raised a valid point. The percentage of allocation to Allied sector has been gradually increased over the years. It was 27% during 2012-13.

Agricultural Production Commissioner & Secretary to Government then requested the Head of the Departments to present their projects with the permission of the Chair. The committee took up the Agenda Books 1 to 4 and one Table Agenda for consideration.

#### **Agenda Book No.1**

##### **Agenda I**

Confirmation of the Minutes of the 8<sup>th</sup> and 9<sup>th</sup> Meeting of the State Level Sanctioning Committee held on 24.04.2012 and 07.09.2012 respectively.

**Resolution - Confirmed.**

##### **Agenda II**

Action taken on the Minutes of the 8<sup>th</sup> and 9<sup>th</sup> State Level Sanctioning Committee

**Resolution - Recorded.**

##### **Agenda III**

Overall Budget Abstract

**Resolution - Recorded.**

Department wise projects with Budget Abstract for Normal RKVY

**Resolution - Recorded.**

The Joint Secretary, Government of India informed that "the comments of Department of Agriculture and Cooperation, Government of India on each item have been obtained and copy has been given to Agricultural Production Commissioner & Secretary to Government. Those comments may be taken into account while taking up discussion on the individual items. He also added that the projects for which comments are not received, GOI norms should be strictly followed". To this, APC informed the Committee that the Additional Agenda Book No.4 pertaining to 14 items have been communicated to the members on 16<sup>th</sup> March 2013 and comment was received from Department of Agriculture & Cooperation, Government of India on 18.3.13:

34

**Minutes of the 10<sup>th</sup> Meeting of the State Level Sanctioning Committee of the National Agriculture Development Programme held on 19.03.2013**

The 10<sup>th</sup> meeting of the State Level Sanctioning Committee for the National Agriculture Development Programme was held on 19.03.2013 under the Chairmanship of the Chief Secretary at the Chief Secretary's Conference Hall, Secretariat, Chennai. The Agricultural Production Commissioner and Secretary to Government welcomed the Chief Secretary, Joint Secretary, Government of India, Commissioner (Animal Husbandry), Government of India, and other participants. The Agricultural Production Commissioner then made a presentation about the overview of the National Agriculture Development Programme implemented in the State since inception and presented the achievements of implementation of projects approved for previous financial years as well as for the current year as on 15.03.13 to the forum. The performance details and the list of participants are given in Annexure I & II

The Joint Secretary, GOI, pointed out that the overall fund allocation for RKVY for the year 2013-14 is not likely to be increased much and the States may expect same amount as allocated during last year- 2012-13, however, actual allocation would be made as per the NADP funds allocation guidelines. Further he remarked that there should be transparency in giving scheme benefits and assets creation. Geo-referencing of various assets created under NADP may be done and information may be uploaded to the website so that anybody can access it and see the details of projects taken up and also overlapping of the projects can be avoided.

Agricultural Production Commissioner & Secretary to Government informed that Hon'ble Chief Minister of Tamil Nadu has launched a scheme benefits tracking system in Tamil Nadu on AGRISNET portal of Agriculture Dept. on which project of special Delta package taken under NADP 2012-13 have been fully captured. He called upon the HODs to periodically update the information on the portal to keep it up to date and suggested that in next SLSC the site may be shown to the committee.

Commissioner, Animal Husbandry, GOI suggested that about 40% of the total allocation should be allotted to Allied Sector. Agricultural Production Commissioner & Secretary to Government replied that the Commissioner, Animal Husbandry has

Further, in the covering letter of GOI communicating the project-wise comments, it has been mentioned that "The total cost of projects to be considered in this meeting should not exceed the allocation of the State during 2012-13 as the allocation for the State for 2013-14 has not been finalized." **Last year allocation of Normal RKVY was Rs.591.50 Crs and Sub schemes was Rs.78.18 Crs.**

Further it was communicated about Additional Agenda Book No 4 that "As the Agenda Item was received in DAC on 18.03.2013, 15 days time as stipulated in para - 5.4 of RKVY guidelines was not available. As such these projects may not be included for discussion in the SLSC meeting to be held on 19.03.2013."

The Agricultural Production Commissioner & Secretary to Government informed that Project Proposal No.10.A.1 "Uzhavar Peruvizha", Project Proposal No.10.A.10 "Integrated Farming System" and Project Proposal No.10.A.29 "Provision of diesel engine pumpsets with Raingun / Portable Sprinkler Irrigation System" are not new items, since these projects were already included in Main Agenda as Proposal No.10.A.1, 10.A.10 and 10.A.29 (Agenda Book No.1) which are resubmitted with some modifications and further elaborations in additional Agenda booklet No-4.

For other proposals it was informed by the Agricultural Production Commissioner & Secretary to Government that other additional Agenda Book-4 projects are primarily new initiatives using innovative approach which are being introduced to bring in paradigm shift in Agriculture Sector of the State and the discussions about these projects were held at the highest level only during last week. Therefore the Additional Agenda could be circulated only on Saturday (16<sup>th</sup> March 2013) and APC requested the committee to consider these projects as in the past SLSC meetings, many proposals have been taken as Table Agenda and based on the merit of the projects, decisions were taken.

The Chief Secretary stated that only very important proposals are being taken in this SLSC considering that the scheme benefit should reach to the farmers well in time, and agreed to restrict the project approval only upto last year's allocation, therefore on merit these proposals in Additional Agenda Book No 4 need to be taken up. Further, because of limiting the amount to last year's allocation, it becomes inevitable to defer many project proposals. However certain proposals,

due to its importance and urgency, may be discussed in detail and agreed in principle which may be taken up if additional allocation is received or if any saving amount is available. The Joint Secretary, GOI informed that additional agenda new proposals may be considered in the SLSC subject to the condition that they are in conformity with the GOI norms and the observations of Department of Agriculture & Cooperation, Government of India, if any, may be incorporated suitably into these projects. The committee then took up the subjects for discussion.

### **Proposals of Agri Sector**

#### **Project Proposal No. 10.A.1**

#### **(Revised and Included in Additional Agenda as 10.A.1)**

Project Title	: Farmers Mass contact programme (Uzhavar Peruvizha)
Implementing Department	: Department of Agriculture
Project Cost	: Rs. 4592.00 lakhs
Discussion	: <b>Remarks of RKVY division</b>

"As the Agenda Item was received in DAC on 18.03.2013, 15 days time as stipulated in para – 5.4 of RKVY guidelines was not available. As such these projects may not be included for discussion in the SLSC meeting to be held on 19.03.2013."

Further, the comments of extension division, DAC are "the figure of Rs.325 is very high in view of the ATMA norms" and the extension division of GOI does not support the proposal until the unit cost component are restricted justifiably."

Agricultural Production Commissioner & Secretary to Government highlighted the salient features of Uzhavar Peruvizha and explained the benefits and output of this programme conducted during last year.

Then the subject was discussed in detail taking into account the comments of extension division, GOI.

APC informed that for training of a farmer Rs.400 per farmer per day is eligible as per ATMA guidelines which includes the travel and boarding cost. Even if we exclude Rs.

50

250/- towards the travel and boarding cost Rs. 150/- may be spent towards training each farmer. Uzhavar Peruvizha 2013 proposes to train 40 Lakh farmers with the project cost of Rs 4592 Lakh which works out to Rs. 115 per farmer per day, well within the ATMA guidelines. During last year, the actual number of farmers attended were 38 Lakhs. Farmer specific training in various aspects of Agriculture and allied sector is proposed to be given. Proper attendance of the farmers participated in this year Uzhavar Peruvizha programme will be taken and the same would be put up on web site also.

**Resolution** : **SLSC approved the project**

**Project Proposal No. 10.A.2**

Project Title : Programme on Paddy Mission  
Project Cost : Rs. 5222.50 lakhs  
Implementing Department : Department of Agriculture  
Discussion : **Remarks of RKVY division**

**INM**

"Supported"

**M&T**

"Division supports maximum upto 50% to farmers, SC/ST, SF/MF for 1000, hectares and for promotion of Laser Leveler for SRI Technology."

**Crops**

"Supported as per norms of NFSM/INSIMP/A3P programmes of DAC."

**Discussion**

Agricultural Production Commissioner & Secretary to Government explained the objectives of formulating this project in mission mode approach and the mode of implementation in detail to the forum. Further he explained that the farm level plan for individual farmer is in progress through which the yield gap at village, block and district level will be bridged and timely supply of inputs will be ensured by forming the district level monitory committee under the Chairmanship of District Collector for implementing Paddy, Millets and Pulses mission.

Joint Secretary, GOI, agreed to the proposal insisting the comments given by M&T section.

**Resolution** : State Level Sanctioning Committee approved the project. Revised proposal may be submitted taking into account the observations by M&T, Crops & INM Division of GOI.

**Project Proposal No. 10.A.3**

**Project Title** : Millets Mission in Tamil Nadu

**Project Cost** : Rs. 1349.100 Lakhs

**Implementing Department** : Department of Agriculture

**Discussion** : Remarks of RKVY division

**INM**

"Supports, However, it may be seen that fertilizer subsidy under the project "INM on Maize", DAP fertilizer under "INM for Pulses" and Urea fertilizer under project "Integrated Crop Management System" are already subsidized by the Department of Fertilizer."

**Crops**

"Supported as per norms of NFSM/INSIMP/A3P programmes of DAC."

**Discussion**

Agricultural Production Commissioner & Secretary to Government said that the comments of the INM & Crops section may be taken care by the Director Agriculture.

**Resolution** : The SLSC approved the project with the condition to revise the proposal based on the observation of INM & Crop section.

