil Nadu

Implementing Department : Tamil Nadu Veterinary and Animal Sciences University (TANUVAS)

Project Cost : Rs.1.4922 Crore

Remarks of Gol : *Supported as per ICAR comments. Certificate of reasonableness of cost may be obtained from SLSC. Geo tagging to be done. Location may be given.*

**Resolution** : **The SLSC resolved to approve the project for Rs.1.4922 crore with the remark that the comments of Government of India should be complied with.**

**Project Proposal No. 18.76**

Project Title : Hands on Training cum Demonstration on "Limited Water Usage Aquaculture Technologies"

Implementing Department : Tamil Nadu Dr. J. Jayalalithaa Fisheries University

Project Cost : Rs. 1.874 Crore

Comments of Gol : *Comments awaited from ICAR*

**Resolution** : **The SLSC resolved to give in-principle approval to the project subject to comments from Government of India.**

**Project Proposal No. 18.77**

Project Title : TNJFU's Business Incubators for Aquaculture and Fish Processing Technology to promote Start- Ups Integrated Fisheries Entrepreneurship in Tamil Nadu state

Implementing Department : Tamil Nadu Dr. J. Jayalalithaa Fisheries University

Project Cost : Rs.3 crore

Remarks of Gol : *Comments awaited from ICAR*

**Resolution** : **The SLSC resolved to give in-principle approval to the**

project subject to comments from Government of India.

**Project Proposal No. 18.78**

Project Title : Establishment of Loach (Ayirai Meen) breeding centre at Parakkai, Kanyakumari Dt

Implementing : Tamil Nadu Dr. J. Jayalalithaa Fisheries University  
Department

Project Cost : Rs.1.75 Crore

Remarks of Gol : *Comments awaited from ICAR*

**Resolution : The SLSC resolved to give in-principle approval to the project subject to comments from Government of India.**

**Project Proposal No. 18.79**

Project Title : Establishment of "Aquaponics Technology Park" for the production of multiple vegetable crops by Recirculating Fish Culture water in the water limited area of Barur, Krishnagiri District

Implementing : Tamil Nadu Dr. J. Jayalalithaa Fisheries University  
Department

Project Cost : Rs.1.98 Crore

Remarks of Gol : *Comments awaited from ICAR*

**Resolution : The SLSC resolved to give in-principle approval to the project subject to comments from Government of India.**

**Project Proposal No. 18.80**

Project Title : Development of Infrastructure facilities and Installation of Oil crushing unit and Neem cake crushing unit in Co-operative Marketing societies and TUCAS

Implementing : Department of Cooperation  
Department

Project Cost : Rs.3.6669 Crore

Remarks of Gol : *For civil work CPWD/PWD norms may be followed. Estimate to be given. Certificate of reasonableness of cost of equipment may be obtained from SLSC. Geo tagging to be done.*

**Resolution : The SLSC resolved to approve the project for Rs.3.6669 crore to be taken up as per the State PWD norms**

### **Project Proposal No. 18.81**

- Project Title : Construction of Separate Ladies Hostel for Natesan Institute of Cooperative Management (NICM), Chennai
- Implementing Department : Department of Cooperation
- Project Cost : Rs.1.8328 Crore
- Remarks of Gol : *For civil work CPWD/PWD norms may be followed. Estimate to be given. Certificate of reasonableness of cost of equipment may be obtained from SLSC. Geo tagging to be done.*
- Resolution** : **The SLSC resolved to approve the project for Rs.1.8328 crore to be taken up as per the State PWD norms.**

### **Project Proposal No. 18.82**

- Project Title : Construction of Check Dam across Ayyar River in Senappanallur Village of Thuraiyur Taluk in Trichy District
- Implementing Department : Public Works Department
- Project Cost : Rs.3.4 Crore
- Remarks of Gol : *Proposals pertain to Ministry of Jal Shakti. Hence, not supported.*
- Discussion** : The APC informed that with respect to the PWD Project Proposals 18.82 to 18.88, Gol has not supported them under RKVY and asked to take them up under the schemes of Ministry of Jal Shakti. The Chief Secretary informed that sufficient funds are not released by Jal Shakti Ministry and instructed to write a letter to Gol on the importance of irrigation in Agriculture and convince them to approve these projects under RKVY.
- Resolution** : **The SLSC resolved to give in-principle approval to the project subject to the comments of Gol after the SLSC's representation to Gol is made.**

