 Dy. No. 19-7-2013
 Date 19-7-2013
 JIS(DM&RKVY)

M-13043/18/2012-Agri
 Planning Commission
 (Agriculture Division)

Yojana Bhawan, Sansad Marg
 New Delhi -110001.
 Dated: 19th July, 2013.

(Office Memorandum)

Subject: Allocation of funds under RKVY for the year 2013-14.

This is reference to Planning Commission's letter of even number dated 1st May, 2013 on the above subject. The updated position in respect of states from which information was awaited by the Planning Commission is given below:

- a) **Bihar.** In the current year (2013-14) an amount of Rs 411 crore has been adjusted for the last year. Therefore further adjustment in the allocation based on revised figures can be made in the State's share under RKVY for the next year.
- b) **Chhattisgarh.** The State Government has been including expenditure incurred on the Food subsidy Scheme and Civil Supplies which are not part of the Agriculture and Allied sectors. As a result the State has overdrawn the RKVY funds than its entitled allocation. This needs to be resolved in consultation with the State Government.
- c) **Gujarat.** In case of Gujarat the total plan expenditure has not been intimated. However, based on the figure available in the Annual Plan 2013-14 the eligibility of the State has been confirmed. Based on these figures the state is eligible for RKVY during 2013-14.
- d) **Jammu and Kashmir.** Information is still awaited from the State Government.
- e) **Jharkhand.** In the case of Jharkhand information has still not been received from the State Government. However, based on the information given in the State's draft annual plan 2013-14 document the State is not eligible for the Annual Plan 2013-14 under RKVY. Its recalculated notional allocation is Rs56.42 crore subject to its eligibility under RKVY.
- f) **Karnataka :** Schemewise details are still awaited from the State Government.
- g) **Madhya Pradesh.** The State Government has provided the information. The funds may be released.
- h) **Meghalaya.** In the case of Meghalaya the details furnished by the State Government bring out that the expenditure incurred by the state on water resources, irrigation and flood control had also been included which is not a part of the agriculture and allied sectors. Therefore, the share of the State Government has been reworked out and it amounts to Rs. 53.89 crore.
- i) **Odisha.** The State Government has provided the information. The funds may be released to the State Government.
- j) **Punjab.** The State Government has not provided the required information.
- k) **Uttar Pradesh.** Information provided by the State Government bring out that the expenditure for 2012-13 and 2011-12 are considerably lower than the outlay figures of the State Government. This will affect State's Share. However, the State has to become eligible for accessing RKVY funds.

Ineligible states may be requested to furnish updated information so that their eligibility can be reconsidered.

The Joint Secretary (RKVY),
 Department of Agriculture and Cooperation,
 Krishi Bhawan, New Delhi