**Project Proposal No. 10.A.4**

**Project Title** : Programme on Pulses Mission

**Project Cost** : Rs. 3348.25 Lakhs

**Implementing Department** : Department of Agriculture

**Discussion** : Remarks of RKVY division

**M&T**

"Supports @ 40% of the cost, limited to Rs.20,000/- as per MMA Guidelines. However, under SMAM division has proposed to enhance upto Rs.50,000/-."

**Crops**

"Supported as per norms of NFSM/INSIMP/A3P programmes of DAC."

60

### Discussion

The Director of Agriculture suggested the Committee to follow the NADP guidelines to implement the programme.

**Resolution** : The SLSC approved the project, to be implemented as per the NADP guidelines.

#### Project Proposal No. 10.A.5

Project Title : Programme on Oil Seeds Mission

Project Cost : Rs. 1180.960 Lakhs

Implementing : Department of Agriculture

Department

**Resolution** : SLSC deferred the project.

#### Project Proposal No. 10.A.6

Project Title : Increasing the Cotton Production and Productivity in 10000 ha.

Project Cost : Rs. 491.250 Lakhs

Implementing : Department of Agriculture

Department

Discussion : **Remarks of RKVY division**

#### M&T

Supports @ 25% of the cost, limited to Rs. 2000/-.

**Resolution** : SLSC deferred the project.

#### Project Proposal No. 10.A.7

Project Title : Sustainable Sugarcane Initiative in 20000 ha.

Project Cost : Rs. 8020.00 Lakhs

Implementing : Department of Agriculture

Department

Discussion : **Remarks of RKVY division**

#### Extension Division

"Extension Division supports the training component in principle. However, cost norms are on higher side @ Rs.500/day (compared to Rs.400/day in ATMA) "

The APC and secretary to Government presented the salient features of SSI technology and informed that a farmer can get a higher yield by adopting this technology.

**Resolution** : SLSC approved the project with the remark that the amount allocated for training should be revised as per the remarks given by the Extension Division.

**Project Proposal No. 10.A.8**

Project Title : Production of Enriched Farm Yard Manure  
Project Cost : Rs. 168.00 Lakhs  
Implementing : Department of Agriculture  
Department  
Discussion : **Remarks of RKVY division**  
**INM**  
"Supported"

**Resolution : SLSC deferred the project.**

**Project Proposal No. 10.A.9**

Project Title : Infrastructure improvement of State Coconut Nurseries  
Project Cost : Rs. 377.00 Lakhs  
Implementing : Department of Agriculture  
Department  
**Resolution : SLSC deferred the project.**

**Project Proposal No. 10.A.10**

**(Revised and Included in Additional Agenda as 10.A.10)**

Project Title : Integrated Farming System - District Saturation Model  
Project Cost : Rs.1527.50 Lakhs  
Implementing : Department of Agriculture  
Department  
Discussion : **Discussion**

For the remarks of RKVY Division on the "Additional Agenda" detailed discussion is available in page no.3 & 4.

The APC and secretary to Government informed the forum that originally the project proposed in the main agenda was to include 14 districts in the State. Now it has been revised on District Saturation Mode to give more focus.

Joint Secretary, GOI, said that the proposal is approved subject to the condition that the norms of GOI should not be exceeded.

**Resolution : SLSC approved the project with the condition that NADP guidelines should be followed.**

62

### Project Proposal No. 10.A.11

Project Title : Enrichment of Soil Fertility through Trash Mulching in 5000 ha in Sugarcane  
Project Cost : Rs.101.00 Lakhs  
Implementing Department : Department of Agriculture  
Discussion : **Remarks of RKVY division**  
**M&T**

“Supports maximum up to 50% subsidy ”

#### Discussion

Agricultural Production Commissioner & Secretary to Government informed that this project is proposed for the first time under RKVY and the same was appreciated by the Joint Secretary, GOI. The advantage of mulching in sugarcane was explained in detail to the committee. Director of Agriculture confirmed that only 50% subsidy has been suggested.

**Resolution : SLSC approved the project.**

### Project Proposal No. 10.A.12

Project Title : Comprehensive Input Supply Management System  
Project Cost : Rs.1148.52 Lakhs  
Implementing Department : Department of Agriculture  
Discussion :

The APC and secretary to Government presented the salient points of this project and explained that it is essential that the required inputs for farming should be placed in time as agriculture is season bound in nature. He also explained that it is proposed to set up a special purpose vehicle through which the finalization of supply of inputs and process of installation of Micro irrigation will be hastened and hence, it is important to make available the infrastructure like hardware and software required for this purpose.

**Resolution : SLSC approved the project**

### Project Proposal No. 10.A.13

Project Title : Proposal for Diploma in Agricultural Extension Services for Input Dealers  
Project Cost : Rs.45.00 Lakhs

Implementing : Department of Agriculture  
Department  
Resolution : **SLSC deferred the project.**

**Project Proposal No. 10.A.14**

Project Title : Bringing Fallow Lands Under Cultivation  
Project Cost : Rs.200.00 Lakhs  
Implementing : Department of Agriculture  
Department  
Discussion : **Remarks of RKVY division**  
**M&T**

"Supports maximum up to 50% subsidy "

**Discussion**

The importance of bringing fallow land to cultivation is well explained to the committee and further the Director of Agriculture informed that it is within 50% subsidy.

The Joint Secretary (GOI) requested to adhere to the norms prescribed in NADP guidelines for all the subsidy components without fail.

**Resolution : SLSC approved the project**

**Project Proposal No. 10.A.15**

Project Title : National Agriculture Development Programme (NADP-RKVY) for the productivity Enhancement of Horticulture Crops  
Project Cost : Rs.5724.40 lakhs  
Implementing : Department of Horticulture & Plantation Crops  
Department  
Discussion : **Remarks of RKVY division**

**Extension Division**

"Except training within the State and within District, other activities do not pertain to the Extension Division. Extension Division supports the training component. However, cost norms need to be brought at par with ATMA Cafeteria "

**Discussion**

The Agricultural Production Commissioner & Secretary to Government explained the programme in detail.

The Joint Secretary, Government of India asked about the

various components of the scheme and about the subsidy pattern.

The Commissioner of Horticulture explained that the subsidy of this programme is 50% and the components include Precision Farming, Micro Irrigation Fertigation High Density Planting and Cultivation of Vegetables in pandal structures.

**Resolution :** The SLSC approved the project subject to the condition that cost norms of ATMA should be followed for training component.

**Project Proposal No. 10. A.16**

**Project Title :** Improving Agricultural Productivity and Profitability through Horticultural Crop Diversification in the Feeder Zones of Metro City (2 year programme)  
**Project Cost :** Rs.115.49 lakhs  
**Implementing Department :** Department of Horticulture  
**Resolution :** SLSC deferred the project.

**Project Proposal No. 10. A.17**

**Project Title :** Institutional Training in Horticulture Technologies  
**Project Cost :** Rs.100.00 lakhs  
**Implementing Department :** Department of Horticulture  
**Resolution :** SLSC deferred the project.

**Project Proposal No. 10. A.18**

**Project Title :** Establishment of District Horticulture Technology Resource Centres in 10 Districts of Tamil Nadu  
**Project Cost :** Rs.650.00 lakhs  
**Implementing Department :** Department of Horticulture  
**Discussion :**

The Joint Secretary (Government of India) asked to explain the need for the Establishment of District Horticulture Technology Resource centres.

The Commissioner of Horticulture explained that the farmers can get the technical guidance and training at one place at the district level.

**Resolution :** The SLSC approved the programme for 5 District Horticulture Technology Resource Centers at an outlay of Rs.325.00 lakhs.

### **Project Proposal No. 10. A.19**

Project Title : Creation of Farmers Service Centres at 100 Blocks of Tamil Nadu  
Project Cost : Rs.5000.00 lakhs  
Implementing Department : Department of Horticulture  
Discussion : **Remarks of RKVY division**

#### **Extension division**

“The basic schedule of Rates of rural engineering services has not been enclosed with the proposal to justify the per unit cost Rs. 50.00 lakhs. In the absence of the details the proposal could not be examined, though per square ft, cost of Rs. 1818 seems OK. However, it has not been clarified as to why separate farmers’ service centers are necessary. It will be better to have one combined centre for agriculture, horticulture and allied sectors ”

#### **Discussion**

The Joint Secretary (Government of India) enquired about the necessity of the centers.

The Commissioner of Horticulture and Plantation Crops explained that these Horticulture centres have been proposed only in horticulture potential districts. However as per the suggestions of GOI extension division these centres will be combined centre for agriculture and horticulture.

**Resolution : The SLSC approved the project restricting to 50 farmers service centres at an outlay of Rs.2500.00 lakhs.**

### **Project Proposal No. 10. A.20**

Project Title : Modernisation of State Horticulture Farms – Phase II  
Project Cost : Rs.2053.830 lakhs  
Implementing Department : Department of Horticulture & Plantation Crops  
Discussion : **Discussion:**

Agricultural Production Commissioner & Secretary to Government proposed to defer the project because of inadequate financial allocation.

Instead, the Joint Secretary, Government of India, insisted that this support is necessary for the production of seed and planting material which are the basic input for the area expansion programme.

The Chief Secretary told to take up the

project based on the budget availability.

**Resolution :** The SLSC approved the proposal in principle. The project may be taken up if additional allocation is received or any savings available.

**Project Proposal No. 10. A.21**

**Project Title :** Agricultural Mechanization in Tamil Nadu  
**Project Cost :** Rs.9000.00 lakhs  
**Implementing Department :** Department of Agricultural Engineering  
**Discussion :** Remarks of RKVY division

**M&T**

“Supports with observation, division supported the proposal as per MMA guidelines. But division has proposed to enhance the additional subsidy of 10 percent for SC farmers for SCP. Guidelines of MMA does not permit to add 10 percent extra for SC component. But during 2012-13, under submission on agricultural mechanization, M & T division has proposed for 10 percent extra for SC farmers. The proposal in under submission ”

**Discussion**

Agricultural Production Commissioner & Secretary to Government explained how mechanization is the need of hour to solve the problem of labour shortage. The project cost may be restricted to Rs.70.00 crores. He assured that the programme will be implemented as per MMA guidelines.