### **Project Proposal No. 18.83**

- Project Title : Construction of Check Dam across Ayyar River in Chithambur Village of Musiri Taluk in Trichy District
- Implementing Department : Public Works Department
- Project Cost : Rs.3.5 Crore

Remarks of Gol : *Proposals pertain to Ministry of Jal Shakti. Hence, not supported.*

**Resolution** : **The SLSC resolved to give in-principle approval to the project subject to the comments of Gol after the SLSC's representation to Gol is made.**

**Project Proposal No. 18.84**

**Project Title** : Construction of Check Dam across Varattar river in S.F no 400 of Chokkanur Village in Kinathukadavu Taluk of Coimbatore District

**Implementing Department** : Public Works Department

**Project Cost** : Rs.1.8 Crore

Remarks of Gol : *Proposals pertain to Ministry of Jal Shakti. Hence, not supported.*

**Resolution** : **The SLSC resolved to give in-principle approval to the project subject to the comments of Gol after the SLSC's representation to Gol is made.**

**Project Proposal No. 18.85**

**Project Title** : Construction of anicut across Narasinga Cauvery to feed Ochakudi tank in Alaganvayal village of Manamelkudi taluk of Pudukkottai district.

**Implementing Department** : Public Works Department

**Project Cost** : Rs.2.4 Crore

Remarks of Gol : *Proposals pertain to Ministry of Jal Shakti. Hence, not supported.*

**Resolution** : **The SLSC resolved to give in-principle approval to the project subject to the comments of Gol after the SLSC's representation to Gol is made.**

**Project Proposal No. 18.86**

**Project Title** : Construction of check dam across Araniyar river near Eliyambedu village in Ponneri taluk of Thiruvallur district.

**Implementing Department** : Public Works Department

**Project Cost** : Rs.9.7 Crore

Remarks of Gol : *Proposals pertain to Ministry of Jal Shakti. Hence, not*

*supported.*

**Resolution** : The SLSC resolved to give in-principle approval to the project subject to the comments of Gol after the SLSC's representation to Gol is made.

**Project Proposal No. 18.87**

**Project Title** : Construction of checkdam across Araniyar river near Mambakkam village in Uthukottai taluk of Thiruvallur district.

**Implementing Department** : Public Works Department

**Project Cost** : Rs.7.3 Crore

**Remarks of Gol** : *Proposals pertain to Ministry of Jal Shakti. Hence, not supported.*

**Resolution** : The SLSC resolved to give in-principle approval to the project subject to the comments of Gol after the SLSC's representation to Gol is made.

**Project Proposal No. 18.88**

**Project Title** : Construction of Artificial recharge structure across Nallavur river near Kiliyanur village in Vannur taluk of Villupuram district.

**Implementing Department** : Public Works Department

**Project Cost** : Rs.3.9 Crore

**Remarks of Gol** : *Proposals pertain to Ministry of Jal Shakti. Hence, not supported.*

**Resolution** : The SLSC resolved to give in-principle approval to the project subject to the comments of Gol after the SLSC's representation to Gol is made.

### Agenda V: Other Subjects for Approval

Subject No	Department	Subject	Amount Rs. in Crore	Resolution of SLSC
18.O.1	Agriculture	Request for approval of State Extension Work Plan 2020-21 under Support to State Extension Programmes for Extension Reforms Scheme (SSEPERs) under Sub-Mission on Agricultural Extension (SMAE)	124.1414	The SLSC approved the Proposal.
18.O.2	Animal Husbandry, Fisheries & TANUVAS	Release of funds to various projects approved during the year 2019-20 to be taken up during the year 2020-21 based on priority	9.507	The SLSC approved the Proposal.
18.O.3	General	Allocation of Funds to Nodal Agency-TAWDEVA, for 2% administrative Cost		The SLSC approved the Proposal.
18.O.4	General	To utilize the unspent balance of 2019-20 (as on 01.04.2019), during the year 2020-21		The SLSC approved the Proposal.