**Resolution :** The SLSC approved the project for Rs.70.00 crores.

**Project Proposal No. 10. A.22**

**Project Title :** Formation of Farmers Group (Rural Youth ,Small and Marginal Farmers) Including Package of Machinery and Training  
**Project Cost :** Rs.750.00 lakhs  
**Implementing Department :** Department of Agricultural Engineering  
**Discussion :** Remarks of RKVY division

**M&T**

“Supports, project is very useful for training to farmers. Supported for power tillers 40 % of the cost limited to Rs. 45,000/- during 2012-13, under submission in Agricultural mechanization, M& T division has proposed to Rs. 75,000/- . The proposal is under submission. ”

### **Extension Division**

“Extension division supports the training component of the proposal in principle within the cost of Rs. 266/- per person per day ”

### **Discussion**

The Chief Engineer, Agri Engineering said that the project will be implemented as per the remarks issued by Extension Division & M&T of GOI.

**Resolution** : **The SLSC approved the project with the condition to revise the proposal based on the remarks of GOI.**

### **Project Proposal No. 10. A.23**

**Project Title** : Provision of Drying Yard facilities  
**Project Cost** : Rs.1000.00 lakhs  
**Implementing Department** : Department of Agricultural Engineering  
**Resolution** : **SLSC deferred the project.**

### **Project Proposal No. 10. A.24**

**Project Title** : Provision of Onion Storage Structure  
**Project Cost** : Rs.600.00 lakhs  
**Implementing Department** : Department of Agricultural Engineering  
**Discussion** : **Discussion:**

Agricultural Production Commissioner & Secretary to Government explained how the present storage capacity for onions is quite inadequate. Farmers are not in a position to store the produce and to keep up the quality. Hence there is a loss upto 30 percent. So a low cost structure is proposed at the cost of Rs.40000, which will be helpful to the farmers to store their produce.

The Joint Secretary, GOI intervened and enquired about the life of the structure.

The Chief Engineer, Agricultural Engineering replied that the life is 10 to 15 years and also informed that the models are available in Maharashtra and the reports were obtained.

The Commissioner, Animal Husbandry, GOI suggested as the climate condition varies from state to state, the suitability of the structure proposed may be tested by TNAU before taking up the project.

Agricultural Production Commissioner & Secretary to Government said that this project may be approved with a condition that the TNAU has to certify for the suitability of storage structure proposed for Tamil Nadu condition.

**Resolution :** The SLSC approved the project with the above condition.

**Project Proposal No. 10. A.25**

Project Title : Provision of Solar Chilli drier  
 Project Cost : Rs.40.00 lakhs  
 Implementing Department : Department of Agricultural Engineering  
 Discussion : **Discussion**

Agricultural Production Commissioner & Secretary to Government said that farmers will utilize this structure and it is a community asset.

**Resolution :** The SLSC approved the project.

**Project Proposal No. 10. A.26**

Project Title : Provision of Solar PV pumping system  
 Project Cost : Rs.3776.00 lakhs  
 Implementing Department : Department of Agricultural Engineering  
 Resolution : SLSC deferred the project.

**Project Proposal No. 10. A.27**

Project Title : Soil Conservation in the catchments of River Valley Project in Tamil Nadu  
 Project Cost : Rs.1200.00 lakhs  
 Implementing Department : Department of Agricultural Engineering  
 Discussion : **Remarks of RKVY division**

**NRM**

Supported

**Discussion**

The Chief Engineer, Agricultural Engineering said that till last year RVP was implemented under MMA and it will be merged with RKVY from 2013-14

Agricultural Production Commissioner & Secretary to Government said that this project may be approved in principle.

**Resolution** : The SLSC approved the project in principle. This project may be taken up if additional allocation is received or from any savings available.

**Project Proposal No. 10. A.28**

**Project Title** : Ensuring Assured Productivity in Rainfed Area through Soil and Water Conservation Intervention

**Project Cost** : Rs.255.00 lakhs

**Implementing Department** : Department of Agricultural Engineering

**Resolution** : SLSC deferred the project.

**Project Proposal No. 10. A.29**

**(Revised and Included in Additional Agenda as 10.A.29)**

**Project Title** : Provision of Diesel Engine Pumpset with Raingun / Portable Sprinkler Irrigation System for Critical life saving Supplemental Irrigation

**Project Cost** : Rs.700.00 lakhs

**Implementing Department** : Department of Agricultural Engineering

**Discussion** : The remarks of GOI about Additional Agenda has already been discussed.(Details found in page no.3 & 4)

As the State suffers severe drought situation, it was decided to give more emphasis for supplemental irrigation. So more allocation has been suggested in the revised proposal.

**Resolution** : The SLSC approved the project.

**Project Proposal No. 10. A.30**

**Project Title** : Provision of Solar Pumpset with Sprinkler Irrigation System to the Existing Farm Ponds

**Project Cost** : Rs.511.50 lakhs

**Implementing Department** : Department of Agricultural Engineering

**Resolution** : SLSC deferred the project.

**Project Proposal No. 10. A.31**

**Project Title** : Construction of Building for Regulated Markets

**Project Cost** : Rs.300.00 lakhs

**Implementing Department** : Department of Agricultural Marketing

Discussion : **Discussion**

Agricultural Production Commissioner & Secretary explained the project in detail.

**Resolution : The SLSC approved the project**

**Project Proposal No. 10. A.32**

Project Title : Establishment of Transaction Shed in Regulated Markets

Project Cost : Rs.1100.00 lakhs

Implementing Department : Department of Agricultural Marketing

Discussion : **Discussion**

Agricultural Production Commissioner & Secretary to Government said it is a ongoing activity and it increases the contact platform for buyer and farmer.

The Chief Secretary intervened and asked how many number of transaction sheds are there.

The Director, Agricultural Marketing replied that there are 277 regulated markets and in which 183 regulated markets have transaction sheds

**Resolution : The SLSC approved the project**

**Project Proposal No. 10. A.33**

Project Title : Establishment of Trader Shops in Regulated Market

Project Cost : Rs.1050.00 lakhs

Implementing Department : Department of Agricultural Marketing

**Resolution : SLSC deferred the project.**

**Project Proposal No. 10. A.34**

Project Title : Establishment of Specialized Market Complex for Banana in Valliyur Regulated Market, Tirunelveli District

Project Cost : Rs.632.75 lakhs

Implementing Department : Department of Agricultural Marketing

Discussion : **Discussion**

Agricultural Production Commissioner & Secretary to Government said it is a new intervention. In Theni, farmers themselves have created all marketing infrastructure for G 9 banana and they are exporting the produce to south east, Gulf and

European countries. The same thing can be replicated in other clusters.

The Commissioner, Agri marketing requested the site originally proposed may be changed from Valliyur to Ambasamuthuram.

**Resolution :** The SLSC approved the project with the change in project location

**Project Proposal No. 10. A.35**

**Project Title :** Establishment of Tender Coconut Market Complex at Udumalpet, Tiruppur Dt.

**Project Cost :** Rs.325.00 lakhs

**Implementing Department :** Department of Agricultural Marketing

**Discussion :** **Discussion**

Agricultural Production Commissioner & Secretary to Government said in Tamil Nadu 90 percent tender coconut is produced in and around Udumalpet area.

The Director, Agricultural Marketing explained that this project is proposed to tap the market potential of North India and other States. The farmers will bring the tender coconuts to the market and the traders from other states will trade the tender coconut. It helps the farmers to get increased price.

The Commissioner, Agri marketing requested the site originally proposed may be changed from Udumalpet to Pollachi which is very nearby to Udumalpet and connecting Udumalpet with Coimbatore.

**Resolution :** The SLSC approved the project with the change in project location

**Project Proposal No. 10. A.36**

**Project Title :** Strengthening of Cold storage and Ripening units

**Project Cost :** Rs.169.03 lakhs

**Implementing Department :** Department of Agricultural Marketing

**Resolution :** SLSC deferred the project.

**Project Proposal No. 10. A.37**

**Project Title :** Strengthening of Agro Marketing Intelligence & Business Promotion Centre (AMI&BPC), Trichy

72

Project Cost : Rs 80.00 lakhs  
Implementing : Department of Agricultural Marketing  
Department  
Resolution : **SLSC deferred the project.**

**Project Proposal No. 10. A.38**

Project Title : Demonstration of synchronized maturing pulses varieties with key Technologies and Mechanization for Higher Productivity  
Project Cost : Rs 84.00 lakhs  
Implementing : Tamil Nadu Agricultural University  
Department  
Discussion : **Remarks of RKVY Division**

**Crops**

“Supported as per norms of NFSM/INSIMP/A3P programmes of DAC ”

**Extension Division**

“Except training and demonstration of varieties and technology , other activities do not pertain to the extension division . However, proposed cost norms of Farmers Training is @ Rs. 700/ farmers/day which is higher than Rs. 400/farmer/day approved for district level training under ATMA. Hence it is not supported. ”

**Discussion**

Agricultural Production Commissioner & Secretary to Government said that this is a part of pulses mission and most of the farmers do not go for pulses cultivation because picking is the problem as pulses mature in different time and need six to seven pickings. University has come with the synchronized maturing variety which matures exactly after 65 days and developed a mechanized harvester and the same has to be promoted.

Joint Secretary, GOI said that the cost norms for the training component should be as per the modified ATMA norms.