### Agenda VI: Proposals for Approval and Ratification

Subject No	Department	Subject	Amount in Crore	Resolution of the SLSC
18.AR.1	Agriculture	In view of late release of water from Mettur Dam and in anticipation of reduced water availability for Samba cultivation, implementation of Scheme "Ploughing subsidy to the farmers for encouraging direct sowing Paddy cultivation in Tamil Nadu" to ensure paddy area coverage during Samba Season by diverting funds allocated to Machine planting component of the NADP 2019-20 project "Enhanced Rice Production Programme" may be approved and ratified by the SLSC	9.505	SLSC approved and ratified the proposal

Subject No	Department	Subject	Amount in Crore	Resolution of the SLSC
18.AR.2	Agriculture	Implementation of the scheme called "Management of Gall Midge Infestation in Paddy crops" in an area of 16,400 Ha at Rs.500/ Ha @ 50% subsidy due to sudden and severe infestation by Rice Gall Midge in Tiruvarur, Thanjavur and Pudukkottai under NADP 2019-20 may be approved and ratified by the SLSC.	0.820	SLSC approved and ratified the proposal
18.AR.3	Agriculture	In view of repeated droughts and failure of Samba Paddy in Ramanathapuram & Sivagangai Districts, implementation of the Scheme "Encouraging alternate cropping programme in Ramanathapuram and Sivagangai districts utilising the unspent amount of NADP 2017-18 & NADP 2018-19 may be approved and ratified by the SLSC	0.6322	SLSC approved and ratified the proposal
18.AR.4	Horticulture	Implementation of Crop Diversification Programme-Sub Scheme 2019-20 with the due approval of the Chairman, SLSC under NADP may be approved and ratified by the SLSC	0.0888	SLSC approved and ratified the proposal
18.AR.5	Horticulture	Implementation of Area Expansion in Cashew Sub scheme 2019-20 with the due approval of the Chairman, SLSC under NADP may be approved and ratified by the SLSC	2.40	SLSC approved and ratified the proposal
18.AR.6	Agricultural Engineering	The action of purchase of "Tractor operated Trench cutting machine with front end loader" by Agricultural Engineering Department under NADP 2019-20 for an amount of Rs.1.55 crore, as a convergence measure for laying main and sub main under drip irrigation system to avoid the delay in installation of drip irrigation system under PMKSY- Per Drop More Crop – Micro Irrigation, may be ratified.	1.550	SLSC approved and ratified the proposal

Subject No	Department	Subject	Amount in Crore	Resolution of the SLSC
18.AR.7	Agricultural Engineering	The "Strengthening of State Agricultural machinery Information Data Centre" at Head Quarters of the Agricultural Engineering Department during the year 2019-20 by Agricultural Engineering Department under NADP 2019-20 for an amount of Rs.1.899 crore by utilizing the unspent amount available from the year 2016-17 to 2018-19 under NADP may be ratified by the SLSC.	1.8994	SLSC approved and ratified the proposal
18.AR.8	Seed Certification	Government have issued an order for a total cost of Rs.2.35 crore for construction of Integrated Seed certification Complex in Thanjavur District subject to the condition that the approval and ratification is obtained in the next State Level Sanctioning Committee (SLSC). Therefore, this subject may be approved and ratified by the SLSC.	2.35	SLSC approved and ratified the proposal
18.AR.9	Animal Husbandry	Implementation of Additional Fodder Development Programme as a sub scheme of RKVY in 2019-20 with the due approval of the Chairman, SLSC/Chief Secretary under NADP may be approved and ratified by the SLSC.	5.410	SLSC approved and ratified the proposal
18.AR.10	Animal Husbandry	Implementation of Glanders Surveillance Units and Rabies vaccination in canines under Animal Health Sub Scheme 2019-20 with the due approval of the Chairman, SLSC/Chief Secretary under NADP may be approved and ratified by the SLSC.	2.160	SLSC approved and ratified the proposal

### Agenda VII Permission Proposals

Perm No	Department	Project	Subject	Resolution of the SLSC
1	TNAU	Repairing and relocation of 285 non-functional Automatic Weather Stations (AWS) established under NADP by utilizing the unspent balance of AWS projects in ACRC TNAU, Coimbatore	Permission may be granted for utilizing the unspent amount of Rs. 1.956 crore for repairing and relocation of 285 AWS. Further, the amount spent on AAS training to DoA officials & the amount spent on AWS status survey are placed before SLSC for ratification.	SLSC permitted the proposal.
2	Dairy Development	"Installation of walk in Deep freezer 10 MT capacity and strengthening the dairy roof of new dairy complex at Ooty" by utilizing the unspent saving amount of 51.65 lakh.	Permission of the SLSC is requested to implement the above proposal with unspent saving amount of Rs. 0.516 crore under NADP 2016-17.	SLSC permitted the proposal.
3	Fisheries	Six new projects for the year 2020-21 at an outlay of Rs.521.16 lakh proposed under Savings amount of the projects implemented during the year 2010-11 to 2016-17 under NADP	To take up six new projects with the savings amount of Rs.5.2116 crore from the funds sanctioned under NADP. Permission of the SLSC is requested to take up 6 new projects with the savings amount under NADP.	SLSC permitted the proposal.