**Resolution : The SLSC approved the project with the condition that the training component should be as per ATMA norms.**

**Project Proposal No. 10. A.39**

Project Title : Demonstration of quality vegetable production under Insect Proof Net House System

Project Cost : Rs 63.80 lakhs  
Implementing : Tamil Nadu Agricultural University  
Department  
Resolution : SLSC deferred the project.

**Project Proposal No. 10. A.40**

Project Title : Canopy Management in Young, Bearing and Senile Irrigated Mango Orchards for Improving Yield and Quality for Domestic and Export Markets  
Project Cost : Rs. 99.70 lakhs  
Implementing : Tamil Nadu Agricultural University  
Department  
Resolution : SLSC deferred the project.

**Project Proposal No. 10. A.41**

Project Title : Promotion of Self Sustainable Organic Farming in Tamil Nadu  
Project Cost : Rs.191.280 lakhs  
Implementing : Tamil Nadu Agricultural University  
Department  
Resolution : SLSC deferred the Project.

**Project Proposal No. 10. A.42**

Project Title : Promotion of Quality Seed Production in Green Manures  
Project Cost : Rs.105.20 lakhs  
Implementing : Tamil Nadu Agricultural University  
Department  
Discussion : **Remarks of RKVY Division**  
**Extension Division**

“Except trainings other activities do not pertain to extension division. The proposed budget for training is on higher side unless number of days of each training is on higher side unless number of days of each training (not given in the proposal) justify the same.”

**Discussion**

Agricultural Production Commissioner & Secretary to Government said for green manure crop the certified seeds are not available in India. For Increasing the Nitrogen content in the soil, it is essential to propagate green manure crops

The Vice chancellor, TNAU explained that certified seeds can be multiplied and supplied to the farmers.

**Resolution** : The SLSC approved the proposal with the condition that training component may be revised as per the remarks of the Extension Division, GOI.

**Project Proposal No. 10. A.43**

**Project Title** : Popularization of Hi-Tech production in Jasmine (Jasminum sambac) and Establishment of Madurai Malli Incubator

**Project Cost** : Rs.138.14 lakhs

**Implementing Department** : Tamil Nadu Agricultural University

**Resolution** : SLSC deferred the project.

**Project Proposal No. 10. A.44**

**Project Title** : Enhancing Honey Production and Increasing Agricultural Productivity in Tamil Nadu by Training and Demonstration on Beekeeping

**Project Cost** : Rs.146.00 lakhs

**Implementing Department** : Tamil Nadu Agricultural University

**Resolution** : SLSC deferred the project.

**Project Proposal No. 10. A.45**

**Project Title** : Establishment of State-of-the-Art of Agri Business Incubators for Empowering the Rural Youth on Agripreneurship

**Project Cost** : Rs.128.36 lakhs

**Implementing Department** : Tamil Nadu Agricultural University

**Resolution** : SLSC deferred the project.

**Project Proposal No. 10. A.46**

**Project Title** : Capacity Building and Entrepreneurship Development for Enhancing Profitability of Millet based Dry Land Farmers of Tamil Nadu

**Project Cost** : Rs.51.28 lakhs

**Implementing Department** : Tamil Nadu Agricultural University

**Resolution** : SLSC deferred the project.

**Project Proposal No. 10. A.47**

Project Title : Enhancement of productivity and quality in Grapes through Hi-tech management practices  
Project Cost : Rs.297.50 lakhs  
Implementing Department : Tamil Nadu Agricultural University  
Discussion : Agricultural Production Commissioner & Secretary to Government said in Theni district, good quality wine grade grapes are grown which is as good as grown in Nasik which suits for winery. So it is important to distribute the proper quality planting material which suits to that agro climatic zone and the project is cleared by ICAR.

The Vice Chancellor, TNAU explained that only paneer varieties are available in Theni and now Australian Table variety and wine variety which has been already tested in Thondamuthur area will be transferred and propagated in Theni.

The Joint Secretary, GOI have enquired about whether enough quality planting material is available.

The Vice Chancellor, TNAU replied that enough planting material is available.

**Resolution : The SLSC approved the project.**

**Project Proposal No. 10. A.48**

Project Title : Maximizing the Productivity of Temperate Fruit Crops through Different Agro Techniques in Kodaikanal Region  
Project Cost : Rs.44.53 lakhs  
Implementing Department : Tamil Nadu Agricultural University  
Resolution : **SLSC deferred the project.**

**Project Proposal No. 10. A.49**

Project Title : Popularization of Drip Fertigation technology in Maize under Rainfed Agriculture in selected Districts of Tamil Nadu  
Project Cost : Rs.117.44 lakhs  
Implementing Department : Tamil Nadu Agricultural University  
Resolution : **SLSC deferred the project.**

**Project Proposal No. 10. A.50**

Project Title : Demonstration of Direct Seeded Rice (DSR) in Dry and Puddled Condition to Enhance Productivity in Selected Districts of Tamil Nadu

Project Cost : Rs.246.44 lakhs

Implementing : Tamil Nadu Agricultural University

Department :  
Discussion : Agricultural Production Commissioner & Secretary to Government said that this year there is a delay in monsoon and there is no water in Mettur dam and sowing will be delayed. Hence this year also there is a necessity to propagate direct seeding.

**Resolution : The SLSC approved the project.**

**Project Proposal No. 10. A.51**

Project Title : Mechanized System of Rice Intensification (SRI) in Tamil Nadu

Project Cost : Rs.206.48 lakhs

Implementing : Tamil Nadu Agricultural University  
Department

**Resolution : SLSC deferred the project.**

**Project Proposal No. 10. A.52**

Project Title : Establishment of Back office at TNAU to interface with e-Resource Division of Agro Marketing Intelligence and Business Promotion Centre, Trichy

Project Cost : Rs.159.20 lakhs

Implementing : Tamil Nadu Agricultural University  
Department

**Resolution : The SLSC approved the project.**

**Project Proposal No. 10. A.53**

Project Title : Empowerment of Farmers through Special Programme on Market- led Precision Farming System

Project Cost : Rs.2636.00 lakhs

Implementing : Tamil Nadu Agricultural University  
Department

**Resolution : SLSC deferred the project.**

**Project Proposal No. 10. A.54**

Project Title : Establishment of Farm Machinery Testing Centre  
Project Cost : Rs.129.63 lakhs  
Implementing Department : Tamil Nadu Agricultural University  
Discussion : Agricultural Production Commissioner & Secretary to Government said that last year itself it has been approved. Project can be approved in principle subject to additional allocation.  
Resolution : The SLSC approved the proposal in principle. This project may be taken up if additional allocation is received or from any savings available

**Project Proposal No. 10. A.55**

Project Title : Strengthening of the Department of Seed Certification & Organic Certification  
Project Cost : Rs.171.81 lakhs  
Implementing Department : Seed Certification & Organic Certification  
Resolution : SLSC deferred the project.

**Project Proposal No. 10. A.56**

Project Title : Watershed Greening Project  
Project Cost : Rs.280.00 lakhs  
Implementing Department : Tamil Nadu Watershed Development Agency  
Discussion : Remarks of RKVY

**NRM**

“Supported. However unit cost etc., may be taken from Horticulture Division of DAC ”

**Discussion**

Agricultural Production Commissioner & Secretary to Government proposed that this may be deferred.

Joint Secretary, GOI said that the proposal may be approved in principle.

Resolution : The SLSC approved the proposal in principle. This project may be taken up if additional allocation is received or from any savings are available

## Agenda Book No.2

### Proposals of Allied Sector

Secretary Animal Husbandry briefed the overview of all the projects proposed under Animal husbandry, Fisheries, Dairy Development and TANUVAS and confirmed that the projects are prepared as per the guidelines of NADP. He also requested the Committee that all the projects to the tune of Rs.250.62 crores may be taken up for discussion and approved in principle and those approved projects to a tune of Rs.110.00 crores may be taken up for implementation, since Government of India instructed that the overall allocation should not exceed the allocation of last year. The rest of the proposals may be kept as shelf of projects and taken up if additional allocation is received.

#### Project Proposal No.10.B.1

Project Title : Improved delivery of Livestock Health and Extension Services through Rural Veterinary Dispensaries

Project Cost : Rs.4027.00 lakhs

Implementing : Department of Animal Husbandry

Department

Discussion : The Director of Animal Husbandry presented the project and explained the necessity of upgrading rural Veterinary Dispensary Centres. Out of 500 RVDC 170 No. are to be upgraded at the cost of Rs.4027.00 lakhs. This will act as extension Centre benefitting 1 lakh farmers

Resolution : SLSC approved the project

#### Project Proposal No.10.B.2

Project Title : Provision of Ultra Sound Scanning facilities for Veterinary Clinician Centres, Cattle Breeding units and Departmental Livestock farms

Project Cost : Rs.881.90 lakhs

Implementing : Department of Animal Husbandry

Department

Discussion : Secretary, Animal Husbandry said that the scan centers are proposed to be set up in urban areas.

The Director, Animal Husbandry further added that these facilities will be established only in 11 farms and 22 centres and based on the outcome, this will be extended to other centres also.

Resolution : SLSC approved the project

### **Project Proposal No.10.B.3**

Project Title : Ensuring Economic Upliftment of Rural Women through Buffalo Rearing  
Project Cost : Rs.102.50 lakhs  
Implementing Department : Department of Animal Husbandry  
Discussion : Secretary, Animal Husbandry explained the need to promote Buffalo rearing in Tamil Nadu as it is not popular here when compared to other States. This scheme was already implemented under NADP during 2010-11. Hence this may be approved.  
Resolution : **SLSC approved the project**

### **Project Proposal No.10.B.4**

Project Title : Quality Assurance to the Producers at Primary Society Level to Improve Socio Economic Condition of Rural Community by providing Milk Analyzer  
Project Cost : Rs.1375.00 lakhs  
Implementing Department : Department of Dairy Development  
Discussion : The Commissioner, Dairy Development Explained the need to have milk analyzers in all the societies in order to ensure quality assurance.