No.220, Agriculture (AP1) Department, dated. 23.11.2018 issued the authorization orders for incurring the expenditure of Rs.16.32 lakh from the surrender amount of 2018-19 under NADP for the year 2019-2020 for release of the pending payments to the companies for the implementation of the scheme "Provision of Greenhouse type Solar drying units for primary processing and Value addition to farmers/Farmers' Groups". It may please be ratified by the SLSC.	SLSC ratified the action
11	Agricultural Engineering	Mechanized farming operation in Dry land areas of Tamil Nadu (Amendment requested for the revised allocation	In order to release the amount to the General and SCSP category farmers for ploughing operations the funds were reallocated as per G.O.(2D).No.214 Agriculture (AP1) Department, Dated: 26.11.2019 at an outlay of Rs.1,800 lakh.	SLSC ratified the action

R. No	Department	Proposals	Subject	Resolution of the SLSC
		of funds sanctioned under each category Head of accounts)	Hence, the amendment for the reallocation of funds under General category, Special Component Sub Plan and Tribal Sub plan in the Govt orders issued so as to settle the amount fully to the phase-III dry land cluster farmers under Mission on Sustainable Dry Land Agriculture (MSDA) in Tamil Nadu under NADP may be ratified SLSC of NADP.	
12	Agricultural Engineering	Reclamation of Problem Soils (RPS)	<p>Initially, it was proposed to reclaim the Alkaline / Saline affected areas in Kancheepuram, Villupuram, Tirunelveli, Ramanathapuram and Thoothukudi Districts. The scheme was implemented in Tirunelveli and Ramanathapuram districts for reclamation of alkaline affected areas during the year 2019-2020. For the subsequent allocation of funds from GOI, it is proposed to treat the saline affected areas in Cuddalore and Nagapattinam Districts.</p> <p>Hence, instead of Kancheepuram, Thoothukudi and Villupuram Districts, the scheme will be implemented in Cuddalore and Nagapattinam Districts as the reclamation measures are immediately needed to treat the saline affected areas during the ensuing years.</p>	SLSC ratified the action
13	TNAU	Implementation of Food Safety and Quality of Agri-Horti Produces through NABL	Utilization of savings of Rs.136.23018 lakh towards the purchase of additional instruments for the NABL Accredited Laboratories in TNAU	SLSC ratified the action

R. No	Department	Proposals	Subject	Resolution of the SLSC
		Accredited Laboratories in TNAU. The total Budget outlay of Rs.600 lakh		
14	TNAU	Establishment of Pilot Water Soluble Fertilizer Production Units for facilitating farmers in stage wise crop nutrition. The total Budget outlay of Rs.827.50 lakh	Up scaling of the pilot project for large scale production of water soluble fertilizers with spray dryer with hot air generator resulted in additional expenditure of Rs. 2.10 crore and engagement of a contractual engineer to finalize the technical specifications of machineries, equipments and procurement	SLSC ratified the action
15	Seed Certification	Purchase of Computer accessories apart from proposed component of laptops	Utilizing the remaining unspent balance of Rs.31424/- for the purchase of computer accessories is placed before the SLSC for ratification.	SLSC ratified the action
16	Sugar	Distribution of bud chip seedlings under the project Increasing Production, Productivity and Sugar Recovery in Sugarcane 2019-20	Government have issued orders to implement the distribution of bud chip seedlings under the project Increasing Production, Productivity and Sugar Recovery in Sugarcane 2019-20 for which an amount of Rs.562.50 Lakh from Unspent amount accrued under various schemes during 2017-18 and 2018-19. Hence, diversion of an unspent amount of Rs.562.50 lakh towards implementation Distribution of bud chip seedlings under the project Increasing Production, Productivity and Sugar Recovery in Sugarcane 2019-20 is placed before SLSC for ratification.	SLSC ratified the action

R. No	Department	Proposals	Subject	Resolution of the SLSC
17	Dairy Development	Related scheme work of infrastructure facilities of manufacture milk value added milk by products.	The utilization of overall saving amount of Rs.24.06 lakh for the related scheme work of infrastructure facilities for manufacture of value added milk by products is placed before the SLSC for ratification.	SLSC ratified the action
18	Dairy Development	Based on the Government of India direction, the grants-in-aid to Dairy Unions had to be restricted to 50%. Hence, the 5 projects at an outlay of Rs.7.475 Crore were approved during 2019-20 to be taken up with the Interest accrued amount. All the above projects had been placed in the SLSC in its 17 <sup>th</sup> meeting and approved.	The ratification of the SLSC is requested for sanction obtained to implement the above five proposals at an outlay of Rs.7.475 Crore with the interest accrued under NADP.	SLSC ratified the action
19	Dairy Development	Strengthening of floor & walls of dairy Building at the Nilgiris DCMPU Ltd.	The utilization of unspent saving amount of Rs.7 lakh for the strengthening floor & walls of Dairy building in Nilgiris DCMPU is placed before the SLSC for ratification.	SLSC ratified the action
20	Sugar	Implementation of the various components	The Government permitted to utilize the balance amount of Rs.123.34 Lakh under the NADP 2017-18 available with the	SLSC ratified the action

R. No	Department	Proposals	Subject	Resolution of the SLSC
		proposed under Increasing Production, Productivity in Sugarcane 2018-19.	<p>Department of Sugar for the infrastructure development projects in cooperative sector sugar mill premises to add value for sugarcane harvested, reduce the sugarcane cost of cultivation.</p> <p>Hence, utilization of unspent amount of Rs.123.34 lakh under Increasing Production, Productivity in Sugarcane 2018-19 towards the Implementation of infrastructure components is placed before SLSC for ratification.</p>	

#### Agenda IX Table Agenda

Department	Subject	Outlay Rs. in Crore	Resolution of the SLSC
Horticulture, Agricultural Engineering & Animal Husbandry	To prepare the Annual Action Plan under the Sub schemes of RKVY viz., Crop Diversification Programme, Area Expansion in Cashew, Reclamation of Problem Soils, Additional Fodder Development Programme & Animal Health sub scheme as per the respective guidelines for the year 2020-21 based on the allocation made by Government of India and implement the same during the year 2020-21.	16.5398 (2019-20 allocation)	<b>The SLSC resolved to give in-principle approval to the sub schemes to be implemented as per the AAP prepared based on the allocation made by Government of India during the year 2020-21.</b>
Animal Husbandry	A sum of Rs.2168.8 Lakh was sanctioned for the scheme, "Establishment of livestock Complex at Chinnasalem Farm" under National Agricultural Development Programme 2019-20. <b>Ratification</b>	21.688	The SLSC ratified the action.

	<p><b>requested:</b></p> <p>The administrative sanction for the said livestock farm complex along with 9 other major complexes under the name <b>"Advanced Institute for Integrated Research on Livestock and Animal Sciences - AIIRLIVAS"</b> was accorded by the Government vide G.O.(Ms).No.187, Animal Husbandry, Dairying &amp; Fisheries (AH2) dept, dated 30.12.2019 for a total value of Rs.564.44Crore It is also proposed to establish an exclusive Directorate at the project site to monitor execution of the project components by line departments such as PWD, AED, TWAD, TANGEDCO etc.</p> <p>Given the urgency to establish a functional multi-facility infrastructure at the project site, the funds sanctioned for establishment of livestock farm complex were utilised for construction of the said multi-facility infrastructure. <b>The components originally envisaged under the livestock complex will be taken up and completed on receipt of funds from NABARD.</b></p> <p>The action of the Director of Animal Husbandry &amp; Veterinary Services in utilising the funds sanctioned for construction of livestock farm components for the establishment of multi-facility infrastructure facilities within the project of AIIRLIVAS may be ratified.</p>		
--	---	--	--

The Chief Secretary instructed to conduct two State level Integrated Exhibitions in two places one in the Southern side and the other in the Northern side of the State every year under RKVY like AIIRLIVAS inauguration Exhibition. In such exhibitions, all the departments can demonstrate their technologies. This can be held in Agriculture Universities or in some other places. The Chief Secretary instructed to regularly propose this project under RKVY.

The Meeting ended with Vote of Thanks by the Agricultural Production Commissioner & Principal Secretary to Government, Agriculture Department.