He also informed that last year 1200 no of societies were provided with milk analyzers. For current year it is proposed to have milk analyser in 2500 societies. As per the suggestions given by Hon'ble Chief Minister during Departmental review, the Commissioner requested to increase the no. of milk analyser to 6500 from 2500 originally proposed and also to revise the project cost to Rs.35.75 crores. This scheme may be implemented in two years.

Resolution : **The SLSC approved the project with increased number of milk analyzers at the revised cost of Rs.3575.00 lakhs and to be implemented in two years.**

### **Project Proposal No.10.B.5**

Project Title : Augmenting Rural Dairying by Providing Need Based Supportive System to Milk Producers through Bulk Milk Coolers  
Project Cost : Rs.720.00 lakhs

Implementing : Department of Dairy Development

Department

Discussion : The Commissioner, Dairy Development said that in the entire state only 200 number of bulk milk coolers are available. As it increases the quality of the milk, it is proposed to install 30 numbers in Tamil Nadu during current year and this project may be approved.

**Resolution : SLSC approved the project**

**Project Proposal No.10.B.6**

Project Title : Increasing Milk Production in Rural Areas to Ensure Optimum Supply to Consumers by Providing Adequate Facilities at Trichy Dairy and Pudukkottai

Project Cost : Rs. 622.75 lakhs

Implementing : Department of Dairy Development

Department

Discussion : The Commissioner, Dairy Development explained how by upgrading the infrastructure facilities in Pudukottai and Trichy dairies, the income to the dairies and to the milk producers will be augmented.

Secretary, Animal Husbandry intervened and said that in cooperative sector the profit is ultimately given back to the farmers themselves and hence this project may be approved.

**Resolution : SLSC approved the project**

**Project Proposal No.10.B.7**

Project Title : Creation of Facilities at Vellore Dairy for Value Addition of Milk Procured from Farmers

Project Cost : Rs. 407.00 lakhs

Implementing : Department of Dairy Development

Department

Discussion : The Commissioner, Dairy Development said that it is proposed to enhance the infrastructure like cold chain, compressor etc for Vellore dairy unit.

**Resolution : SLSC approved the project**

### **Project Proposal No.10.B.8**

**Project Title** : Encouraging Farmers to Adapt Milch Animal Rearing by Providing Facilities at Villupuram Dairy

**Project Cost** : Rs. 218.00 lakhs

**Implementing Department** : Department of Dairy Development

**Discussion** : The Commissioner, Dairy Development said that it is proposed to enhance the infrastructure like chill milk storage, refrigeration facility and power generation etc for Villupuram dairy unit.

The Commissioner, Animal Husbandary, GOI enquired about the difference in having bulk milk coolers and providing chilling facilities in dairies.

The Commissioner, Dairy Development replied that the bulk milk coolers at village level will handle only thousands of litres whereas chilling facilities in dairies process lakhs of litres.

**Resolution** : **SLSC approved the project**

### **Project Proposal No.10.B.9**

**Project Title** : Increasing Milch Animal Productivity by Scientific Feeding by Expanding Cattle Feed Plant at Erode

**Project Cost** : Rs. 1400.00 lakhs

**Implementing Department** : Department of Dairy Development

**Discussion** : The Commissioner, Dairy Development said that every cattle requires one kg of feed per day and the feed is directly linked with the quality of milk. Hence, it is proposed to upgrade the production from 100 MT to 300 MT per day.

**Resolution** : **SLSC approved the project**

### **Project Proposal No.10.B.10**

**Project Title** : Integrated Development of Dairies at Dindigul, Krishnagiri and Kancheepuram-Tiruvallur Union for Enhancing Milk Procurement at Village Level

**Project Cost** : Rs. 344.00 lakhs

**Implementing Department** : Department of Dairy Development

Discussion : The Commissioner, Dairy Development said that it is proposed to enhance the processing, cold storage and power generation at a total cost of Rs. 344.00 lakhs.

Resolution : **SLSC approved the project**

**Project Proposal No.10.B.11**

Project Title : Ensuring Better Shelf Life of Milk and Milk Products Derived from the Milk of Rural Producers by Providing Cold Chain Network

Project Cost : Rs. 100.00 lakhs

Implementing : Department of Dairy Development  
Department

Resolution : **SLSC approved the project**

**Project Proposal No.10.B.12**

Project Title : Creation of Facilities for Assuring Quality Milk and Milk Products from Rural Milk Procurement and Green Energy Dairying at Madhavaram Dairy

Project Cost : Rs. 560.00 lakhs

Implementing : Department of Dairy Development  
Department

Resolution : **SLSC approved the project**

**Project Proposal No.10.B.13**

Project Title : Increase the Shelf Life of End Products of Milk Received from Rural Areas by Providing Facility at Sholingnallur Dairy

Project Cost : Rs. 1000.00 lakhs

Implementing : Department of Dairy Development  
Department

Discussion : The Commissioner, Dairy Development said that it is proposed to increase the shelf life of the milk through Ultra Heat treatment.

Resolution : **SLSC approved the project**

**Project Proposal No.10.B.14**

Project Title : Increase Production of Milk and Dairy Technical Inputs and to Speed Up Procurement, Processing and Distribution of Milk at Salem Dairy.

Project Cost : Rs. 499.61 lakhs  
Implementing Department : Department of Dairy Development  
Discussion : The Commissioner, Dairy Development said that it is proposed for strengthening the pasteurization, separation and homogenization of milk.  
**Resolution : SLSC approved the project**

**Project Proposal No.10.B.15**

Project Title : To Change Urban Traditional Raw Milk Supply to Modern Dairy Milk Supply by Providing Needed Facilities to Ambattur Dairy  
Project Cost : Rs. 1425.00 lakhs  
Implementing Department : Department of Dairy Development  
Discussion : The Commissioner, Dairy Development said that it is proposed to replace the entire compressor and condensers in the unit.  
**Resolution : The SLSC approved the project**

**Project Proposal No.10.B.16**

Project Title : Introduction of Fish Culture in Multi-Purpose Farm Ponds of Drought affected Cauvery Delta Region  
Project Cost : Rs. 1247.35 lakhs  
Implementing Department : Department of Fisheries  
Discussion : The secretary, Animal Husbandry said that Under Mahatma Gandhi Rural Employment Guarantee Programme implemented by RD department it is planned to go for more number of farm ponds in which fish cultivation will be done in Delta districts as per the RKVY guidelines. Inland fisheries is weak in Tamil Nadu and the project is aimed to improve it.  
**Resolution : The SLSC approved the project**

**Project Proposal No.10.B.17**

Project Title : Propagation of Fish Culture in Multi-Purpose Farm Ponds in Tamil Nadu  
Project Cost : Rs. 133.82 lakhs

81  
Implementing : Department of Fisheries

Department

Discussion : The secretary, Animal Husbandry said that under Mahatma Gandhi Rural Employment Guarantee Programme implemented by RD department it is proposed to go for more number of farm ponds in which fish cultivation will be done in Non Delta districts as per the RKVY guidelines

**Resolution : The SLSC approved the project**

**Project Proposal No.10.B.18**

Project Title : Augmenting Fish production in Fish farms with improved culture technology

Project Cost : Rs. 182.30 lakhs

Implementing : Department of Fisheries

Department

Discussion : The secretary, Animal Husbandry said that under this project private fish farmers will be benefitted. This project promotes the use of aerators and bio security measures at 25% subsidy.

**Resolution : The SLSC approved the project**

**Project Proposal No.10.B.19**

Project Title : Upgradation of Fishing Efficiency of Inland Fishermen of Tamil Nadu

Project Cost : Rs. 151.50 lakhs

Implementing : Department of Fisheries

Department

Discussion : The secretary, Animal Husbandry said that under this project poor fisherman will be given fishing nets at 50% subsidy which is within the NADP guidelines.

**Resolution : The SLSC approved the project**

**Project Proposal No.10.B.20**

Project Title : Introduction of Improved Fishing Craft for Exploitation of Reservoir Fisheries

Project Cost : Rs.5.50 lakhs

Implementing : Department of Fisheries

Department

**Discussion :** The secretary, Animal Husbandry said that this project is for reservoir fisherman. Under this project FRP catamaran (small boats) will be provided to the fish farmers at 50% subsidy.

**Résolution :** The SLSC approved the project

**Project Proposal No.10.B.21**

**Project Title :** Propagation of Litopenaeus Vannamei in Coastal Aquaculture

**Project Cost :** Rs. 189.88 lakhs

**Implementing Department :** Department of Fisheries

**Discussion :** The secretary, Animal Husbandry said that this L. Vannamei prawns has got 10 times productivity potential when compared to black tiger prawn. This is done in a big way in Andhra Pradesh and other States. This is done only in a small way in Tamil Nadu. In order to propagate 25% subsidy is given for purchase of equipments like aerators, power generators and other bio security measures.

**Resolution :** The SLSC approved the project

**Project Proposal No.10.B.22**

**Project Title :** Propagation of Deep Sea Tuna Fisheries by Incentivizing Purchase of Longline and Gillnetter Boats to Groups of Fishermen

**Project Cost :** Rs. 3030.00 lakhs

**Implementing Department :** Department of Fisheries

**Discussion :** The secretary, Animal Husbandry said that Government of India has advised to promote deep sea fishing by forming cooperatives. In this project fisherman cooperatives will be given boat at subsidized rate to go for deep sea fishing with Tuna long liners.

**Resolution :** The SLSC approved the project

**Project Proposal No.10.B.23**

**Project Title :** Development of Communication Facilities for Dissemination of Potential Fishing Zones

**Project Cost :** Rs. 864.54 lakhs

**Implementing Department :** Department of Fisheries

**Discussion :** The secretary, Animal Husbandry said that this project is taken up for the first time. The fisherman all over India does not have any communication facilities. In order to pass on the message on safety and availability of fish in a particular area towers will be installed across the coast line and the wireless of the fisherman will be connected with the mechanized boats first then this will be extended to other boats.

The Commissioner, Animal Husbandry, GOI asked how the licensing fees will be taken care. The Secretary, Animal Husbandry replied this project is already done in Ramnad on pilot basis through wireless planning and coordination wing of Ministry of Tele Communication. Now we are planning to upscale it. The license fee will be taken care by the State Government.

The Commissioner, Animal Husbandry, GOI said that Government of India is starting a mega project on this issue This may be cross checked so that there is no duplication.

The Secretary, Animal Husbandry explained that GOI has launched a pilot project in Gujarat called VMS – Vehicle Monitoring System in which equipment is installed in each boat tracked by satellite to fix the location of the boat. This is not for communication.

**Resolution :** **The SLSC approved the project with the condition that there should not be overlapping in any other scheme of Government of India.**

**Project Proposal No.10.B.24**

**Project Title :** Provision of Hygienic Fish Handling Equipment and Accessories in Modern Fish Stalls of TNFDC Ltd

**Project Cost :** Rs. 35.92 lakhs  
**Implementing Department :** Department of Fisheries

**Discussion :** The secretary, Animal Husbandry said that this project is to provide fish handling equipment to the fish stalls so that the fisherman are able to sell clean fish to the public.

**Resolution :** **The SLSC approved the project.**

**Project Proposal No.10.B.25**

**Project Title :** Establishment of Fish Handling Centre with Ice Plant and Cold Storage Facilities at Kuruchi, Coimbatore

**Project Cost :** Rs. 85.85 lakhs

Implementing : Department of Fisheries  
Department  
Discussion : The secretary, Animal Husbandry said that this project is to establish Fish Handling Centre at Coimbatore, which will enable the income of the fishermen. the public will also get clean fish.

**Resolution : The SLSC approved the project.**

**Project Proposal No.10.B.26**

Project Title : Improving Farmer Income by Promoting Ornamental Fish Farming Sector  
Project Cost : Rs. 77.27 lakhs  
Implementing : Department of Fisheries  
Department  
Discussion : The secretary, Animal Husbandry said that the project is withdrawn.

**Resolution : The project is withdrawn.** *not approved*

**Project Proposal No.10.B.27**

Project Title : Augmenting Fertility and Reproductive Potential in Buffaloes through Estrus Synchronization  
Project Cost : Rs. 157.75 lakhs  
Implementing : Tamil Nadu Veterinary & Animal Sciences University  
Department  
**Resolution : The project is approved in principle and being kept as shelf of projects.**

**Project Proposal No.10.B.28**

**Project Title :** Novel Mastitis Vaccines for Dairy Cows  
Project Cost : Rs. 100.00 Lakhs  
Implementing : Tamil Nadu Veterinary & Animal Sciences University  
Department  
**Resolution : The project is approved in principle and being kept as shelf of projects.**

**Project Proposal No.10.B.29**

Project Title : Establishment of Veterinary University Disease Diagnostic Laboratories at Thanjavur and Tirunelveli  
Project Cost : Rs. 185.06 Lakhs  
Implementing : Tamil Nadu Veterinary & Animal Sciences University  
Department

Discussion : The Vice Chancellor, TANUVAS said that there is only one laboratory at present in Chennai. By opening two regional laboratories at Thanjavur & Tirunelveli the diagnosis can be done earlier and will be benefitting more people.

Resolution : **The SLSC approved the project.**

**Project Proposal No.10.B.30**

Project Title : Continuing Veterinary Education to Field Veterinarians for Sustainable Livestock Productivity

Project Cost : Rs 120.14 Lakhs

Implementing : Tamil Nadu Veterinary & Animal Sciences University

Department

Resolution : **The project is approved in principle and being kept as shelf of projects.**

**Project Proposal No.10.B.31**

Project Title : Establishment of legume fodder seed bank for sustainable Livestock Development

Project Cost : Rs 148.50 Lakhs

Implementing : Tamil Nadu Veterinary & Animal Sciences University

Department

Resolution : **The project is approved in principle and being kept as shelf of projects.**

**Project Proposal No.10.B.32**

Project Title : Establishment of "Regional Dairy Entrepreneurs Facility (RDEF)" at Veterinary College and Research Institute, Orathanadu, Thanjavur

Project Cost : Rs 181.40 Lakhs

Implementing : Tamil Nadu Veterinary & Animal Sciences University

Department

Discussion

The Vice Chancellor, TANUVAS said that this is to establish milk processing plant in the veterinary college. This will be helpful in training the students, farmers and also self help group members.

Commissioner, Animal Husbandry, GOI, said that the norms of Government of India should be followed.

The Vice Chancellor, TANUVAS replied that ATMA norms will be followed.

Resolution : **The SLSC approved the project.**

#### **Project Proposal No.10.B.33**

Project Title : Centre of Surgical Excellence for Production Disorders of Ruminants  
Project Cost : Rs 150.00 Lakhs  
Implementing : Tamil Nadu Veterinary & Animal Sciences University  
Department  
Resolution : **The project is approved in principle and being kept as shelf of projects.**

#### **Project Proposal No.10.B.34**

Project Title : Establishing Regional Feed Processing and Demonstration Unit  
Project Cost : Rs 192.00 Lakhs  
Implementing : Tamil Nadu Veterinary & Animal Sciences University  
Department  
Discussion : The Vice Chancellor, TANUVAS said that this unit will be established at veterinary college Orathanad. Here quality feed will be produced and testing will also be done.  
Resolution : **The SLSC approved the project.**

#### **Project Proposal No.10.B.35**

Project Title : Enhancing the Dairy Farmers Income through TANUVAS GRAND supplementation  
Project Cost : Rs 100.00 Lakhs  
Implementing : Tamil Nadu Veterinary & Animal Sciences University  
Department  
Resolution : **The project is approved in principle and being kept as shelf of projects.**

#### **Project Proposal No.10.B.36**

Project Title : Development of Novel Indigenous Diagnostics and Vaccine for bovine Brucellosis  
Project Cost : Rs 75.00 Lakhs  
Implementing : Tamil Nadu Veterinary & Animal Sciences University  
Department  
Resolution : **The project is approved in principle and being kept as shelf of projects.**

#### **Project Proposal No.10.B.37**

Project Title : Establishment of Goat Genetic Resource Centre  
Project Cost : Rs. 74.95 Lakhs  
Implementing Department : Tamil Nadu Veterinary & Animal Sciences University  
**Resolution : The project is approved in principle and being kept as shelf of projects.**

#### **Project Proposal No.10.B.38**

Project Title : Establishment of State of Art Animal Biotechnology Facility for Rapid Diagnosis of Livestock and Poultry Diseases  
Project Cost : Rs 200.00 Lakhs  
Implementing Department : Tamil Nadu Veterinary & Animal Sciences University  
**Resolution : The project is approved in principle and being kept as shelf of projects.**

#### **Project Proposal No.10.B.39**

Project Title : Application of GIS to Combat Foot and Mouth disease in Tamil Nadu  
Project Cost : Rs 10.00 Lakhs  
Implementing Department : Tamil Nadu Veterinary & Animal Sciences University  
**Resolution : The project is approved in principle and being kept as shelf of projects.**

#### **Project Proposal No.10.B.40**

Project Title : Interactive Voice Response System (IVRS) using Cloud Computing and Voice Telephony for livestock farmers in Tamil Nadu  
Project Cost : Rs 19.97 Lakhs  
Implementing Department : Tamil Nadu Veterinary & Animal Sciences University  
**Resolution : The project is approved in principle and being kept as shelf of projects.**

#### **Project Proposal No.10.B.41**

Project Title : Establishment of Stem cell and Regenerative Medicine Unit  
Project Cost : Rs 273.95 Lakhs  
Implementing Department : Tamil Nadu Veterinary & Animal Sciences University

Discussion : The Vice Chancellor, TANUVAS said that this unit will be established in Madras Veterinary College. Already pilot work on stem cell characterization is taken up in the university.

The Commissioner, Animal Husbandry, GOI asked about the output.

The Vice Chancellor, TANUVAS replied that initially we will characterize and do base line research and apply for regeneration, replacement and restoration of diseased tissues and organs.

**Resolution : The SLSC approved the project**

**Project Proposal No.10.B.42**

Project Title : Establishment of Regional Fisheries Research and Extension Centre at Barur, Krishnagiri district to enhance inland fish production through Breeding & Culture of freshwater fishes and prawns

Project Cost : Rs 153.00 Lakhs

Implementing : Tamil Nadu Veterinary & Animal Sciences University  
Department

**Resolution : The project is approved in principle and being kept as shelf of projects.**

**Project Proposal No.10.B.43**

Project Title : Empowerment of Fisherfolk in the Development of Fish Mince Based Products from low value fish using Fish Deboners

Project Cost : Rs 49.83 Lakhs

Implementing : Tamil Nadu Veterinary & Animal Sciences University  
Department

**Resolution : The project is approved in principle and being kept as shelf of projects.**

**Project Proposal No.10.B.44**

Project Title : Establishment of Freshwater Fisheries Centre at Manimangalam, Kancheepuram District

Project Cost : Rs 146.00 Lakhs

Implementing : Tamil Nadu Veterinary & Animal Sciences University  
Department

**Resolution : The project is approved in principle and being kept as shelf of projects.**

### **Project Proposal No.10.B.45**

**Project Title** : Establishment of Brackishwater Aquatech Research Centre at Siruseri to empower coastal fisherfolk of Tamil Nadu through advanced fish culture technologies

**Project Cost** : Rs 60.00 Lakhs

**Implementing Department** : Tamil Nadu Veterinary & Animal Sciences University

**Resolution** : **The project is approved in principle and being kept as shelf of projects.**

### **Project Proposal No.10.B.46**

**Project Title** : Ornamental and Food Fish Production and Management in Tamil Nadu by adopting Novel Disease Management Strategies

**Project Cost** : Rs 100.00 Lakhs

**Implementing Department** : Tamil Nadu Veterinary & Animal Sciences University

**Resolution** : **The project is withdrawn.**

### **Project Proposal No.10.B.47**

**Project Title** : Rehabilitation of Anicut, Bed Dam, Tanks and Construction of Grade Walls

**Project Cost** : Rs 1611.00 Lakhs

**Implementing Department** : Public Works Department - Water Resources Department

**Discussion** : **Remarks of RKVY**

#### **NRM**

“ Not supported as the matter is related with the Ministry of Water Resources ”

The Secretary, PWD presented the project and elaborated that these projects are contemplated to use the additional water saved by Modernisation and Rehabilitation to stabilize the existing cultivation, besides bridging the gap and to increase the cropped extent over and above the present command area wherever feasible.

**Resolution** : **The project is approved with the condition to follow the GOI norms.**

### **Project Proposal No.10.B.48**

**Project Title** : Construction of 100 Nos. of Direct Purchase Centres in Delta

Districts of Thanjavur, Thiruvarur and Nagapattinam Districts

Project Cost : Rs.3000.00 lakhs

Implementing : Tamil Nadu Civil Supplies Corporation

Department

Discussion : The Agricultural Production Commissioner & Secretary to Government said that as 40% rice production is from delta areas there is necessity to open more number of Direct Purchase Centres when Secretary Food and Cooperation asked for more numbers in non delta areas, it was told that 100 nos. may be distributed among delta and non delta areas judiciously

**Resolution : The SLSC approved the project.**

**Project Proposal No.10.B.49**

Project Title : Facilitation of 100 Nos. of Paddy Drying Platform in the Delta Districts of Thanjavur, Thiruvarur and Nagapattinam in Tamil Nadu

Project Cost : Rs.700.00 lakhs

Implementing : Tamil Nadu Civil Supplies Corporation

Department

Discussion : The Agricultural Production Commissioner & Secretary to Government explained how the drying yards are essential direct purchase centres to keep up the quality and also to facilitate the farmers.

**Resolution : The SLSC approved the project.**

**Project Proposal No.10.B.50**

Project Title : Installation of Solar Copra Dryers in Cooperatives

Project Cost : Rs. 17.67 lakhs

Implementing : Department of Cooperation

Department

**Resolution : The SLSC approved the project.**

**Projects to be approved in principle**

The Vice Chancellor, TANUVAS said that apart from allocation under Normal RKVY to the State there is a separate funding for the Department of Animal Husbandry, Government of India under which there is one time grant support to institutions. The following proposals are proposed under this category for which SLSC approval is necessary in principle.

The Joint Secretary, Government of India said that it is a separate scheme these proposals may be sent to Government of India for examination.

The Secretary, Animal Husbandry agreed to it.

**Project Proposal No.10.C.1**

Project Title : Strengthening of the College of Food and Dairy Technology (CFDT) TANUVAS, Koduvalli, Chennai-52

Project Cost : Rs. 1648.00 Lakhs

Implementing Department : Tamil Nadu Veterinary & Animal Sciences University

Resolution : **The SLSC approved the project in principle and instructed to send separate proposals to the Department of Animal Husbandry, Dairying and Fisheries, Government of India.**

**Project Proposal No.10.C.2**

Project Title : Establishment of Livestock Production Sciences Complex at Madras Veterinary College, Chennai

Project Cost : Rs 1100.00 Lakhs

Implementing Department : Tamil Nadu Veterinary & Animal Sciences University

Resolution : **The SLSC approved the project in principle and instructed to send separate proposals to the Department of Animal Husbandry, Dairying and Fisheries, Government of India..**

**Project Proposal No.10.C.3**

Project Title : Strengthening the infrastructure for Academic Activities in Animal Sciences / Clinical Services at PGRIAS, Kattupakkam

Project Cost : Rs 1150.00 Lakhs

Implementing Department : Tamil Nadu Veterinary & Animal Sciences University

Resolution : **The SLSC approved the project in principle and instructed to send separate proposals to the Department of Animal Husbandry, Dairying and Fisheries, Government of India.**

**Project Proposal No.10.C.4**

Project Title : Establishment of Super-Speciality Veterinary Hospital at Namakkal with Special Reference to Farm Animals for the Improvement of Economy of Rural Women and Farmers

Project Cost : Rs 790.00 Lakhs

Implementing Department : Tamil Nadu Veterinary & Animal Sciences University

Resolution : **The SLSC approved the project in principle and instructed to send separate proposals to the Department of Animal Husbandry, Dairying and Fisheries, Government of India.**

### **Agenda Book No.3**

#### **Sub Schemes under RKVY**

The sub schemes under RKVY are prepared normally as per the guidelines prescribed by the Government of India for the respective sub schemes and the allocation for each sub scheme will be made individually by GOI. Hence the following sub schemes may be approved.

##### **Project Proposal No. 10 OPAE - 1**

Project Title : Special Programme on Oilpalm Area Expansion  
Project Cost : Rs. 832.75 lakhs  
Implementing : Department of Agriculture  
Department  
Resolution : **The SLSC approved the project.**

##### **Project Proposal No. 10 Pulse - 1**

Project Title : Integrated Development of Pulses Villages in Rainfed Areas  
Project Cost : Rs. 650.00 lakhs  
Implementing : Department of Agriculture  
Department  
Resolution : **The SLSC approved the project.**

##### **Project Proposal No. 10 INSIMP - 1**

Project Title : Initiative for Nutritional Security through Intensive Millets Promotion (INSIMP)  
Project Cost : Rs. 875.96 lakhs  
Implementing : Department of Agriculture  
Department  
Resolution : **The SLSC approved the project.**

##### **Project Proposal No.10 RADP - 1**

Project Title : Rainfed Area Development Programme (RADP)  
Project Cost : Rs.836.75 lakhs  
Implementing : Department of Agriculture  
Department  
Resolution : **The SLSC approved the project.**

##### **Project Proposal No.10 RADP - 2**

Project Title : Rainfed Area Development Programme (RADP)  
Project Cost : Rs.1002.90 lakhs  
Implementing : Department of Horticulture & Plantation Crops  
Department  
Resolution : **The SLSC approved the project.**

## Project Proposal No.10.NMPS -1

Project Title : Intensive Goat production for enhancing protein supplement  
Project Cost : Rs.540.87 lakhs  
Implementing Department : Department of Animal Husbandry  
Discussion : **Remarks of RKVY**

**LH**

“Division supports the proposal for the activities like deworming and vaccination under miscellaneous component

Not supported as the proposal cost is on higher side ”

### **Discussion**

Secretary, Animal Husbandry said that this is a sub scheme and proposed as per the norms of India.

Commissioner Animal Husbandry intervened and said that the number of goat units may be increased.

Secretary, Animal Husbandry replied that the number of unit will be increased and will be implemented in clusters by SHGs.

**Resolution : The SLSC approved the project**

## Project Proposal No.10.NMPS-2

Project Title : Creation of facilities at Ambattur dairy for better product mix from the producers milk received from the rural areas  
Project Cost : Rs. 1300.00 lakhs  
Implementing Department : Department of Dairy Development  
Discussion : **Remarks of RKVY**

**DD**

“Department supports the proposal in principle subject to following observations:

1. It may be ensured that there is no duplication with any project already approved by GOI and State Government.
2. The cost norms for components proposed for the projects wherever available under the schemes of GOI shall be and adopted.
3. The end of the project (EOP target ) shall be clearly spelt out for the every project along with the annual physical and financial target for proper monitoring for proper monitoring of the implementation of the projects.
4. Utilization certificates, audited financial statement and

actual achievements for physical and financial parameters against approved targets will be provided by the implementing agency for considering release of subsequent installments.

5. Detailed list of number of beneficiaries assisted with details of address. Sex, caste, status and financial status (for poor and BPL) are maintained for each project.
6. Details of the projects approved earlier and progress made under approved projects in RKVY and NMPS may be provided to this department.
7. Detailed component wise cost breaks up for civil works and purchase of plant and machineries may be provided in tabulated form of this department. The cost of civil works may be calculated as per the state PWD norms and purchase of plant and machineries as per norms of IDMC "

**Discussion :**

The Commissioner for Milk production and Dairy Development, Tamil Nadu presented the project.

Commissioner, Animal Husbandry, Government of India raised a query in what way the project was connected with NMPS.

The Commissioner, Milk production and Dairy Development, replied since all milk products to be manufactured contain milk protein. The products to be supplied will in turn facilitate enriching and supplementing protein to the population.

The Commissioner, Milk production and Dairy Development further assured that the observation made by RKVY division will be taken due care.

**Resolution :** The SLSC approved the project

**Project Proposal No.10. NMPS - 3**

**Project Title :** Integrated Aquaculture Unit at Thanjavur

**Project Cost :** Rs. 252.50 lakhs

**Implementing Department :** Department of Fisheries

**Discussion :** The secretary, Animal Husbandry said that this is a sub scheme as per the Government of India guidelines.

**Resolution :** SLSC approved the project.

## Project Proposal No.10. NMPS-4

Project Title : Integrated Aquaculture Unit at Thiruvavarur  
Project Cost : Rs. 252.50 lakhs  
Implementing : Department of Fisheries  
Department  
Resolution : **SLSC approved the project.**

## Agenda Book No.4

### Additional Agenda

#### Remarks of RKVY

"As the agenda item was received in DAC on 18.3.13, 15 days time as stipulated in para - 5.4 of RKVY guidelines was not available. As such these projects may not be included for discussion in this SLSC meeting to be held on 19.03.2013. "

#### Discussion

The Agricultural Production Commissioner & Secretary to Government appealed the State Level Sanctioning Committee to examine the proposals as these projects are prepared as per the norms of Government of India

The Agricultural Production Commissioner & Secretary to Government again reminded the basis and details of these projects, which were discussed elaborately at the beginning of the session (in page 3 & 4) and requested to take these projects for discussion and approval.

The Joint Secretary, GOI accepted that the proposals included in the additional agenda may be examined one by one, with the condition that the comments if communicated from GOI should be considered and the project should be modified accordingly before implementing these projects.

#### Project Proposal No.10. 1

Project Title : GIS Soil Mapping by Fast Tracking of Soil Analysis and  
Distribution of Farmers' Integrated Handbook during 2013-2014  
Project Cost : Rs. 600.00 lakhs  
Implementing : Department of Agriculture  
Department  
Resolution : **SLSC approved the project with the condition to consider  
and modify based on the comments from Government of  
India**

#### Project Proposal No.10. 2

Project Title : Invigorating Extension through ICT Tools  
Project Cost : Rs. 756.40 lakhs

Implementing : Department of Agriculture

Department

**Resolution** : **SLSC approved the project with the condition to consider and modify based on the comments from Government of India**

**Project Proposal No.10. 3**

**Project Title** : Urban Horticulture Development Scheme for the Promotion of Terrace / Roof / OSR Vertical Garden in urban areas

**Project Cost** : Rs. 500.40 lakhs

Implementing : Department of Horticulture & Plantation Crops

Department

**Resolution** : **SLSC approved the project with the condition to consider and modify based on the comments from Government of India**

**Project Proposal No.10. 4**

**Project Title** : Procurement of Multi Crop Thresher and Mini dhal Mill to Self Help Group / TANWABE Group for Pulses & Millets cultivation

**Project Cost** : Rs. 525.00 lakhs

Implementing : Department of Agricultural Engineering

Department

**Resolution** : **SLSC approved the project with the condition to consider and modify based on the comments from Government of India**

**Project Proposal No.10. 5**

**Project Title** : Integration of Agricultural Markets for Improving the Supply Chain of Lead Commodity

**Project Cost** : Rs. 1500.00 lakhs

Implementing : Department of Agricultural Marketing &

Department Agri Business

**Resolution** : **SLSC approved the project with the condition to consider and modify based on the comments from Government of India**

**Project Proposal No.10.6**

**Project Title** : Perishable Market improvement through Collection Centres

**Project Cost** : Rs. 1500.00 lakhs

Implementing : Department of Agricultural Marketing &

Department Agri Business

**Resolution** : **SLSC approved the project with the condition to consider and modify based on the comments from Government of India**

### Project Proposal No.10.7

Project Title : Upgradation of Rural Sandhais in Tamil Nadu  
Project Cost : Rs. 240.00 lakhs  
Implementing Department : Department of Agricultural Marketing & Agri Business  
Resolution : **SLSC approved the project with the condition to consider and modify based on the comments from Government of India**

### Project Proposal No.10. 8

Project Title : Establishment of Food Processing Incubation Centres  
Project Cost : Rs. 220.00 lakhs  
Implementing Department : Department of Agricultural Marketing & Agri Business  
Resolution : **SLSC approved the project with the condition to consider and modify based on the comments from Government of India**

### Project Proposal No.10. 9

Project Title : Strengthening of Dairy Plant at College of Food and Dairy Technology  
Project Cost : Rs. 38.14 lakhs  
Implementing Department : Tamil Nadu Veterinary & Animal Sciences University  
Resolution : **SLSC approved the project with the condition to consider and modify based on the comments from Government of India**

### Project Proposal No.10. 10

Project Title : Large Animal containment facility for Validation of Veterinary Vaccines and Diagnostics at TANUVAS  
Project Cost : Rs. 300.00 lakhs  
Implementing Department : Tamil Nadu Veterinary & Animal Sciences University  
Resolution : **SLSC approved the project with the condition to consider and modify based on the comments from Government of India**

### **Project Proposal No.10. 11**

Project Title : Technology Incubation Complex  
Project Cost : Rs. 193.50 lakhs  
Implementing Department : Tamil Nadu Veterinary & Animal Sciences University  
Resolution : **SLSC approved the project with the condition to consider and modify based on the comments from Government of India**

### **Agenda IV**

#### **Ratification – Agri Sectors**

#### **Ratification No.1**

Project Title : Additional component for special package for Cauvery delta districts  
Project Cost : Rs. 1443.00 lakhs  
G.O.Ms.No. : 1.GO M.S No. 282 Agri (AP1) Department dated 07.12.2012  
Reference No : 2.GOI , MoA, DAC, Lr.F.No.1-24/2012 – RKVY, dated 25.2.13  
Implementing Department : Department of Agriculture  
Resolution : **SLSC ratified the proposal with a remark that the subsidy should be restricted to 50 % as per GOI norms.**

#### **Ratification No.2**

Project Title : Additional component for special package Cauvery delta districts  
Project Cost : Rs. 1045.00 lakhs  
G.O.Ms.No. : 1.GO M.S No. 283 Agri (AP1) Department dated 07.12.2012  
Reference No : 2.GOI , MoA, DAC, Lr.F.No.1-24/2012 – RKVY, dated 25.2.13  
Implementing Department : Department of Agriculture  
Resolution : **SLSC ratified the proposal with a remark that the subsidy should be restricted to 50 % as per GOI norms.**

#### **Ratification No.3**

Project Title : Distribution of Solar energized pumpsets  
Project Cost : Rs. 1500.00 lakhs  
G.O.Ms.No. : 1. GO MS. No 147 Agri (AP1) dept, Dated 24.7.2012

Implementing : 2. GO M.S No. 193 Agri (AP1) dept dated 26.12.2012  
 Department : Department of Agriculture  
**Resolution : The SLSC ratified the proposal**

**Ratification No.4**

Project Title : Promotion of D X T Hybrid coconut seedlings by Outsourcing.  
 G.O.Ms.No. : GO MS. No 1123 Agri (AP1) dept, Dated 4.7.2012  
 Implementing : Department of Agriculture  
 Department :  
**Resolution : The SLSC ratified the proposal**

**Ratification – Allied Sectors**

**Ratification No.1**

Project Title : Fodder Augmentation in Padappai Farm  
 G.O.Ms. No. : GO MS. No 172 Agri (AP1) dept, Dated 10.08.2010  
 Implementing : Department of Animal Husbandry  
 Department :  
**Resolution : The SLSC ratified the proposal**

**Ratification No.2**

Project Title : Establishment of Multinutrient Block unit at DLF, Chettinad and Hosur  
 G.O.Ms. No. : GO MS. No 43Agri (AP1) dept, Dated 21.02.2011  
 Implementing : Department of Animal Husbandry  
 Department :  
**Resolution : The SLSC ratified the proposal**

**Ratification No.3**

Project Title : Establishment of LN2 plant at ECBF, Eachenkottai  
 G.O.Ms. No. : GO MS. No 200 Agri (AP1) dept, Dated 31.10.2011  
 Implementing : Department of Animal Husbandry  
 Department :  
**Resolution : The SLSC ratified the proposal**

**Ratification No.4**

Project Title : Promoting Piggery through Breeding Farms  
 (Sub Scheme National Mission for Protein Supplement)  
 G.O.Ms. No. : 1. GO MS. No 198 Agri (AP1) dept, Dated 31.10.2011  
 2. Amendment G.O. (Ms) No.217, Agriculture (AP1) Department, dated. 25.11.2011.  
 Implementing : Department of Animal Husbandry  
 Department :

**Resolution : The SLSC ratified the proposal**

**Ratification No.5**

Project Title : Accelerated Fodder Development Programme - Sub Scheme

G.O.Ms. No. : 1. G.O. MS. No 198 Agri (AP1) dept, Dated 31.10.2011  
2. G.O. (Ms) No.217, Agriculture (AP1) Department, dated.  
25.11.2011.  
3.G.O. (Ms) No.142, Agriculture (AP1) Department, dated.  
16.08.2012.

Implementing : Department of Animal Husbandry  
Department

**Resolution : The SLSC ratified the proposal**

**Ratification No.6**

Project Title : Improvement of Animal Husbandry practices at villages through  
need based outreach program.

G.O.Ms. No. : 1. GO MS. No.188 Agri (AP1) dept, Dated 31.08.2012

Implementing : Department of Animal Husbandry  
Department

**Resolution : The SLSC ratified the proposal**

**Ratification No.7**

Project Title : Strategies for short term management of fodder Requirement

G.O.Ms. No. : GO MS. No 242 Agri (AP1) dept, Dated 22.10.12

Implementing : Department of Animal Husbandry  
Department

**Resolution : The SLSC ratified the proposal**

**Agenda V**

**Permission – Agri Sector**

**Permission No.1**

Project Title : Strengthening of Liquid Biofertilizer Production Units

Project Cost : Rs.275.00 lakhs

G.O.Ms. No. : GO MS. No 123 Agri (AP1) dept, Dated 04.07.12

Implementing : Department of Agriculture  
Department

**Resolution : The SLSC approved the proposal**

**Permission No.2 & 3**

Project Title : INSIMP

Project Cost : Rs.1049.00 lakhs

G.O.Ms. No. : GO MS. No 198 Agri (AP1) dept, Dated 31.10.1

Implementing : Department of Agriculture  
Department

**Resolution : The SLSC approved the proposal**
